## SPECIAL RULES

**READ GENERAL RULES.** All entries and awards within this show will be subject to the General Rules and Regulations published on the Camelid page including these Special Rules.

**THANK YOU FOR REVIEWING ALL THE RULES BEFORE REGISTRATION. THERE HAVE BEEN SOME CHANGES.**

## GENERAL RULES

**SANCTION.** This Llama Show is sanctioned by ILR and all rules and guidelines for this show will be in accordance with the ILR Show Division. For complete information and ILR Show Guidelines please see [www.lamaregistry.com](http://www.lamaregistry.com), ILR Show Division: then Guidelines. All llamas must be identified by microchip. "LL" ILR registered llamas only can be shown in Halter and Fleece Classes. It is not necessary to be a member of the ILR Show Division to participate in this show. However, membership is necessary to receive points for your placings.

**ANIMAL REGISTRATION REQUIREMENTS.** All llamas must be registered or have passed screening with the International Lama Registry [ILR]. Non-ILR registered or llamas without an ILR listing number may show in the Performance, Showmanship or Youth divisions or other optional classes only after obtaining an ILR Tracking Number. There will be an annual fee to ILR of \$10 for this Tracking Number.

**IDENTIFICATION.** All camelids must be identified by microchip. The microchip number must match the health papers presented to inspectors for admission to the facility. Tattoo or photo ID is not acceptable! Camelids not complying will not be allowed off the trailer. **The exhibitor is responsible for providing or having available the appropriate readers.**

**AGE RESTRICTION.** All camelids must be at least 5 months old. Nursing crias may not accompany dams into show ring.

**GROUP ENTRIES.** An entry fee is not required for group classes (e.g. Get of Sire) but each animal in these group classes must be entered and shown in an individual halter class.

**SUBSTITUTIONS.** Substitutions will be allowed only until September 15 to allow for an accurate show book. This applies to camelids in classes where the entry is made in the name of the animal (halter and performance classes) and to handlers where the entry is made in the name of the handler (youth and showmanship).

## ENTRIES

**ENTRY PROCESS.** Entries will be received through the Showworks online program or paper entry. All entry questions can be answered at [aginfo@thebige.com](mailto:aginfo@thebige.com). Payment can be made online or sent to Agriculture & Education Department, Eastern States Exposition, 1305 Memorial Avenue, West Springfield MA 01089. Entry deadline is August 15, with late entries until August 31. Entry process is not complete until payment is received.

## ANIMAL CARE

**ANIMAL CARE.** Feed, bedding and care of the animals is the sole responsibility of the owner or exhibitor. Pens must have some form of cover over the concrete. No paper products will be allowed for bedding purposes. Eastern States Exposition provides one (1) bale of straw for each pen entered, to be used under mats or rubber flooring, by itself or over shavings.

**PEN PANELS.** Pen panels are provided by Eastern States Exposition. Your cooperation is appreciated in moving the panels to the outside wall when leaving to facilitate barn cleaning (if requested).

**ANIMAL PENS AND TACK/DISPLAY/NON-ANIMAL STALLS.** Animal pens cost \$15 each and other stalls used for tack/display/sleeping/storage will be charged \$25 each. This year there will be the need to have separation of one stall between pods and that separate can be a tack/display/storage/sleeping stall. When signing up for stalls, please make sure you designate animal stalls and non-animal stall needs accurately. If a pen is subsequently used as a tack/display/non-animal stall, the extra cost will be assessed for additional payment. Please identify any exhibitor with whom you are sharing tack/animal pens so everyone is paying correctly and so Show Management can arrange stalling efficiently.

