- The Danish System of Judging will be used at the Fair, giving an exhibitor three (3) possible group placings; Purple, Blue and Red. Heifers awarded purple and blue ribbons in show competition will qualify for the Beef Replacement Heifer Sale. Heifers that receive a red ribbon do not qualify for the sale and will not be allowed to sell.
- Registered or grade beef replacement heifers are eligible projects. Grade heifers must be without horns. The sire and dam of the heifer must be of a beef breed. If an exhibitor declares that the heifer is registered, the registration papers must be signed off and submitted to the Livestock Office before the heifer will be allowed to sell.
- The age limit for a heifer is a minimum of 16 months and a maximum of 26 months on the opening day of the fair. Heifers must weigh a minimum of 900 pounds at the weigh-in during the Fair and be bred to calve between August 1 thru December 31. All heifers must be a minimum of 60 days bred at weigh-ins. Heifers may be bred naturally, or by artificial insemination. They should be bred to bulls with low birth weights in order to reduce difficulty in calving. It is important that members have dates written down as to when the heifer was exposed to that bull and any data that could be beneficial to the potential buyer.
- State law requires that beef heifers over twelve (12) months of age show evidence of the calfhood brucellosis vaccination if they are sold within the state of California for breeding purposes. Therefore, it is mandatory that the brucellosis ear tag number (orange metal clip number) and tattoo number be entered on the entry form. All heifers will be checked by the veterinarian upon arrival on the Fairgrounds and those heifers having no tattoo shall be disqualified from show competition.
