## FOGHAT TO PERFORM AT THE BIG E Sept. 20, 2020

Legendary Rock band Foghat will perform Sept. 20, 2020 at The Big E's Court of Honor Stage at 8pm. The show is free with Big E admission and seating is on a first-come, first served basis.

Foghat is comprised of founding member Roger Earl who has been pounding his drums for over 40 years, Bryan Bassett, lead/slide guitarist, who has over 40 years of experience as a musician and 30 as a recording engineer/producer, Charlie Huhn, lead singer/lead guitarist, who joined the band in 2000, replacing original Foghat vocalist the late Lonesome Dave Peverett, and Rodney O'Quinn who was called upon in 2015 to fill in for long time bass player, the late Craig Macgregor and has since become a permanent part of the Foghat family.

Formed in 1971, when Peverett and Earl left the British blues-rock band, Savoy Brown, Foghat has earned eight Gold records, one Platinum record and one Double-Platinum record.

Foghat fans are everywhere these days and their audience consists of all ages. From the young kids who play Guitar Hero III and know all of the lyrics to "Slow Ride," to the Dazed & Confused generation of 30-40-somethings and the "boomers" who bought Foghat's first vinyl or 8 track! Looking out at the audience and seeing all of the generations rockin' to Foghat is very gratifying to the band. According to lead singer Charlie Huhn, "The band just wants to make sure that after every show, they are all convinced that they just got rocked, from the second we start the first song to the end of the show."

If Foghat had only given us "Slow Ride," the band's place in Rock history would be secure; but the band is so much more than that. As stated by Roger Earl, "We are still a work in progress, writing and recording, and plan to be until the day we depart this earth!"
