First, choose a department – for this example, will choose art and then the division drop down will be available. From the division list, you will choose your division. For this example, we will choose an "amateur adult" which means I am over 18. The screen will them move to Class which is marked with a **blue** star meaning it is required.

Select the class and enter a description if you would like to describe your entry for ease when checking in. When done, push "add 1 Entry to cart". This process continues for each entry you would like to submit in any department for Open Class exhibits allowed at the Fair.   When you have entered all the items you want to enter, press continue.
