

Paper Flower Fan

A STEP BY STEP CRAFT TUTORIAL

Paper Flower Fan Part I

1

Materials:

- Glue
- Construction paper- any color
- A roll of ribbon
- Scissors

2

Fold the paper multiple times over itself. Unfold it once you're done.

3

First, cut a piece of ribbon. Then, pinch the end.

4

Make multiple loops with the ribbon & tie a knot.

5

Cut out 2-3 even squares from the construction paper.

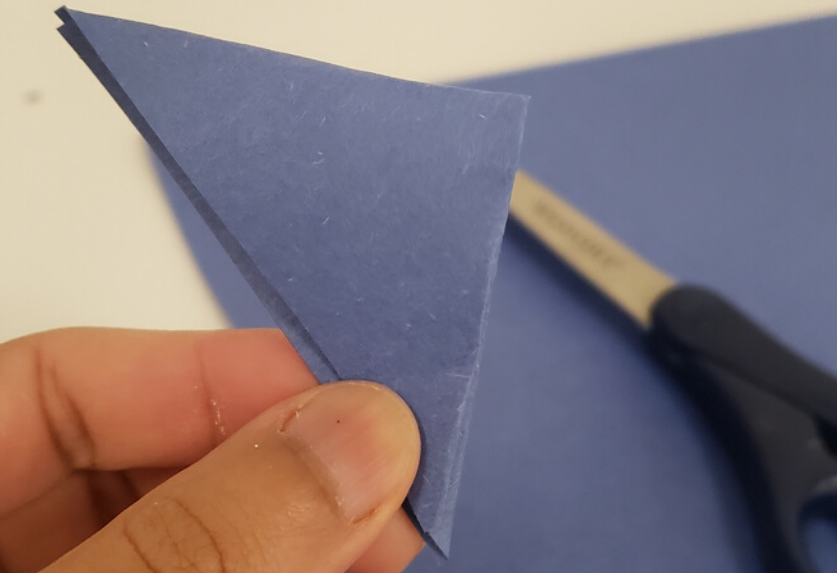

5

Fold one corner over to create a triangle.

Paper Flower Fan Part 2

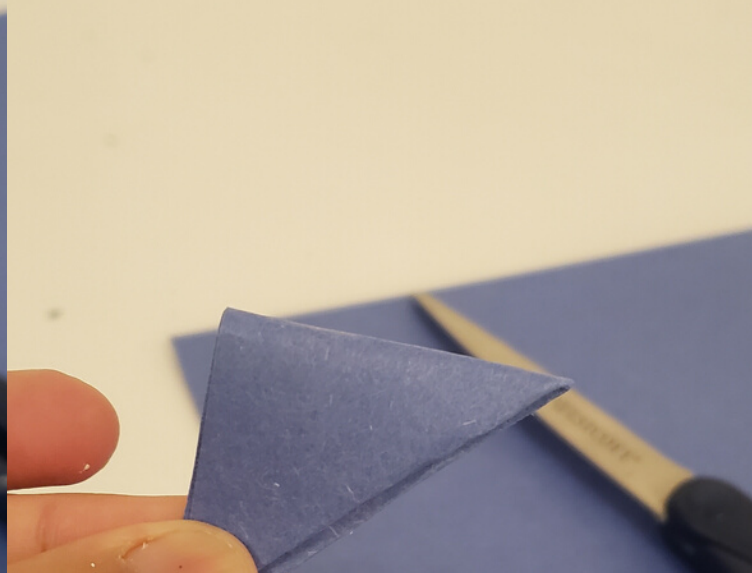

7

Fold another corner over again.

8

Fold it over once more.

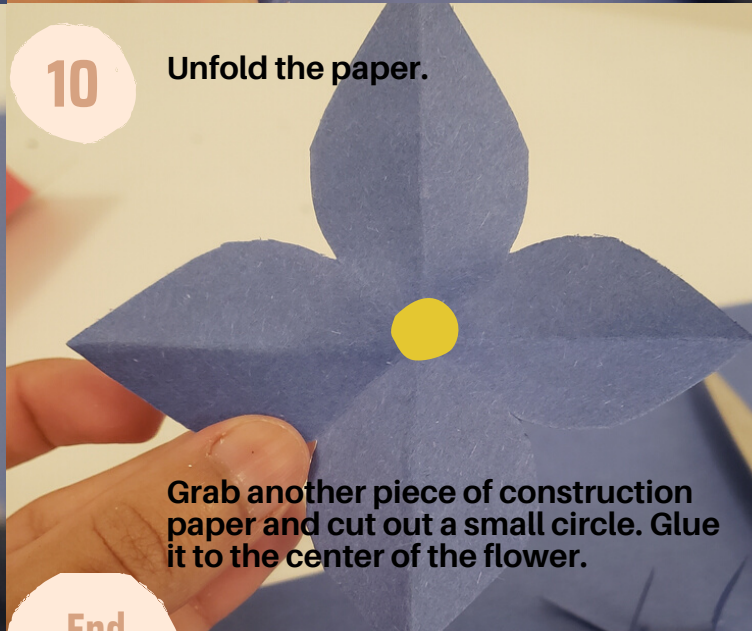

9

Round out one side of the triangle with scissors

10

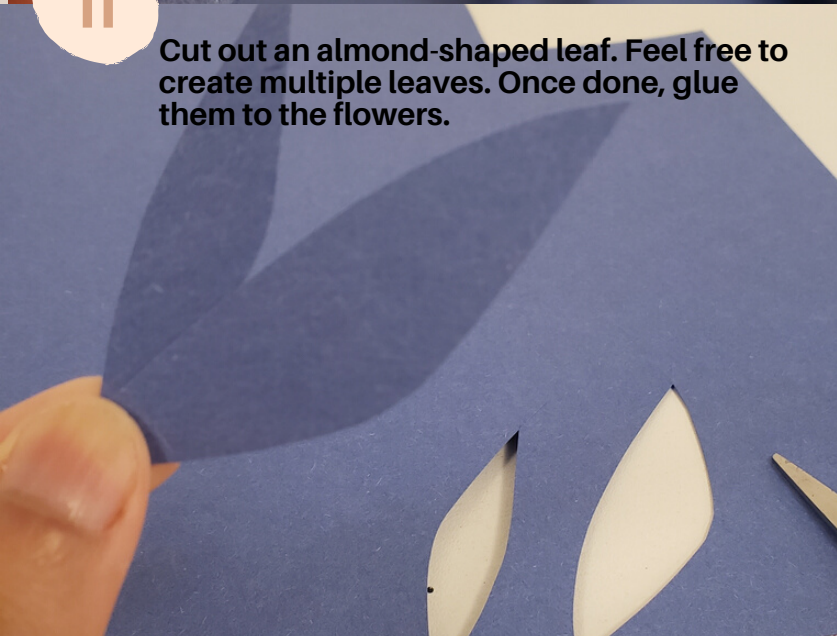

Unfold the paper.

Grab another piece of construction paper and cut out a small circle. Glue it to the center of the flower.

11

Cut out an almond-shaped leaf. Feel free to create multiple leaves. Once done, glue them to the flowers.

End
Result

Glue the flowers onto the fan & you're done!
