### Helpful Tips & Pointers

- ◆ **All entries will be submitted online.**
- ◆ Start Early!!! Don't wait until the deadlines are almost here to get your entries submitted. You can submit them in as soon as you want to.
- ◆ Keep your entries concise and focused on the specific category criteria. Collect files and needed materials throughout the year so you have easy access to materials needed to prepare entries.
- ◆ Be sure to read and follow all the criteria and requirements in each entry. The criteria and requirements are always being updated.
- ◆ Page size must be no greater than 8.5 inches X 11 inches. Fonts should not be smaller than 11 point
- ◆ When saving your entry to a thumb drive be sure to save your entry as one document—instead of multiple documents.
- ◆ Always save and keep a copy of your entries for your files.
- ◆ Remember the eligibility period for the awards. Entries must have been produced and/or used for the first time between the specific dates listed on the entry form.
- ◆ If you are required to write something for your entry, make sure it is well written, typed and easy to read.
- ◆ The more organized your entries are, the easier it is to understand your message.
- ◆ With all entries, guide the judges to what you want them to see. Highlight the important parts.
- ◆ Don't overwhelm the judges with TOO much information. Summarize the statistics and only display your best footage/news clippings. Quantity is not always quality.
- ◆ On categories that have a lot of requirements, be sure to have someone that is not closely tied to your event read through your entry to see if everything makes sense. Sometimes you may be too close to your event and you may leave out information, since it may be too obvious to you. But it may be a vital piece of information. If your entry makes sense to an outsider about your event, it should make sense to the judges.
- ◆ Many of the judges may not know anything about your event, so make sure your explanations are clear enough so they feel like they have just attended/participated in your program.
- ◆ Proofing is your best chance of good marks. Proof, Proof, Proof!!! Judges will mark you down for typos!
