**“There are some things that are worthy of being passed on to the next generation.”**

*With this objective in mind, the Twin Falls County Fair Foundation is dedicated to preserving our agricultural heritage. It is our goal to maintain and improve our Fairgrounds. But we need your help.*

**Here’s why...**

## Our Cultural Heritage

Many local farmers, ranchers, business leaders and community leaders have participated in the fair in some way during their lifetime

Most of the facilities on the Fairgrounds were built in the 1930's and 1940's and are in need of repairs and upgrades.

It is the role of the membership to raise the revenue necessary to fill this need.

Many invaluable lessons about life, teamwork, management and discipline have been achieved through participation in an activity at the Twin Falls County Fair. The young people now participating in these activities need our continued support

## Community Pride

The Twin Falls County Fair and Rodeo is one of the best in the State of Idaho. By contributing to the Foundation, you will help keep our fair at the top. Your participation in this worthwhile effort will enable future generations to enjoy a valuable family activity.

Together, we can continue to take pride in our fair and pass this pride on to the next generation.
