

**State Fair of Virginia  
Youth Scholarship Program**

The State Fair of Virginia takes great pride in our Youth Scholarship Program, and we would like to invite you to support the program. The program promotes positive youth development by recognizing and rewarding leadership and scholarship attributes developed through meaningful competition. Over \$80,000 is offered annually at the State Fair through competitions in various categories like fine arts, livestock and horticulture.

The Scholarship Program is funded through two primary funding events: our Black Tie & Boots gala and our Sale of Champions.

Black Tie & Boots is an evening of fun and a chance to dress up with your boots with a band, food and auction while networking and getting a sneak peak at the fair before it opens.

The Sale of Champions follows our Youth Livestock Show as our market animal champions are "auctioned off." Individuals and businesses show their support for the future generation of agriculture and all the hard work that has been put into their animals.

Our scholarship program would not be a success without our friends and supporters. All donations are tax-deductible.

**For more information, please contact State Fair of Virginia Staff:**
