

2023 SALES FORM

This form is required of **ALL APPLICANTS**—both new and returning and for all types. You may submit your website or Etsy page in lieu of this form. Facebook pages will not be accepted for this purpose. **A picture of your booth setup MUST be included with your application.** Pictures of items may be requested by the festival manager, and must be submitted within one week of the date of the request. If you need to more lines, please attach a second document.

Submission of an item does not guarantee it will be approved. Item approval is at the sole discretion of the festival manager. You will be notified if any items are not approved, and you may submit alternatives at that time.

Prepared-On-Site Food Vendors: You may submit your menu in lieu of this form provided that prices are included for each item. If using this form, you must itemize your products and include prices. For example, if you sell both cheese fries and regular fries, do not simply put “fries” even if they are the same price.

Pay-for-Play Activity Providers: You must itemize your offerings by activity and price. **BE SPECIFIC!** For example, list “one bounce \$5, five bounces \$10” **NOT** “bounces range from \$5-\$10.” This information will be listed on the website for attendees who will be angry if the price is different, confusing or not as perceived when they get to the festival.

All Other Applicants: You must include prices. You do not need to itemize your products by size, color, flavor, etc. For example, you should list “cookies” not “chocolate chip, sugar, peanut butter” or “hats” not “red, blue, & green hats.”