## CLASS DESCRIPTIONS AND GUIDELINES

**FLEECE SHOW.** The Big E Fleece Show is open to all and is an ILR sanctioned show. Entry fee is \$20 per fleece. Llama fleeces must be received by September 30<sup>th</sup> either personally delivered or shipped. They will be released back to you on October 3. Each exhibitor will receive written evaluation of fleece. Please see [www.lamaregistry.com](http://www.lamaregistry.com) for guidelines and scorecard for fleeces. All fleece entries must include a photo of the animal and copy of registration certificate. Please write animal's name on the back of the photo and include phone number on the bag containing the fleece. Shipped fleeces should be sent to: Agriculture Department, Eastern States Exposition, 1305 Memorial Avenue, W. Springfield MA 01089 including a prepaid shipping label for return. Shipped items will be sent by the end of the week following the Exposition. Winning fleeces will be displayed in secure boxes and may be offered for sale if you wish to note that on your fleece. A handling fee of 10% for selling fleeces will be charged. The income from this will support the llama youth program at Eastern States Exposition.

This fleece show is separate from the Creative Arts classes (please see [www.thebige.com](http://www.thebige.com)). You are encouraged to enter the Creative Arts classes with your articles, which will be displayed for the duration of the Fair to show fairgoers the varied fibers produced by our animals.

**HALTER CLASSES.** All animals can only be shown in one halter division (male, female or non-breeder). All animals should be presented for judging with a halter and lead rope and no additional decorations. No business advertising, ranch names or animal names should be displayed on the exhibitor during the class. Llamas may not be moved from one class to another after halter judging has begun, except at the judge's discretion.

**FLEECE DIVISIONS FOR HALTER.** There are divisions for halter: Suri, Classic / Light, Medium and Heavy. Shorn llamas MUST be shown in the fleece division in which they would have been shown before shearing. The ILR website has the complete description and photos in the complete Show Division Guidelines. Please see [www.lamaregistry.com](http://www.lamaregistry.com): ILR Show Division: ILR-SD, then Guidelines for descriptions and photos of the various fleece divisions.

**NON-BREEDER HALTER CLASSES.** These classes are for gelded or vasectomized males, and spayed or non-reproductive females that are suitable for other purposes besides breeding. These llamas must be registered. The registration or veterinary certificate must verify the non-reproductive condition.

We will have 2 divisions for non-breeders, "working" and "fleece". All non-breeding animals can only show in one non-breeder class.

"Working Non-breeders" shall be llamas that meet the requirements of the published fleece criteria for Classic or Light fleece on animals plus they shall have a phenotype suitable for athletic activities.

*Animals not in appropriate class will be moved to the other class.*

"Fleece Non-breeders" shall be llamas that meet the requirements of the published fleece criteria for Suri, Silky, Medium or Heavy fleece.

**SHOWMANSHIP.** These classes will demonstrate the exhibitor's ability to prepare and present the llama to the judge in a halter class. Adult Advanced Showmanship is open to exhibitors who have shown for 4 or more years. Novice Showmanship is for adults with

1-3 years of llama showing experience.

**LLAMAS OF DISTINCTION.** These classes are for llamas who are 13 years of age as of show day. All fiber types are combined. The llama may show in the regular age division as well.

**GET-OF-SIRE.** The entry is made in the name of the sire but is not shown in this class. Each entry must include **three** offspring of either sex by the same sire out of **two different** dams. All Get must be shown in their appropriate halter class age division. The Get must be decided at check-in or at the latest before halter classes begin. There is no additional fee for this class as the offspring have already been entered in their individual classes. If the exhibitor is not the sire's owner, the exhibitor must have written permission from the sire's owner and the entry is made in the owner's name.

**PRODUCE OF DAM.** Entry is made in the name of the dam but is not shown in this class. Each entry must include **two** offspring of either sex, out of the same dam and may be the **same or different** sires. All Produce must be shown in their appropriate halter class age division. The Produce must be decided at check-in or at the latest before halter classes begin. There is no additional fee for this class as the offspring have already been entered in their individual classes. If the exhibitor is not the dam's owner, the exhibitor must have written permission from the dam's owner and the entry is made in the owner's name.

**BEST BRED AND OWNED.** Eligible entries will not be determined by halter placings but should be entered on the entry form. This class is for breeding-quality llamas whose dam was owned by the exhibitor when the dam was bred and the llama was born and is still owned by the exhibitor. Each farm may enter a maximum of one (1) llama per class (male and female).

