The Ozark Mountain Daredevils have always been indefinable in terms of music genres, producing sounds of country-rock and electric bluegrass all on the same record; writing lyrics both whimsical and poetic, singing harmonies that would send shivers up your spine.

This collaboration with the Topeka Symphony Orchestra is not to be missed.

The Topeka Performing Arts Center Young Artists Awards Program was conceived in 1995 to recognize Shawnee County high school juniors who excelled in fine arts. The program celebrates their contributions to the enrichment of their schools and their community, and to encourage students' continued achievement in the arts.

Annually, any Shawnee County area high school junior can be nominated in one of nine awards categories. A panel of judges reviews the nominees' work to choose the best in each category.

Submissions for the 2024 awards must be received no later than March 18, 2024.

An award ceremony date will be announced in the spring but traditionally takes place during the month of May.
