

2022 Tri-State Fair & Rodeo Premium Book

Tri-State Fairgrounds
September 16-24

Welcome Everyone!

It is once again fair season in the Texas Panhandle. This year's celebration, sponsored again by the Texas Farm Bureau Insurance Company, will mark the 99th year of the Amarillo Tri-State Exposition.

While the last few years have brought changes, you can expect to see many tried-and-true attractions at this year's celebration, such as the Food Court, Midway, livestock exposition, cook and craft competition, and rodeo. For something different this year we are launching a new concert series, "Dancin' in the Dirt". Come out and join us on opening weekend as we kick off this year with performances by Wade Bowen on Friday, Sept. 16 and The Frontmen on Saturday, Sept. 17. The fair will conclude the following weekend with three nights of PRCA sanctioned rodeo showcasing some of the top PRCA talents in every event. For a complete calendar of events, go to www.tristatefair.com.

The Amarillo Tri-State Exposition Board would like to thank all those participating in this year's fair. We appreciate each of the contestants in our culinary, craft, and livestock competitions and the effort they have put into each event. Additionally we are incredibly grateful to be blessed with hundreds of volunteers who work countless hours to ensure everything runs as smoothly as possible. Without that volunteer dedication, we would be lost.

We look forward to seeing you at the fair this year. I still remember attending the fair with my parents when I was young, and I continue to share that tradition with my own children and grandchildren today. This year, I hope the fair will provide you and your loved ones with memories for a lifetime.

Exhibitor Check-In/Process/Paper-Check: These terms shall refer to the time allotted for exhibitors to provide necessary information (ex. Some shows may require exhibitors to input animal information into an online check-in or kiosk system. Exhibitors who fail to complete the check-in requirements for their respective show/contest are subject to disqualification.

Late Arrival: The term “Late Arrival” shall refer to rare exceptions to the Arrival Deadline approved exclusively by Show Management. Exhibitors should contact the respective Show Superintendent prior to the arrival deadline of the respective show to request a Late Arrival. Show Management is in no way required to approve Late Arrival requests.

GENERAL RULES

Statement of Liability

Your entry and participation in the TSF is conditioned on your understanding and agreement that none of the Amarillo Tri-State Fair & Exposition Management, Directors, Officers, Volunteers, Partners (General and Limited), or Employees shall have any liability whatsoever for any loss, damage, destruction or personal injury to any exhibitors or patrons or their personal property, merchandise or animals before, during or after such an event. Specifically, the Amarillo Tri-State Exposition shall not be responsible or liable for any loss, injury or property damage which may occur to any exhibitor, owner or attendee even if such incident is caused by, or alleged to have been caused by, in whole or in part, the negligence or gross negligence of the Amarillo Tri-State Exposition. Each exhibitor and/or owner will be solely responsible for any consequential or other loss, injury or damage to, or occasioned by, or arising from, any animal or article exhibited by the owner or exhibitor. **THE EXHIBITOR AND/OR OWNER INDEMNIFY THE AMARILLO TRI-STATE EXPOSITION AGAINST ALL LEGAL OR OTHER PROCEEDINGS IN REGARD THERETO, AS WELL AS DAMAGE OR INJURY TO ANY PERSON OR PROPERTY, CAUSED BY THE ANIMAL OR ARTICLE EXHIBITED EVEN IF THE INCIDENT IS CAUSED BY, OR ALLEGED TO HAVE BEEN CAUSED BY, IN WHOLE OR IN PART THE NEGLIGENCE OR GROSS NEGLIGENCE OF AMARILLO TRI-STATE EXPOSITION.** The Amarillo Tri-State Exposition will not be responsible for any loss or damage resulting from or caused by strikes, riots, pandemics, lockouts or acts of God.

Civil Authority Evacuation

The TSF, along with all other large venue and public gathering places and events around the country, has been advised by Federal, State, and Local Authorities that an emergency evacuation of the premises may be ordered by any of those authorities at any time. This decision would be driven by information available to those authorities that (1) may not be available to the TSF, or classified by the law enforcement authorities, and therefore the TSF could not share it with our exhibitors; (2) could arise out of an actual or threatened act of terrorism; (3) or arise from any number of other public safety concerns the authorities have for the safety of the public at our event.

If an evacuation order occurs, you will be asked to leave the premises immediately. Your cooperation is not only required by law but for your own safety and the safety of other members of the public at the show. Local law enforcement officers will direct the evacuation. We are further advised that any evacuation will be for persons only and no other property, animals, trailers or anything but your immediate means of transportation will be allowed off the premises. This is for the purpose of achieving the most timely and efficient clearing of the public from the threatened area. Do not attempt to load personal property, merchandise, animals, or anything but yourself and your family and friends into your vehicle and leave the premises immediately. In the unfortunate event that an evacuation must occur, the TSF will do everything possible to care for personal property, animals, commercial exhibitors' merchandise, etc. until the authorities remove the evacuation order and you are allowed back onto the fairgrounds. No one will be allowed back on to the fairgrounds until the authorities issue that order. Local law enforcement will enforce the order strictly and in accordance with instructions from the authorities.