**CHAMPIONS.** Champion will be selected from the first place animals in each age division. Reserve Champion will be selected from the remaining first place animals, and the second place animal from the Grand Champion's age division. All animals will be placed and receive points according to ILR guidelines.

**OVERALL CHAMPIONS (BEST IN SHOW).** Grand Champion in each age and sex division will compete for the title of Best-In-Show Male, Female and Non-Breeder. These three llamas will then compete for Overall Show Champion.

**PERFORMANCE CLASSES.** A Novice Animal is defined as an animal who has not earned 4 or more Grand or Reserve Championships in any Performance division (Novice, Open, or Youth) in any Show Association or Open Show with a minimum of 5 in the division. If a Novice animal has moved to the Advanced division in any other Show Association, they must show in the Advanced division in the ILR-SD. Once an animal is entered in Advanced it cannot move back to Novice.

A llama may NOT show in Youth and other divisions (Novice or Advanced Performance).

If the size of the performance classes is determined to be too large to handle in the time-frame allotted, preliminaries may be implemented.

**PR/COMPANION CLASSES.** This class is for the llama that participates in community activities, goes to schools, hospitals, service clubs and parades. The course will include obstacles of a type that may be encountered during interactions with public. There will be a "walk through" of the course before the class.

**FREESTYLE-OBSTACLE CLASSES.** The purpose of the obstacle class is to demonstrate the well-trained llama's obedience and willingness to go where its handler asks it to go. The course will include several obstacles. There will be a "walk through" of the course before the class.

**TRAIL/PACK CLASSES.** All tasks/obstacles will simulate what handler and llama might

encounter or need to negotiate while hiking and/or packing on trails. The llama's maneuverability and manageability are being measured, not endurance, thus there are no weight requirements. Panniers must be filled out. All packs must have two cinches. There will be a "walk through" of the course before the class.

**OBSTACLE DRIVING – GROUND.** This is for the llama that is in the beginning of cart training. A single llama, equipped with a halter, driving reins and surcingle or harness demonstrates its willingness to respond to commands from the handler.

**ESE JACKPOT OBSTACLE COMPETITION.** Entry fee: \$25 for Novice Jackpot; \$50 for Master Jackpot. Awards will be paid out according to number of entries. The primary goals of the Jackpot Obstacle Competition are to promote llamas in a positive manner to the general public, help create a viable venue for well-trained animals to earn income, thereby increasing their overall value, and to offer opportunities for llama owners to get together for an enjoyable activity. This course will strive to simulate natural, challenging conditions and obstacles that may be found on trails. The handler and llama should work as a team throughout the course.

**YOUTH DIVISIONS.** All ages are as of January 1, 2021. All points go to the youth and not the llama. Animal must be named on entry form. Divisions are as follows: Junior—7-11 years; Intermediate—12-14 years; and, Senior—15-19 years. Exception: 7-year-old Juniors must have turned 7 AS OF THE FIRST DATE OF THE SHOW. 7-year-old youth may choose to show as Sub-Juniors or as Juniors.

- Youth participants may show no more than two (2) animals in the Youth division and only one animal in any one class.
- A llama may NOT show in Youth and other Performance divisions (Novice or Advanced Performance).
- Youth may share an animal in Youth classes, however, the number of youth sharing one animal in Youth classes will be limited to two (2) in order to prevent undue stress to the animal.
- Animals shown by youth can show in their respective halter division and novice or advanced showmanship.

**SUB-JUNIOR YOUTH.** Showmanship, PR and Obstacle classes will be offered for our youngest exhibitors, ages 3-7. These classes will not be placed and each contestant will receive a ribbon but no premiums are attached to these classes. For safety, an adult will be present with the child in the ring and offer whatever assistance is appropriate to the child.

