

2022 PROGRAM SERVICE ACCOMPLISHMENTS

2022 STATE FAIR OF VIRGINIA

We are pleased that 2022 brought more normalcy to The Meadow Event Park events, and especially the State Fair of Virginia. The impact of Hurricane Ian may have dampened the closing weekend, but many, many great things were achieved during the 10 days!

In the event industry, success often is measured by attendance. Focusing on this one metric is a critical mistake. I like to measure success based on the following pillars:

- **Community** - what can we do personally and professionally to be good community servants?
- **Customer Service** - internal and external
- **Education** - internal and external partners, guests and employees
- **Fiscal Responsibility** - are business operations aligned with solid fiscal processes?
- **Safety** - for our visitors and for our employees
- **Technology** - continue improvement of how we communicate and operate efficiently
- **Virginia Farm Bureau** - strong ROI for Virginia Farm Bureau, both fiscally, brand image and company mission

On behalf of our board of directors, committees, volunteers and staff, we thank our partners for supporting the mission and activities of the State Fair of Virginia Youth development Board. There is great joy in providing opportunities for youth to excel and compete on the “big stage” known as the State Fair of Virginia. We know this experience can be a once in a lifetime opportunity and a “game changer” for our participants.

Marlene Pierson-Jolliffe

Executive Director, State Fair of Virginia

VISION & MISSION

Vision

To bring the best of Virginia together in celebration, every year.

Mission

To nurture, preserve and celebrate the best of Virginia's culture, past, present and future.

"Being privileged enough to be awarded scholarships from the State Fair of Virginia program has provided me with a sense of accomplishment and recognition for the various activities and projects I have been involved in. The monetary awards have lessened the gap in paying for my education, especially knowing that my career path to become a large animal veterinarian is lengthy. The awards have been one of many contributing factors in my college success thus far and I look forward to the day that I can give back to the future leaders in agriculture."

STATE FAIR OF VIRGINIA

YOUTH DEVELOPMENT BOARD

The focus of the State Fair Youth Development Board is to:

Expand leadership capacity and educational opportunities for youth participants in the annual State Fair of Virginia and other programs at The Meadow Event Park.

Connect producers, teachers, leaders, industry and business in an effort to offer encouragement and recognition to Virginia's youth as they participate in competitions and educational programs.

