GENERAL RULES AND INFORMATION:

All 17 and below aged contestants will be placed into the youth category. All participants 18 and above will be placed into the adult category. Each night of the contest there will be one overall winner for the grand prize trophy.

Solo acts only. No duets or accompaniments. Only registered participants will be allowed on stage. Props are prohibited.

A participant that is considered a Professional will not be eligible for this contest. A Professional is defined as anyone who is a musical performing union member, who has a professional manager, or whose principal and/or self-supporting income is derived from performing.

Each participant will perform 1 song, however; participants should have a 2nd song available in the event of a tie.

Registered contestants are required to check-in 15 minutes prior to the start time of the contest. Failure to do so could jeopardize your placement in the competition. Walk-In and Walk-Up participants will be placed at the bottom of the performance order list. Order of appearance will be determined by a blind draw.

Participant registration will be confirmed by email to the address provided by applicant. If confirmation is not received within 2 days of submission, please contact The Tennessee Valley Fair at: contests@tnvalleyfair.org

SCORING RULES:

Stage Presence
Entertainment Value

Contestants will be rated on a point system for each category. Judges will score each contestant, in each category with a score from 1-10 with 10 being the most and 1 the least. Once all contestants have performed, scores from each judge will be tallied and an overall score from each judge will be recorded.

Ties: In the event of a tie for 1st or 2nd place, the contestants will perform an additional song, and those scores will be used to determine the winner. If a tie still remains, the judges will vote to break the tie by majority rule.