**YOUTH JUDGING PROGRAM.** Junior, Intermediate and Senior Youth will judge one halter class, one performance class and one showmanship class. These classes are designed to give the youth experience in evaluating llama conformation, showmanship and obstacle performance. The Reasons Presentations encourage the Senior Youth to organize their thoughts and practice speaking skills while critiquing a halter class. Intermediates will complete a written examination on the ILR-SD Guidelines. Juniors will individually complete a verbal practical test with the judge. Please make entry on an official entry form. There is no additional entry fee for this program and a youth does not need a llama at the show to participate. Youth Judging will take place during the show on Friday. Senior Youth may be asked to use the microphone for their oral reasons.

**YOUTH SHOWCASE.** Entries will include a poster with drawings or photographs and an educational message. For 2021, please develop your message for "llama 911", emergency care for llama injuries. The posters will be displayed for the public to enjoy. There is no entry fee. Please be sure youth is named on the entry form, and mail or hand deliver all posters to Eastern States Exposition by September 30<sup>th</sup>. The youth's name may be on the front or back of the poster, but please be sure it is included. This class is intended to promote the breed and is not judged. Each entrant will be recognized with a memento of their participation. Posters will remain on display during the llama show.

**COSTUME.** Llamas are judged on willingness to accept costume and must be able to move in it freely. The judge will also be looking for originality, training, time and energy involved.

Costume must not have been used at a previous Big E Llama Show.

**LLAMA LEAD LINE.** This class promotes the practicality, versatility and elegance of llama fiber to the public. Items shown previously at Eastern States Exposition are not eligible to be judged again.

- Youth (18 years and under)
- Adult (19 and older)

**THE OUTFIT:** Each contestant must be fashionably dressed in a garment that is made of at least 50% llama fiber (blends with other natural fiber may be used). The garment must be made by the exhibitor, with assistance given to youth as needed.

**THE LLAMA:** The llama will be in halter, well-groomed and trained. It must be owned/leased by the exhibitor, and the majority of preparation for the show ring (grooming and training) should have been done by the exhibitor. The llama and exhibitor should complement each other.

**EXHIBITOR:** The exhibitors should display the outfit and show their llama in a positive, poised manner.

**SCORING:**

Exhibitor: Poise and appearance.....	30 pts.
Shawl/Vest/Garment: Fit and construction.....	40 pts.
Llama: Appearance, groom, management ...	30 pts.
Narrative on entry form is legible <b>(BONUS)</b> .....	5 pts.

Class 85	Jackpot Obstacle Master

### RIBBONS AND AWARDS

**RIBBONS.** Ribbons will be presented to the first through sixth placing in applicable classes.

**PREMIER BREEDER. EASTERN STATES EXPOSITION** presents this award to the breeder who accumulates the highest points based on the animals shown which were bred by him/her. Halter classes only. Does not include group classes or Llama of Distinction.

**PREMIER EXHIBITOR. EASTERN STATES EXPOSITION** presents this award to the exhibitor who accumulates the highest points based on the top six animals shown by him/her. Halter classes only. Does not include group classes or Llama of Distinction.

For applicable classes, points are awarded as follows:

1st	2nd	3rd	4th	5th	6th
20	18	16	14	12	10

**PERFORMANCE CHAMPION AND RESERVE.** This award is for animals who have shown in the following three classes: Advanced Obstacle; Advanced Trail/Pack Llama and Advanced PR/Companion Llama. The llama meeting all of the requirements and having the most points wins Performance Champion. The Reserve Performance Champion is the animal with next highest amount of points. All ties will be broken by noting the animal placing highest in the Advanced Obstacle class.

**YOUTH CHAMPION AND RESERVE YOUTH CHAMPION – CHAMPION AND RESERVE WILL BE DETERMINED BY THE BEST COMBINED SCORE FROM 3 CLASSES IN EACH YOUTH DIVISION.** Obstacle and PR/Companion will be required classes. The 3rd class may be Trail/Pack or Showmanship. If a youth completes all 4 classes, the higher score will count. Scores will be tabulated using the ILR point chart in the ILR-SD Guidelines. The youth with the greatest number of points in each division becomes the Senior, Intermediate or Junior Youth Champion.

*There may be other awards as donations are received.*
