# PAPER BIRD

A STEP BY STEP TUTORIAL

# Paper Plate Bird Part 1

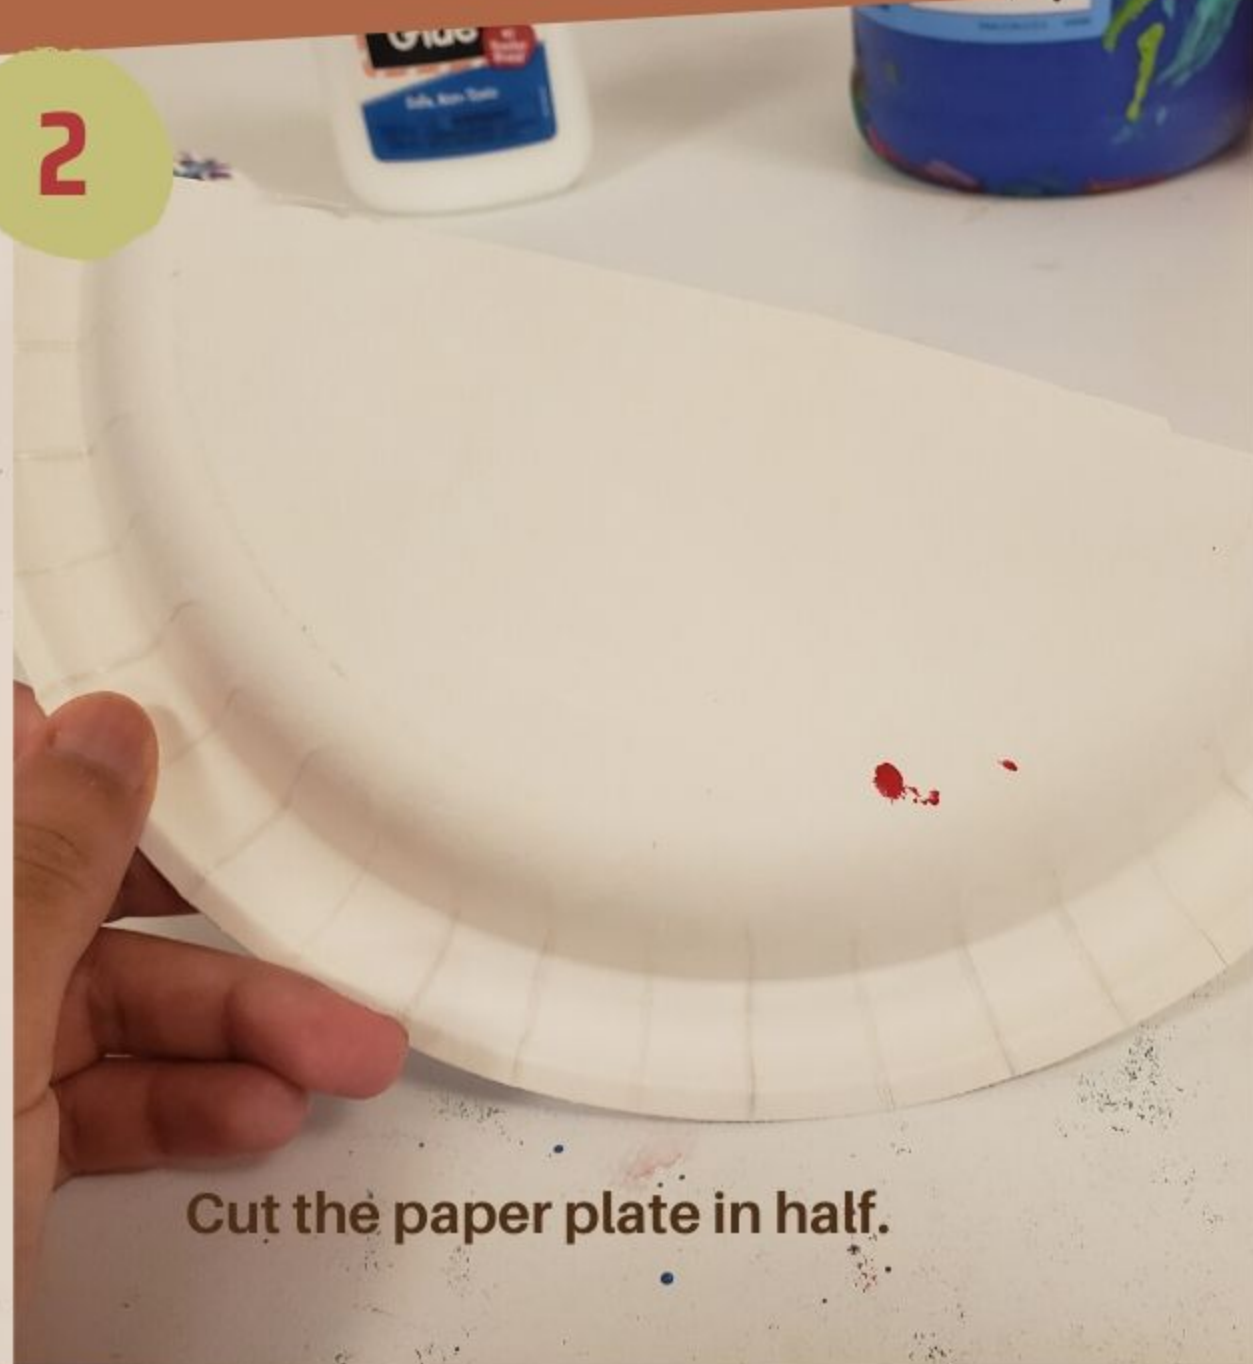

1

## Materials:

- Glue
- Paper plates
- Googly eyes
- Scissors
- Pencil
- Brown & white paint
- Pencil
- Paintbrush
- White & yellow construction paper

2

Cut the paper plate in half.

