

MARCH 15 & 16, 2025 9:00AM-4:00PM

We are thrilled to welcome you to one of the region's most exciting equine events, hosted right here at The Fairgrounds. Whether you're a lifelong horse enthusiast, a competitive rider, or simply someone who admires these incredible animals, WNY Equifest has something for you.

Horses play a vital role in New York's economy, contributing \$7 billion annually and engaging nearly 2.4 million households with at least one horse enthusiast. Beyond their economic impact, horses support jobs, recreation, and agricultural preservation across the state. WNY Equifest is a celebration of this industry, bringing together riders, trainers, industry professionals, and vendors for a weekend of education, shopping, and fun.

This year, we are excited to feature over 100 vendors spread across the Showplex and Agriculture Discovery Center, offering everything from tack and apparel to farm supplies and equine services. Be sure to check out the full schedule of seminars and demonstrations presented by top industry experts, trainers, and coaches. No matter your discipline or experience level, you'll find valuable insights to take home.

One of our signature highlights is the Daily Breed Presentation, taking place at 12:15 PM in the Showplex, sponsored by Boot Barn. This is a great opportunity to see a variety of horse breeds and learn about their unique characteristics and histories.

Looking for hands-on fun? Be sure to visit the Family Fun Corral sponsored by Purina, where kids and families can enjoy kids crafts, a wheel spin with prizes, inflatable horse stick races, and a standardbred harness racing simulator bike. Plus, don't miss the Trocaire College Equine Vet Station, where you can learn about horse wellness, preventive care, and career paths in veterinary medicine.

We want to hear from you! Please take a moment to fill out the WNY Equifest survey on the back page of this program. Your feedback helps us make each year's event better than the last. Plus, you could win 500 pounds of horse feed from Kent Feeds/Blue Seal!

Finally, we extend our deepest gratitude to our sponsors. Their support makes WNY Equifest possible, and we encourage you to support these businesses for all your equine needs.

Enjoy the event!

2025 PRESENTERS

Find presentation schedule on page 14

Amanda Frink & Alan Marshall; Heeler Haven Presenting: Harnessing Draft Horses vs. Miniature Horses & Driving Demonstration

The Marshall family have used their horses for everything from logging and field work to pleasure drives, hired wagon rides and sleigh rides. Their demos with their minis started because of their involvement with the NYS Draft Horse Club. They continue to enjoy teaching others what they know about being a teamster regardless of the size of their horse.

Amber Roberts, Samantha Soulant, & Barron Wester; Fort Drum Rodeo and Equestrian Club Inc.

Presenting: Heroes, Adrenaline, Rodeo & the Western Lifestyle Fort Drum Rodeo and Equestrian Club was founded to provide Military, Veterans, Law Enforcement Officers, 1st Responders and their families a place to enjoy comradery while celebrating Rodeo and the Western way of life. Their demo will show how competitors can find a calm in the action packed sport of Rodeo.

American Angels 4-H Equestrian Drill Team Presenting: Saturday's Welcoming Ceremony

An equestrian drill team is a group of riders and horses that perform choreographed maneuvers to music. The American Angels 4-H Equestrian Drill Team is comprised of 26 youth equestrians from different clubs across Wyoming County. While they are all excellent riders, they are learning new skills, not only with their horses but also some of the most important life lessons—communication, leadership, and teamwork.

Amy Green; Genesse County Auxiliary Mounted Unit Presenting: Teaching Your Horse to Navigate Through Obstacles

The Genesee County Auxiliary Mounted Unit was established in 2015. In 2018, the unit began training as a search and rescue team and continues to train and assist the public. The unit currently works with the Genesee County Emergency Management Services as a specialized resource to assist local fire departments in the search for missing persons.

Anita Martin, Innovative Equine Presenting: Horse in Motion: Innovative Saddle Fitting and Addressing the Equine Muscular System

Anita Martin of The Anita Martin Method has spent a lifetime pursuing and accomplishing much to 'Help the Horses.' She is a Certified Equine Sport Muscle Therapist, an Independent Saddle Fitter, and the Founder of 'The Spirit of Horse Foundation,' a nonprofit organization helping horses and humans touch hearts, among other things.
