Goat Branding

Goat Branding

- This is a live animal event for Sub Jr.
- Goat will be staked (someone will be holding the goat)
- Contestant crosses the start line on animal and heads to the bucket of chalk, dismounts, gets the brand out of the bucket then goes to the goat and brands (touches) the goat, then heads back to the bucket and places the brand back in, time then stops. Brand must be back in the bucket to get a time
- Time will start when contestant crosses the line and will stop when the brand gets put back into the bucket
- 1 judge will flag the start time and 1 judge will flag the stop time. There will be two time keepers

Disqualifications/No Time

- If contestant doesn't brand the goat
- Brand doesn't make it back into the bucket
- If contestant runs over the goat and or the rope
- If contestant knocks over brand bucket

Re-Runs will be at the discretion of the judge

All general rules must be followed
