

# SWIRLY POLKA DOT PAINTING

A STEP BY STEP TUTORIAL

# Swirly Polka Dot Painting Tutorial

## Part I

1

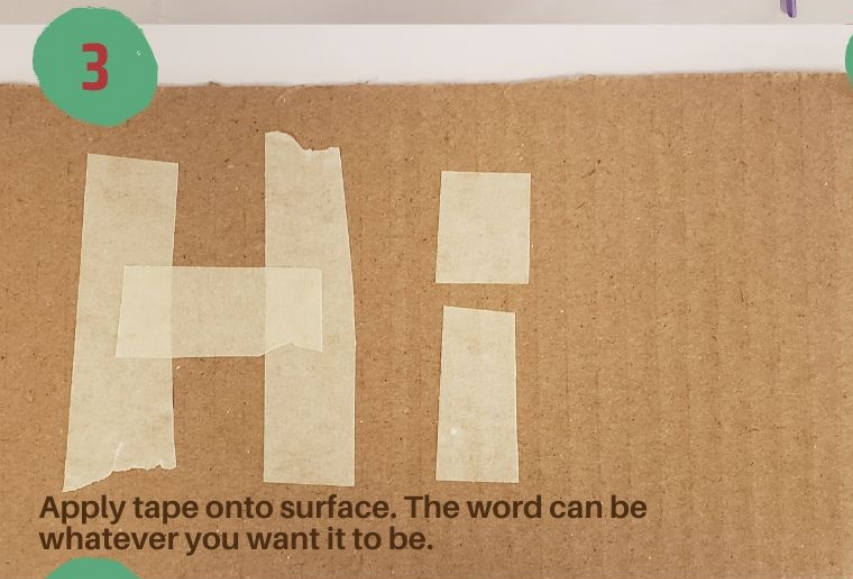

2

Peel off a piece of tape.

If your tape is large, rip off a piece and place it on the edge of a table. Then cut it down with a pair of scissors.

3

Apply tape onto surface. The word can be whatever you want it to be.

4

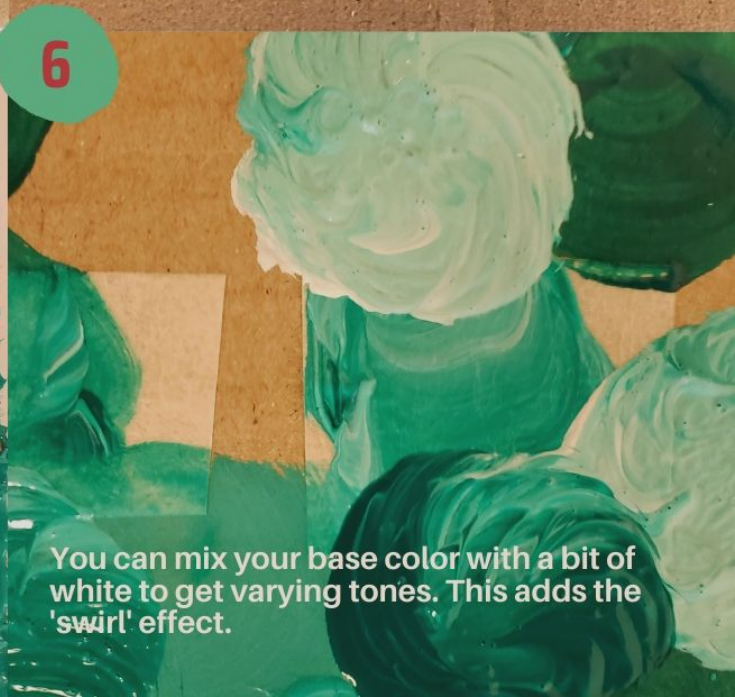

Begin painting the circles.

5

Apply different kinds of pressure with your brush to achieve unique textures on the surface

6

You can mix your base color with a bit of white to get varying tones. This adds the 'swirl' effect.

## Part 2

7

Cover the entire surface with swirls. Try not to make thick coatings of paint or the surface will crack. Allow for it to dry for 3-4 hours.