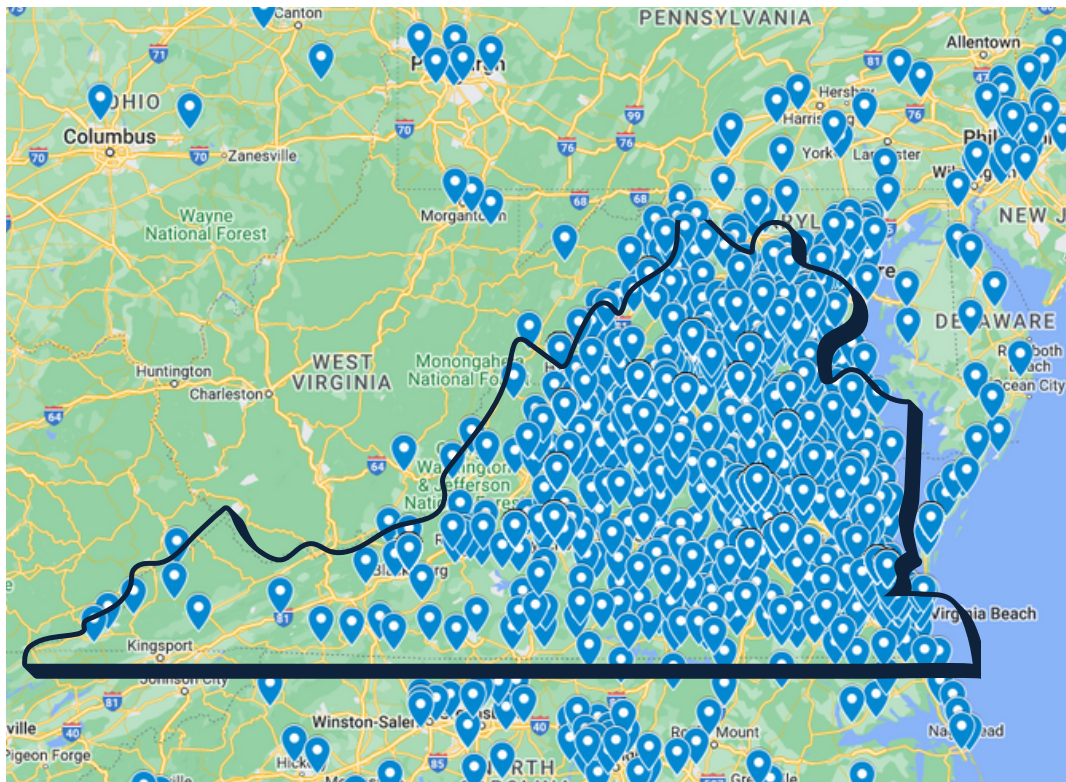

Three key areas of programming are Natural Resources, Agriculture, and Arts, Culture and History. Agencies that partnered with programming included:

Virginia Department Historic Resources; Virginia Association of Soil & Water Conservation Districts; Virginia Department of Conservation & Recreation; Virginia State Parks; Virginia Marine Resources Commissions; Virginia Department of Wildlife Resources; Virginia Department of Forestry.

Virginia Beef Council; Virginia Pork Council; Virginia Soybean Association; Virginia Peanut Growers Association; Virginia Grain Producers Association; Virginia Biosolids Council; Virginia Beekeepers; Virginia State University; and Virginia Farm Bureau.

A key partnership with The Crooked Road project from Southwest Virginia has supported Virginia heritage music in Heritage Village and on the Main Stage.

YOUTH LIVESTOCK AWARDED SCHOLARSHIPS

Any youth who participate in the youth livestock shows at the current year's fair are eligible. These include: youth beef, youth sheep, youth meat goat and youth swine shows. Application categories are broken out by age Juniors (9-12); Intermediate (13-15); and Seniors (16 and older) with four scholarships being awarded in each category.

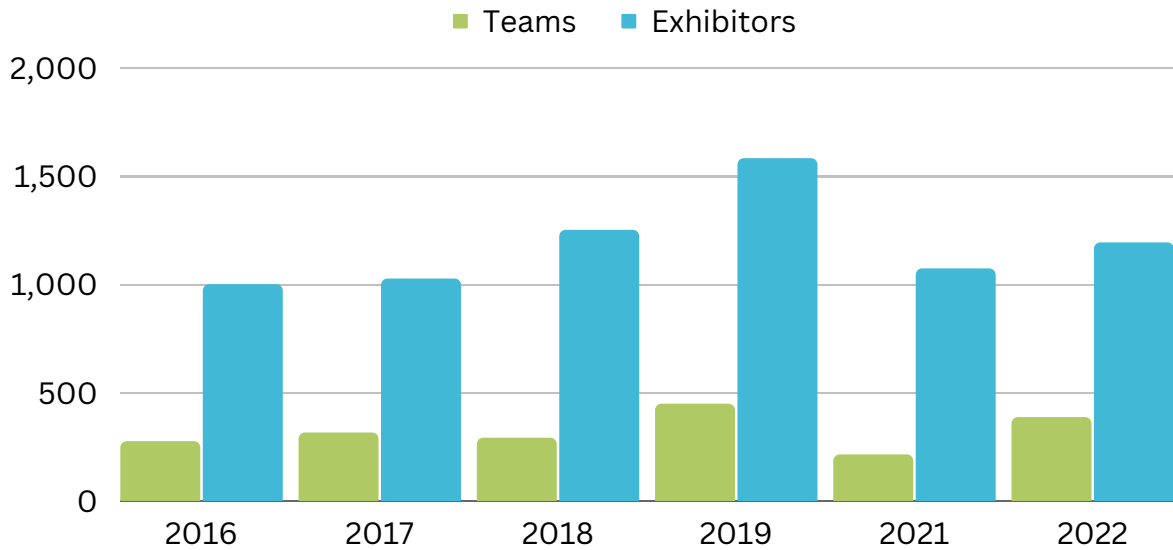

Judging is based on applicants' State Fair participation, as well as on leadership and community service activities and an essay. Funds allocated for the scholarships represent a portion of proceeds from the current year's Sale of Champions benefit auction.

