Market Beef Show

To be eligible for exhibition, all Market Beef entries must have been nominated using the OFFICIAL STATE FAIR OF VA ONLINE NOMINATION PROCESS, INCLUDING DNA SUBMISSION. It is the responsibility of the exhibitor to properly nominate his or her cattle NO LATER THAN JULY 31st, 2023. At the time of nomination all market cattle will be individually identified with an official USDA-compliant "840" EID ear tag. Commercial/crossbred breeding heifers must also have an official "840" EID ear tag and complete the online nomination process with DNA submission. Only cattle that have been nominated and properly identified will be eligible to show in the Market Beef or Commercial/Crossbred Heifer competitions at the State Fair of Virginia. *****NOMINATION = OWNERSHIP. Once an animal has been nominated it may not be shown in/under the name of any other exhibitor between the date of nomination submission and the conclusion of the State Fair of Virginia Youth Livestock Shows. The ONLY EXCEPTION is that a Cloverbud/Pee Wee youth may use that animal in a SHOWMANSHIP CLASS at another event, if that event's rules allow such. However, any change in the owner/exhibitor name in any other circumstance will constitute a change in ownership and that animal will no longer be eligible to be shown at the State Fair of VA Youth Livestock Shows.**

DNA Envelopes and RFID/EID Tags (if needed) must be ordered using this link: <https://tinyurl.com/2023-SFVA-DNA-and-Tag-Order>

1. **To be eligible for exhibition, all Commercial/Crossbred Heifer entries must have been nominated and tagged using the OFFICIAL STATE FAIR OF VA ONLINE NOMINATION PROCESS, INCLUDING DNA SUBMISSION.** It is the responsibility of the exhibitor to properly nominate his or her cattle NO LATER THAN July 31, 2023. At the time of nomination all Commercial/Crossbred heifers will be individually identified with an official, USDA-compliant "840" EID ear tag. Only cattle that have been nominated and properly identified will be eligible to show in the Commercial/Crossbred Heifer competition at the State Fair of Virginia. Exhibitors may nominate as many cattle as they choose. Each animal may be nominated in the name of ONE exhibitor only.

*****NOMINATION = OWNERSHIP. Once an animal has been nominated it may not be shown in the name of any other exhibitor between the date of nomination submission and the conclusion of the State Fair of Virginia Youth Livestock Shows. The ONLY EXCEPTION is that a Cloverbud/Pee Wee youth may use that animal in a SHOWMANSHIP CLASS at another event, if that event's rules allow such. However, any change in the owner/exhibitor name in any other circumstance will constitute a change in ownership and that animal will no longer be eligible to be shown at the State Fair of VA Youth Livestock Shows.**
