Objectives for the New England 4-H Livestock Shows

The 4-H Program at the Eastern States Exposition is a cooperative effort with the Exposition and the cooperative Extension Services of the New England States working together toward common objectives. These are:

1. To motivate and recognize the achievements of 4-H members and their volunteer leaders.
2. To give the general public attending the Exposition a better understanding of 4-H work -- its organization, program, and accomplishments.
3. To provide educational experiences for 4-H members not now available in the individual states.
4. To make 4-H visible to the public fairgoer everywhere feasible on the grounds of the Exposition.
5. To expand the image of 4-H as a total youth development program.
6. To insure quality educational activities both for the 4-H participant and the fair-going public.
7. To identify 4-H as a part of the Cooperative Extension Service.
8. To involve youth as equal partners in full decision making roles at all levels.

BEEF JUDGING CONTEST

The Beef Judging Contest affords members an opportunity for experience in appraising type conformation of beef cattle. Judging will be by teams and individuals. Teams will be composed of 3 or 4 members with the three high individuals counting in the total team score. The Extension Representative must make individual and team entries. Entries will close when the contest begins.

A state that does not have at least three members may cooperate with another state in order to form a Beef Judging Team. The Extension Representative must notify the Management Committee at the Orientation Meeting on the day the 4-H Show begins; each state may have one Beef Judging Team for every five members or fraction thereof. A state with less than 3 members may combine with another state.

There are three parts to this contest: Oral reasons, written reasons, and descriptive question section. An example of a descriptive question is "which steer has an incorrect set of rear legs?" These questions will not be asked on the class of animals used for oral reasons.

4-H BEEF RECORDS

Each member must complete his/her 4-H Beef record on the form provided. The record with appropriate signatures must be turned in at the scale at weigh-in. The Club Leader and the County Club Agent shall check each record and sign it. A committee comprised of three members of the 4-H Beef Management Committee will grade the records. Each exhibitor will give individual reasons to a member of the beef committee on his/her feed record. This scoring will be used toward the evaluation of placing in the records contest. The new beef records are made up, and have a comment area to write comments, so that when 4-H'ers return home they can see where they need improvement. When the data has been compiled, printed copies will be sent to each member at the time his/her own record is returned.
