NEW FOR 2022!

\$1,500 ESE HANDY HUNTER CHALLENGE

Judging will place emphasis on a horse or pony that is maneuverable, obedient, and looks like they would be a pleasant ride in the show ring or hunt field. Most of all, while they may carry pace and show brilliance, they should look like they are a suitable mount for the non-professional rider. Different elements that may be part of a handy course include, but are not limited to, fences ridden at a hand gallop, a roll back and a trot fence. The class will be held as a one round Handy Hunter class, with a minimum of ten (10) fences set at 3' in height with spreads not to exceed the fence height. Will be run in accordance with HU123.6 and include at least one (1) in and out, a bending line and a trot fence. The use of natural obstacles is encouraged, but not mandatory.

FLIGIBILITY

- 1. Open to junior and amateur riders (certification required).
- 2. Horses must be registered with USHJA in order to participate. RESTRICTIONS
- 1. Riders may compete more than one horse or pony per Handy Hunter Challenge as long as more than one (1) rider is entered in the Challenge class.

- The Handy Hunter Challenges shall be judged and numerically scored on quality, movement, jumping style, handiness, manners and way of going. Pace and brilliance are to be rewarded, but judges should remember these horses should also exhibit suitability for the level of their rider.
- 3. Each horse-and-rider combination will receive a numerical base score. In addition, a Handy Bonus Score consisting of zero (0) to ten (10) points for the handiness of the round. The two scores and the total score must be announced separately.
