

HOW TO PAINT A
Cherry Blossom Tree

A STEP BY STEP TUTORIAL

Paint your own Cherry Blossom Tree!

1

Materials:

- Paint
- Two paper plates for mixing
- 1 cup filled with water
- 1 sheet of construction or printer paper
- A napkin or an extra sheet of paper to cover the surface you're painting on

2

If you don't have brown mix any of these colors:
Orange + Blue
Red + Green
Yellow + Purple

3

Paint the tree trunk

4

Paint a slightly curved line, then add the smaller branches.

5

6

Mix white + red to get pink. If you need red, mix yellow + orange.

7

Use the edge of the water bottle & apply a little pressure to get the look of the leaves you want to create.

End Result
