COFFEE FILTER SEA CREATURE

A STEP BY STEP TUTORIAL

Coffee Filter Sea Creatures

1

Materials:

- Glue
- Black construction paper
- Scissors
- Watercolors
- Coffee filter
- Paintbrush

2

Flatten the coffee filter.

3

Add some watercolor paint to the surface of the filter.

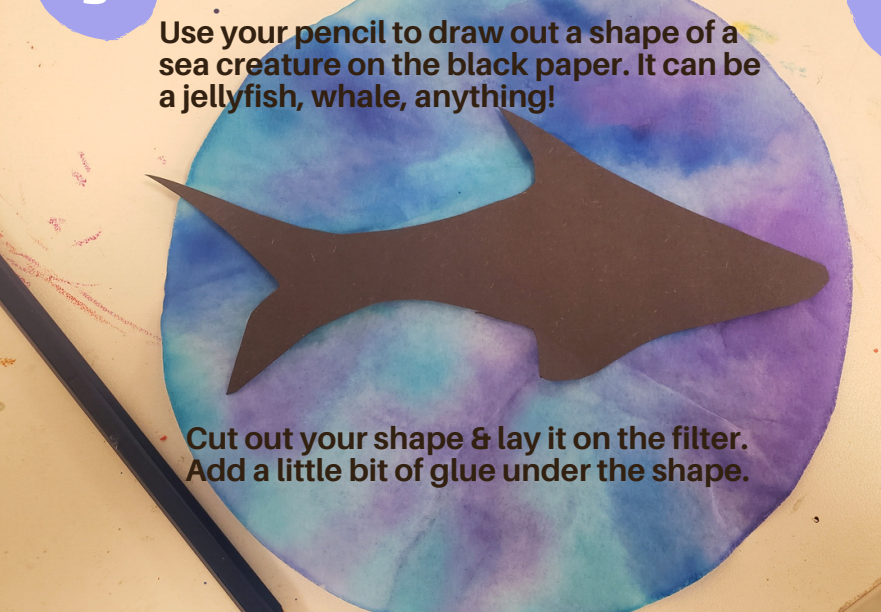

4

Next, add a drop of water. This will allow the paint to spread. Cover the surface with multiple shades of blues & purples.

5

Use your pencil to draw out a shape of a sea creature on the black paper. It can be a jellyfish, whale, anything!

Cut out your shape & lay it on the filter. Add a little bit of glue under the shape.

End Result