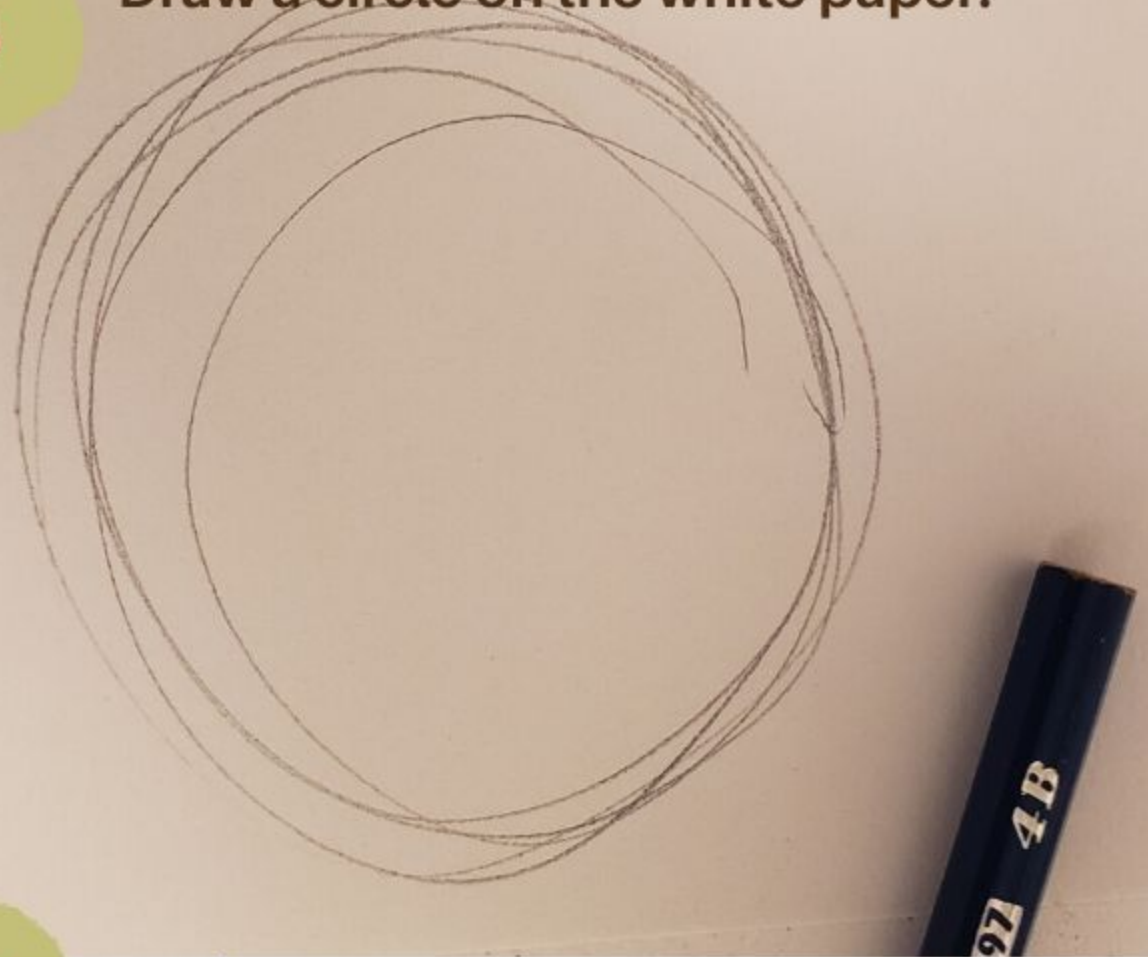

3

Cut two triangles. These will act as the wings.

4

Draw a circle on the white paper.

5

Paint the wings and body brown.

6

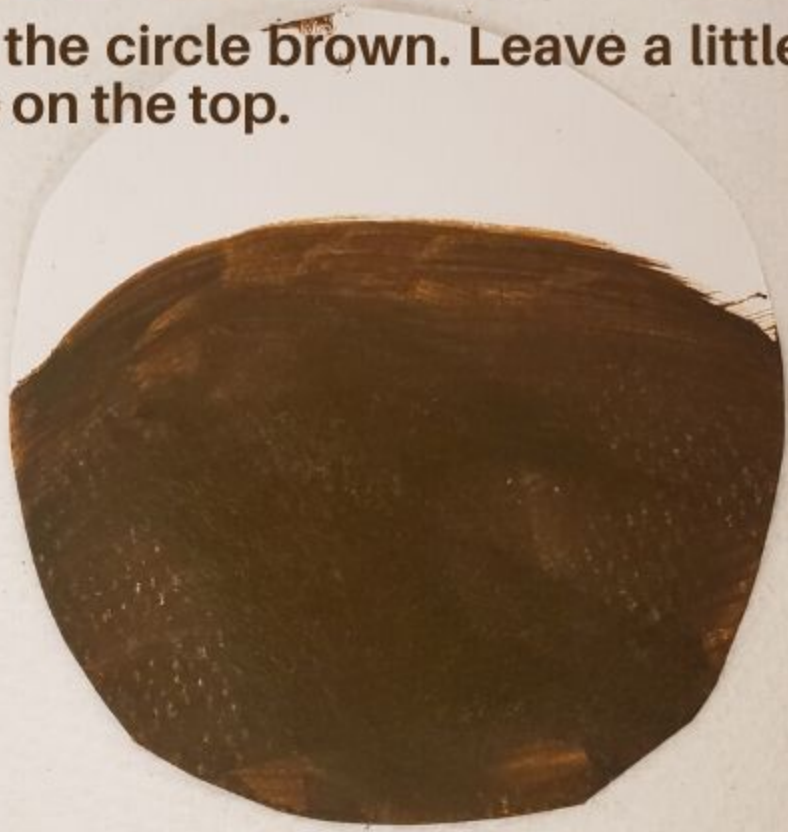

Glue the wings on each side. Wait for it to dry.

# Paper Plate Bird Part 2

**7** Paint the circle brown. Leave a little bit of white on the top.

**8** Glue the googly eyes on.

**9** Cut a triangle out from the yellow construction paper. Then glue the head on the body.

**10**

Add little bit of white paint & mix it with brown. Apply quick strokes around the entire head & body to get a 'feathery' appearance.

Let the bird dry...

**End Result**

And you're done!
