## A STEP BY STEP CRAFT TUTORIAL

# Paper Flowers Tutorial Part I

1

2

Use your ruler to create a 4x4 square. Cut out the square with scissors.

3

Draw a spiral.

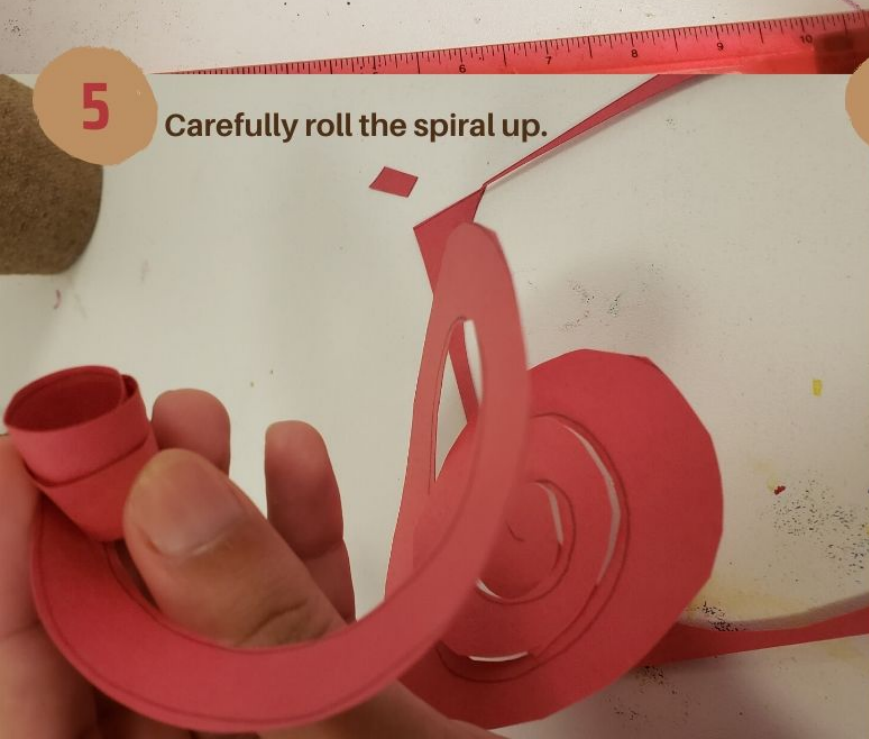

4

Cut around the spiral.

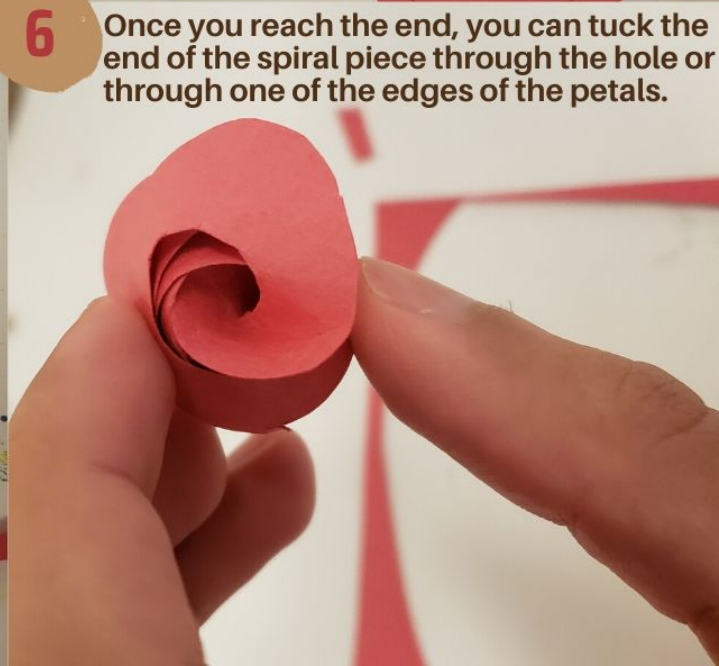

5

Carefully roll the spiral up.

6

Once you reach the end, you can tuck the end of the spiral piece through the hole or through one of the edges of the petals.
