The Ed Expo is designed to educate youth about all Virginia has to offer as the Standards of Learning come alive as students experience agriculture, history, technology and natural resources outside of their school's walls.

Many competitions & scholarships are in coordination with the SFVA Youth Development Board

The focus of the State Fair Youth Development Board is to:

- Expand leadership capacity and educational opportunities for youth participants in the annual State Fair of Virginia and other programs at The Meadow Event Park.
- Connect producers, teachers, leaders, industry and business in an effort to offer encouragement and recognition to Virginia's youth as they participate in competitions and educational programs.
