Family members and fellow participants may help with these tasks.

10. Showmanship

- a) Any exhibitor who shows unassisted may compete in this class.
- b) Animal must be owned and entered by participant to show in this class.

11. Safety

a) The purpose for the Youth steer classes is to offer the opportunity to young cattlemen & women to participate in cow shows despite their lack of age required to show in a Youth Show. In many cases, these young people have spent HOURS at the barn with their parents and siblings working "show calves". To go to a show and not be allowed to participate can be boring and tiresome for those with less than developed attention spans. Although the rules and regulations have been set, Safety is the most important factor in this event. We want these young agriculturalists to enjoy their showing days, from the beginning on up, so please, make sure the children and animals are prepared to participate. Animals can be unpredictable, but the more time the exhibitor spends with the animal prior to the show, the better you can expect it to cooperate when the surroundings change.

12. Animal Health

a) Animals entered must be within the guidelines of the Livestock Health Requirements. Certificate of Veterinary Inspection current, within 30 (thirty) days is required and must be presented upon arrival, at Gate 6/H, to be allowed onto the grounds. Brand inspections are required from areas within Brand Inspection Areas. Please check carefully the guidelines for each show, as they are similar but somewhat different.

Said authority shall extend to and cover the enforcement of all show rules as adopted by IBBA.

2. COMPLIANCE: Each exhibitor shall submit his or her registered Brangus cattle to such tests and examinations as requested and/or required by the IBBA, its authorized representatives, or those of the relevant show.

3. CONSIDERATION: For, and in consideration of, the opportunity to participate in any Brangus function, each exhibitor hereby releases the IBBA, its officers, directors and representatives from negligence, any and all claims, suits, and judgments past, present, or future, arising from or connected with the administration or use of such test or examination and the resulting decisions there from.

4. DENTAL INSPECTION: All entries may be classified for judging on an age basis and should be entered in class according to age. Teeth may be inspected by a veterinarian designated by IBBA in order to determine whether dental development is within allowable limits for the class entered. that class until determined otherwise by subsequent mouthing or favorable appeal to the IBBA Executive Committee. If it is not possible to move an animal, the animal may not be exhibited in such show.

5. DISPUTES: Any exhibitor desiring to dispute or challenge the results of any such test, exam or show rule enforcement as applied to his or her animal shall do so in accordance with procedures established by the Rules of the IBBA.
