THANK YOU. TWIN FALLS COUNTY FAIR

Welcome to the 2026 Twin Falls County Fair Flower Show!

We are looking forward to seeing old friends, the new friends we made last year and the new friends we hope to make this year.

With our mild winter I am sure everyone started early looking forward to the new growing season. With the early start, everyone will have been working hard in our gardens sooner than usual. I'm hoping the weather allowed you to successfully plant, fertilize, and prune early, and that you have a beautiful and abundant garden.

This year we have increased Lots in some Classes. Please begin with the Rules & Regulations before going directly to your favorite Classes. Pay close attention to the *new wording* in your favorite Classes and Lots you are entering for the first time.

Three important observations based on last year. I emphasize these to make your experience a better one:

1. Cut flowers especially absorb a great deal of water… notably sunflowers & zinnias. Please top off your vases & containers with your watering can or the ones we provide at entry.
2. Stems should reach the bottom of your container, vase, etc. This allows your flower(s) to remain hydrated longer and help prevent the container from falling over during the fair. Sunflowers are especially heavy & need extra support from a sturdy, size appropriate container.
3. REMINDER: Two (2) entries per Lot are allowed for ALL Classes & Lots.
   Example: If you grew & entered a rose in every Lot in Class 23, you could have as many as 60 entries just in Roses!
   Personally, I often have a difficult time deciding which of two cuttings or which of two arrangements, in a Lot, I want to bring. Now you don't have to!

I offer my best wishes for success with your welcomed entries.
