The fundamental 4-H ideal of practical, "learn by doing" experiences encourages youth to experiment, innovate and think independently. 4-H is in every community across America. 4-H is operated and supported by a shared leadership of public and private partners including National 4-H Headquarters, USDA within the Cooperative State Research, Education and Extension Service.

Eastern States Exposition, Home of The Big E, runs from September 17 - October 3, 2021 and produces the largest fair in the northeast. The Big E hosts over 3000 4-H participants from the six New England States in a range of activities. Eastern States Exposition strives to make a positive difference in the lives of youth by developing their potential for leadership, growth and citizenship, providing an educational experience for urban and rural persons, especially youth, through programs and exhibitions designed to include local and regional participation, demonstration and competition.
