

2022 Ed Expo and Ticketing Information for Teachers

	Ed Expo-Advanced	ANY Student Ticket – Day Of	General Admission - Advanced	GA – Day of
Student Ticket	\$8.00	\$11.50		
Additional Teacher	\$11.50	\$11.50	11.50	15.00
Ride Wristband	\$23.00	\$25.00 at gate	25.00	30.00

*There are no additional fees to the ticket prices above.

Every student and teacher needs an admission ticket. Ride wristbands do not include admission. Please review the **Ed Expo Guide** for additional information.

Student tickets will increase day-of for anyone who did not register (paid) or reserve (pay at the gate) school tickets in advance.

The recommended and smoothest way for school groups to enter the fair is to **REGISTER** for tickets online and pay online with a credit card. School groups who pay in advance online with a credit card will be able to have their tickets in hand and be able to immediately enter fair gates at the time of the fair.

This is especially advantageous for school groups who have competitions or activities in the Blue Ribbon and Best of Show pavilions, as paying in advance will allow for paid groups with tickets in hand to enter the Fair through Gate 2 and park nearby.

We will continue to offer the **RESERVATION** option for schools who are not able to pay with a credit card. The reservation option allows groups to bring a check *for the total amount reserved* and receive their tickets **at the Ed Expo Ticket Booth**. **Checks should be made out to Virginia Farm Bureau Holding Corp.**, you may include SFVA and/or add Ed Expo to the Memo line.

While we will be working to make this process as smooth as possible, there may be a wait. To reduce the wait, we're requesting teachers and school groups have their payment ready. We will communicate more logistics on picking up your reserved tickets closer to the fair.

Please note, the cost of day-of ticket purchases will go up. Additional tickets **for students or additional teachers will be \$11.50 and day-of wristbands** AT THE GATE will be \$25.00. We cannot offer this wristband price once you are inside the gate. This is still cheaper than general gate admission both week of and at the gate.

To ensure the best deal for you and your students, we encourage you to have your tickets ordered prior to the day of. **If you have changes to your ticket order prior to the start of fair, please contact Sarah Jane at edu@statefairva.org or 804-994-2743 with your changes.** Please do not make a new ticket order without touching base.