Deadline: Applications are due January 23 and reviewed by the Scholarship Committee in February. Special recognition of winners is listed on the Fair website and made at the upcoming State Fair.

BLACK TIE & BOOTS

NET INCOME, EXPENSES & REVENUE
2015-2022

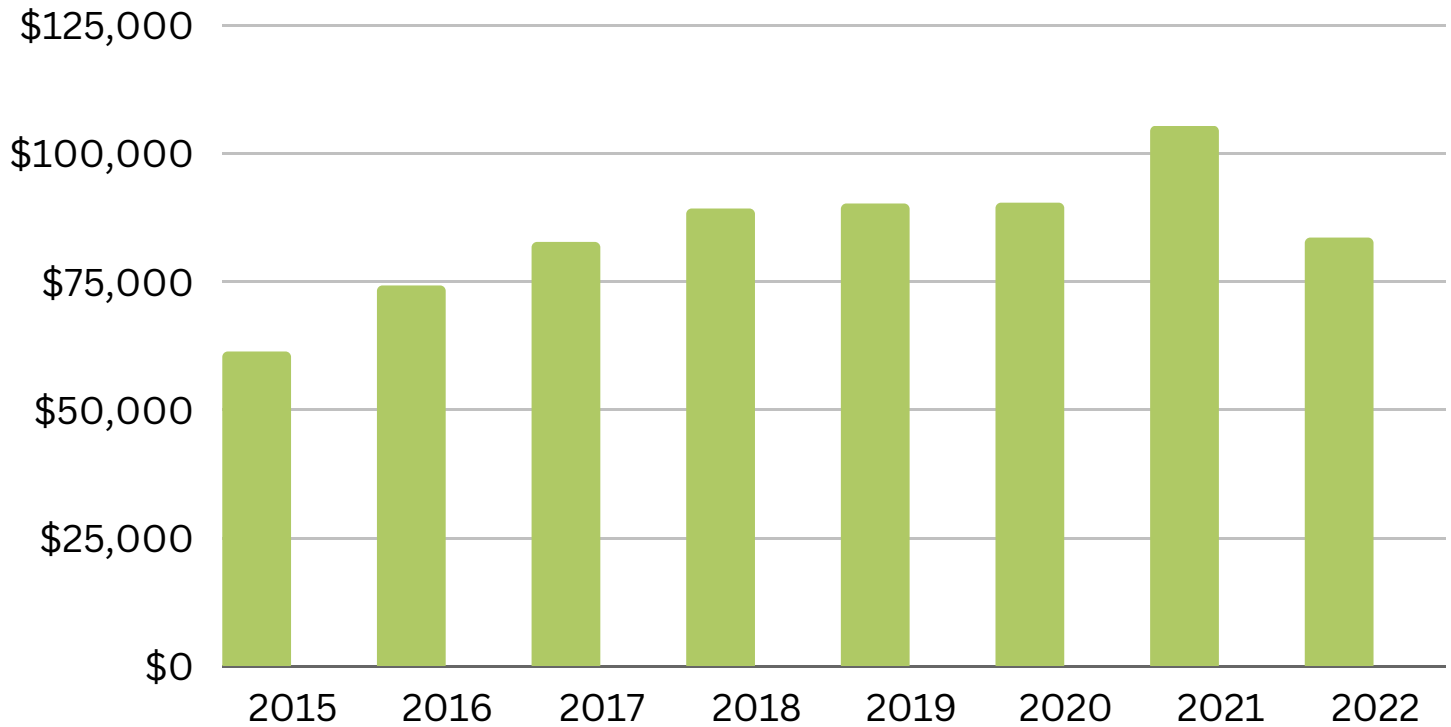

The Black Tie and Boots Gala is a night dedicated to raising money for the State Fair of Virginia Youth Scholarship Program. All proceeds from the event go toward youth as a primary source of funding for the Youth Development Board.

Formally held on the eve of opening day, Black Tie & Boots rescheduled the event for two Fridays prior to the fair's opening in 2021 coming out of the pandemic. While the 2022 schedule did not accommodate this earlier date, the event will be held two weeks prior to the fair in the future to best meet the needs of The Meadow.

