*The State Fair of Virginia has been a great partner for EMG3 to include on our 2019 Ford Tour. The venue was ideal for us to showcase our vehicles, and **reach a broad audience within our demographic**. We gained great exposure for our client and were able to **interact with the public in a meaningful way**. The State Fair **staff went above and beyond** the call of duty to make us feel welcomed, and appreciated. They helped us assemble and break down event sets, and were readily available with any issues or questions that arose. Overall, we were able to put our best foot forward to the marketplace through this meaningful partnership."*
