MEDICAL WASTE:

Sharps must be placed in the proper receptacles. Anyone found in violation shall be subject to fine or other penalties deemed necessary by show management.

If tack and stall curtains are permanently flameproofed, bring an affidavit stating the same.
- d. The center aisle of C and E Barns must remain clear. Tack stall decorations must not extend more than 18" into the aisle. All aisles must have a walkway free of floor obstructions.
- e. Bedding material may not be allowed on the floor of any aisle for display purposes. This includes wood shavings, wood sawdust and peat moss. Large wood chips or coarse bark mulch may be used and must be kept damp at all times. The use of burlap for display purposes is strictly prohibited.
- f. Coverings over the aisles which would in any way limit the effectiveness of the sprinkler system will not be allowed.

MOTORIZED VEHICLES:

Scooters, golf carts or other motorized vehicles will not be allowed to operate on the fairgrounds from 8:00 a.m. through closing of the Fair at 10:00 p.m. Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind including, but not limited to, golf carts, motorcycles, scooters or farm utility vehicles on the competition grounds. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

DOGS:

Due to the **No Pet Policy** on the fairgrounds, dogs of horse show exhibitors **are restricted to the stabling area of the Horse Show complex. Dogs are not allowed in the Coliseum, entertainment staging areas or out along the parade route.** Dogs must be restrained by a leash and will not be permitted to be tied to a barn aisle. Exhibitors will be expected to clean up after their dogs, especially in the areas adjacent to campers and food service facilities. This rule will be strictly enforced with a fine of \$200 imposed to anyone in violation. Dogs are subject to Massachusetts Animal Health Regulations.

- c. Evidence of infectious, contagious or parasitic disease or failure to produce the necessary documents for health certification, vaccination or testing will result in the animal's rejection for entry. **THE INSPECTOR'S DECISION IS FINAL.**
- d. All equines must be free of visual evidence of the following diseases and conditions: mange, ringworm, soring, strangles, and open or draining wounds.
- e. While not required, it is strongly recommended that all equines be vaccinated for rabies, tetanus, EEE and WNV within one year of the fair.
- f. All health papers will be examined and must be in order.
- g. All horses with a cough or diarrhea will be examined by a show veterinarian in order to remain on the show grounds.
- h. A quarantine area will be set up for all horses that should be in it.
- i. The show veterinarian will document all horses examined and the reason that they were examined and without specific names publish it on an ESE website.
- j. The show veterinarian will document all potentially sick horses and provide that information to Massachusetts Department of Animal Health.
- k. It is recommended that all horses exhibited at ESE should be vaccinated within the past six months for respiratory infection.

Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only, and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