SALE OF CHAMPIONS

SALE OF CHAMPIONS ANNUAL SUPPORT 2015-2022

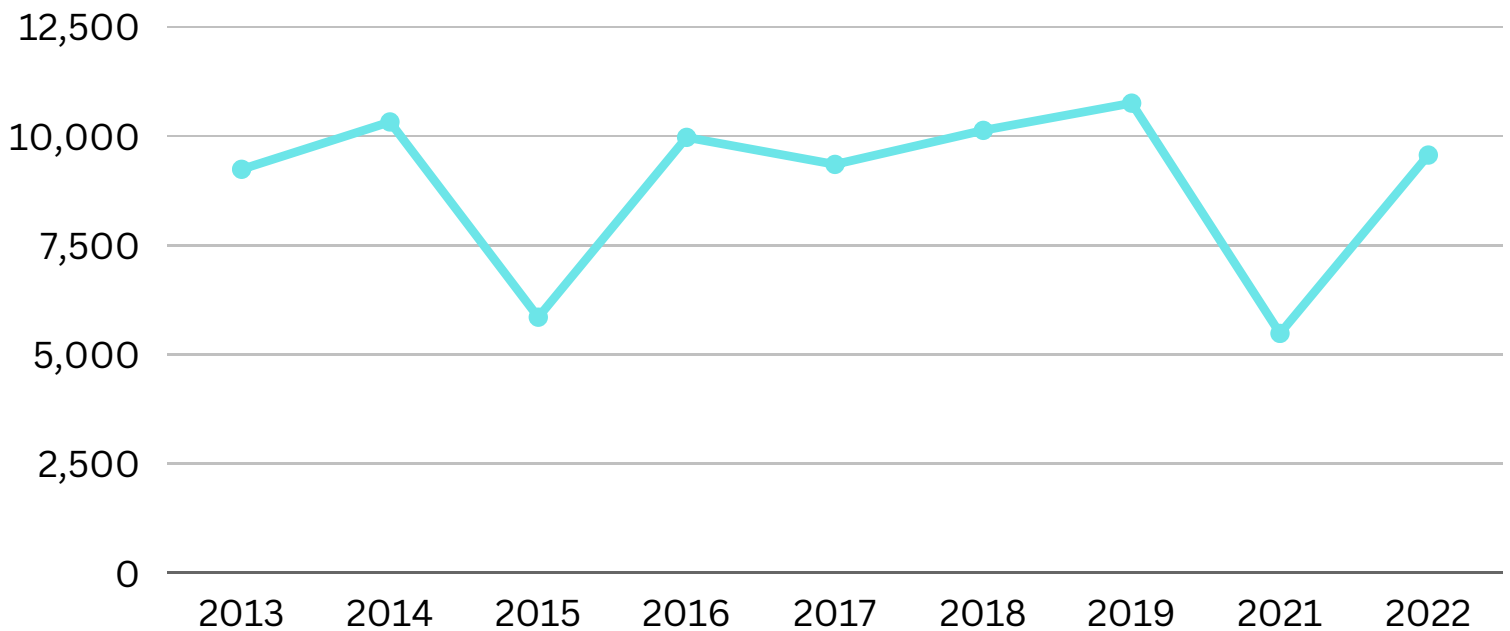

Established in 2015, the Sale of Champions is held annually on the second Saturday of the fair. Our market animal champions are "auctioned off" for individuals and businesses to support the youth premiums and our scholarships offered annually to our fair exhibitors.

EDUCATIONAL EXPOSITION - "ED EXPO"

ED EXPO STUDENT PARTICIPATION 2013-2022

The State Fair of Virginia continues to work with various educational partners, state agencies and agricultural commodity groups and organizations to offer unique and interactive programming for school field trips as part of the "Largest Outdoor Classroom." 2022 brought a return to normal numbers with students from over 80 counties, despite many groups having to cancel on the last Friday due to the hurricane. Seven interactive classrooms were offered during school days.

"We had a really great time learning about the Virginia Tech program and what opportunities are available for students. It made the trip very worthwhile," ~Ms. Buschy on 2022's interactive classroom offerings
