AS 2021 WRAPS UP TIMES ARE BUSY AT THE EXPO CENTER INCLUDING PREPARATIONS FOR STOCK HORSE OF TEXAS WORLD SHOW AND ZZ TOP CONCERT

It has been only one month since the last fair goer walked out the gates at the Expo Center of Taylor County, and since then life hasn't slowed down for the staff. The events calendar remains full and has kept the limited staff of the Expo Center busy since the end of the wildly successful 2021 West Texas Fair & Rodeo.

As 2021 comes to a close, equine exhibition events, livestock shows, and private rentals will fill the First Financial Pavilion, Guitar Arena, Taylor Telecom Arena, as well as the Capital Farm Credit Display Building and our other event venues. Stock Horse of Texas World Show and Derby will bring approximately 1,500 visitors to the greater Abilene area for the four-day competition to take place October 28 -31 in Taylor Telecom Arena, Guitar Arena, and First Financial Pavilion. Following this large equine event First Financial Pavilion is booked throughout November for multiple livestock shows including the national level American Boer Goat Association's Big Country Boer Goat Show that will include a full weekend of competition including youth and open shows.

The Coliseum will have an exciting December with comedian Bert Kreischer and ZZ Top headlining and other notable events including the Silver Spur Gun & Knife Show and the ACU Graduation. Tickets are still available for the classic rock band ZZ Top's performance December 7 and live comedy event featuring Bert Kreischer on December 9. Patrons can purchase their tickets at taylorcountypocenter.com.

You never know what you will find out at the Expo Center of Taylor County. Follow along at our social media pages on Facebook and Instagram to find information on upcoming events and happenings at the facility.
