PRESIDENT'S MESSAGE

What a difference 100 years have made in the building of a strong foundation for the Texas Association of Fairs and Events. Our theme for 2026 is "Aiming for the Stars". Our goal—continue to build a stronger foundation by creating the opportunity for the involvement of young professionals as they learn to lead, grow, and carry on a lasting legacy for our fairs, festivals and events.

I am committed to the future of our association, the legacy members that have contributed to building this association, and the young professionals that will continue to carry the torch that will guide TAFE. Our Legacy Leaders are our past and present, while our Young Professionals are our present and future. Together, they are what make TAFE a dynamic association.

I have been blessed with the opportunity to be a part of the State Fair of Texas for over 37 years. My fair has supported me in all my fair industry endeavors. My desire is to share the success of my work in the industry with the TAFE Family. A family that learns together, grows together!

I look forward to bringing my vision for this year's convention to fruition. Our 2027 Convention will take place in the beautiful city of McAllen, Texas. I am excited for the many things I wish to share with you--something old, something new, something borrowed, and something true.

We are all visionaries with a committed goal of bringing joy and excitement to our communities. I am "Aiming for the Stars", and YOU, are the stars in your communities, your events, and this association.

Remember, "You are a Star, Keep Shining" and that "those who show up, go up"! I can't wait to see you in McAllen, Texas!
