RAIN or SHINE A JM PRODUCTION

racing

JM Motorsport Production's developed this form of action racing by using compact cars to enhance excitement for both drivers and spectators. Utilizing smaller, lightweight cars takes on all the excitement of a full-sized Figure "8" without likely danger to the drivers. Speeds average between 5 and 15 miles an hour and only 5 to 8 cars are allowed at a time. Unlike the traditional brute-force demo, in this event it is your ability to **out-think** and **out-maneuver** the other driver that makes you the **WINNER!** Because of its challenge, drivers all over are switching to **FIGURE 8 RACING.** With strict guidelines/rules and the help of the drivers, we have made this race fun and fair for all.

**JM MOTORSPORT PRODUCTIONS FIGURE 8 RULES WILL APPLY FOR THE FIGURE 8 AND COMPACT DEMOLITION DERBY.**

1. Car numbers and heats are determined by postmark date. Don't wait, mail your entry today.
2. Figure 8 Drivers will receive an acceptance letter which will state car # and heat #.
3. To guarantee your acceptance, all Figure 8 entries must be mailed to:

**JM MOTORSPORT PRODUCTIONS, INC.**  
**PO BOX 23**  
**LAKEVIEW, NY 14085**

4. Entries for the October 8th event (second show) will not be accepted until we have enough cars entered in the October 7th event (first show) unless you are entering both shows.
