Integrity of the Competition and of the Results

The integrity, validity and reliability of this competition are paramount for the Eastern States Exposition.

- The competition follows generally accepted judging criteria that produce world-class standards of excellence.
- Great care has been taken to select qualified judges who have proven the high caliber of their palates in personal and professional pursuits.
- All judges will be trained on medaling standards generally accepted by most major wine competitions.
- Conflicts of interest have been scrupulously avoided in every aspect of this competition.

All aspects of this wine judging have been, and will be, conducted to ensure that the results have the highest degree of integrity and are fully worthy of the Eastern States Exposition.

Eligibility Requirements

- Any wine currently produced in New England and New York is eligible for entry. Type of products include but not limited to: vinifera, hybrid and native grape wines, fortified wines, sparkling wine, port, sherry, low-alcohol wine, de-alcoholized wine, fruit wines, or vermouth.
- An official entry shall consist of two (750ml) bottles of wine or the equivalent in other formats.
- All entrants must be commercially licensed. Pending commercial licenses are accepted.

Judging

Any placement in or removal from a class will be at the discretion of show management.

The judges will use the 20 point UCLA-Davis Scoring System and are instructed to grant no points when, in their opinion, wine is unworthy. If the judges are faced with an obviously flawed bottle of wine, the second bottle of the same entry will be opened and tasted. The judges may move wines into another class or disqualify a wine, if it has been entered in the wrong class, or the class is unworkable because of class size.

- Wines are categorized by
 - Red - Vinefera/Hybrid,
 - White – Vinefera/Hybrid,
 - Sparkling,
 - Non-Grape Wines divisions.

Sub-categories are determined based on classifications.

- This is a double blind judging.
- Each wine will be studied thoroughly and separately and are considered on an individual basis on the day of the judging.
- A minimum of three qualified judges will evaluate each wine.

 - c. In the event of misleading advertising by an award-winning entrant relative to a particular award or awards, The Big E, at its discretion, reserves the right to disqualify both the offending wine and the responsible winery from this and future competitions.
