2020 Youth Livestock Sale of Champions

As chairman of the State Fair of Virginia Youth Development Board, I'm so proud of how much scholarship money we've been able to award our youth participants. Last year's sale raised \$89,840 to support the fair's long-standing commitment to youth. Earlier this year we distributed over \$23,140 in scholarships to 14 2019 exhibitors.

Since 2013 the State Fair has awarded more than 1,480 scholarships totaling more than \$557,350 to support youth education.

While we are unable to host a traditional Sale of Champions this year due to COVID-19 restrictions, we are pleased to offer a modified Youth Livestock Show, culminating with the Sale of Champions on Saturday, Oct. 3. I'm grateful for the continuing support of this event since it was reinstated in 2015. Each year's participation grows, and so does our support of these youth.

Sincerely,
William F. Osl, Jr.

When you support our youth livestock Sale of Champions, your contributions will:

- Encourage family activities
- Support good citizenship
- Validate hard work and achievement
- Advocate responsibility and development of life skills
- Encourage entrepreneurial spirit
- Enable limitless growth and potential
- Foster an understanding of food production
- Invest in growing agriculture's future
- Help deserving youth further their education

- 20% to an awarded scholarship program for youth livestock exhibitors exclusively
- 10% to cover expenses associated with the sale; remaining funds placed in operating account for the following year's sale

Prospective Buyers & Donors

Important—If you are interested in bidding on an animal, please note that you do not take possession of the animal. Sale proceeds are donations in support of the program.

In addition to supporters being able to bid on individual animals, a sale fund has been created. This fund will serve as:

- A mechanism to provide a base price
- An avenue for supporters to donate at multiple levels

We are unable to hold an organized auction this year, so the sale committee will allocate funds as requested by donors. All general donations will be distributed amongst all species.
