

Dear Educator,

Thank you for your interest and participation in the 2023 State Fair of Virginia Educational Exposition. We appreciate your efforts in coordinating this trip for your students and are excited for them to experience Virginia's largest outdoor classroom.

Please utilize our [online resources](#), including the **Ed Expo Field Trip Guide** and our [SFVA Bingo Boards](#) to enhance the learning experience for your students. Both educational resources are available only online. The guide may be printed on your office or home printer in color or black and white. You may also print the map by itself to give to chaperones. Specific SOL's are identified in this guide. To ensure a more meaningful trip, please review the Guide prior to your arrival.

Please familiarize yourself with the **Important Field Trip Information** which will clarify the details regarding entry into the Fair.