**WARNING UNDER TEXAS LAW (CHAPTER 87, CIVIL PRACTICE AND REMEDIES CODE),
A LIVESTOCK SHOW SPONSOR IS NOT LIABLE FOR AN INJURY TO OR THE DEATH OF
A PARTICIPANT IN A LIVESTOCK SHOW RESULTING FROM THE INHERENT RISKS OF
LIVESTOCK SHOW ACTIVITIES.**

1. Administration of Rules and Rule Violations: The Amarillo Tri-State Fair & Exposition reserves to its Executive Board the final and absolute right to interpret these rules and regulations and to arbitrarily settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of or connected with or incidental to the Fair, and the right to amend or add to these rules as its judgment may determine. An exhibitor who violates any of the following rules will forfeit all privileges and premiums and be subject to such penalties as the Executive Board may order.

2. Special Rules: Special rules or conditions are published in each department where necessary. If there is a conflict between the special rules of any department and the general rules and regulations, the special rules will govern. To be eligible for entry, exhibitors and their exhibits must also meet and adhere to the requirements of Special Rules listed under the appropriate department(s).

3. Project Care: Exhibitors/contestants with animal must remain in charge of their project(s) and care for them for the duration of the show at all times. If needed, the exhibitor may have a competent caretaker (must be an immediate family member of the exhibitor, other 4-H/FFA member, or AST/CEA) care for the project(s). However, the exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). Show Management reserves the right to decide what constitutes acceptable treatment of animal projects. Unacceptable treatment of animal projects will not be tolerated and could result in immediate disqualification of the exhibitor along with his or her club/chapter.

4. Project Security: All owners or persons in charge of property, or livestock, shall care for, guard, protect, and preserve same, as the TSF does not undertake to do so, and it shall not be held responsible for any loss, shrinkage, or damage to said property or livestock or the owners or exhibitors thereof. All exhibitors are responsible for security of their own animal/project(s) for the entire duration they are on the grounds. The exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). The TSF is not responsible for the acts of a third party

5. Exhibitor/Contestant Behavior: The TSF does not condone and will not permit aggressive behavior towards animals or any other persons including Show Management. Any exhibitor or anyone assisting an exhibitor (parent/AST/CEA/fitter/family member, etc.) is not allowed to aggressively pop, slap, hit, or strike any animal at any time during the show or at any place on the grounds. Any aggressive or unwarranted behavior by an exhibitor or anyone assisting an exhibitor towards another individual will not be tolerated. If such behavior is witnessed, it may result in immediate disqualification of the exhibitor, and/or forfeiture of all fees, premiums, and awards. In certain cases, the exhibitor or associated persons may be banned from the grounds and/or any future competition. Protests are not permitted.

Entry Information

6. Entry Invitation: This is an invitational event where Show Management reserves the right to extend, conditionally accept, or fully reject an entry from any exhibitor(s). Competition is open to the world, with the exception of certain Youth Shows/Contests as outlined in their Special Rules.

Exhibitors must be bona fide residents of the State of Texas (unless Special Rules specify otherwise), and in some cases may be restricted to exhibitors who reside in certain counties.

8. Youth Show/Contest Academic Eligibility: All 4-H and FFA exhibitors are considered to be academically eligible by the TSF to participate in the Junior Livestock Show at the time entries are received from the AST/CEA. Any AST/CEA who has a member in his/her 4-H or FFA program who becomes ineligible to participate in the Youth Show/Contest according to Texas Education Code must provide written and signed notification to Show Management at least 24 hours prior to the beginning of Check-In/Registration for the respective show/contest. If such notification is not received at least 24 hours prior to the beginning of Check-In/Registration, the TSF will consider the exhibitor as eligible to participate.

9. Entry Process: When applicable in certain shows/contests, entries must be made via TSF online entry system. For questions regarding the entry process, please call the Tri-State Fair office.

10. Entry Fees: Certain shows/contests may include an entry fee. This fee is expected to be submitted in full along with the exhibitor's entry forms. There will be a \$35.00 service fee for all returned checks. The TSF has the right to ban any exhibitor or club/chapter from future participation should there be a continuous problem with entry fees.

11. Exhibitor Signature(s): Each exhibitor (and exhibitor's parent or legal guardian if the exhibitor is a minor) must sign the signature form indicating that he/she have read, understand, and will abide by the rules and liability information outlined in the current year's TSF Catalog.

12. Completed Entry: Entries are not considered complete until all the necessary steps for entry in the respective show/contest have been followed. This shall include on-time online or paper submission (whichever is appropriate), completed signature(s), and fully paid entry fees. Only Completed Entries will be eligible for the respective show/contest.

13. Entry Deadlines: It is the sole responsibility of the exhibitor to make sure they understand and abide by the entry deadlines for each show/contest they wish to participate in. Entries must be made online (if applicable) **and** postmarked by the entry deadline.

15. Erroneous Entries: Exhibitors that have been erroneously entered may be transferred to their proper class prior to judging by Show Management. If such classes have been judged, they shall not be reopened. In some cases, the entry may be disqualified for which refunds will not be considered.

16. Objectionable Exhibits: Show Management reserves the right to remove from the grounds any exhibit, animal or project that may be falsely entered or deemed unsuitable or objectionable, without assigning a reason therefore. All fees will be forfeited.

17. Refunds: There will be no refund or fees for any reason.

18. Limited Entries: The TSF reserves the right to limit the number of entries or restrict entries, in any way it deems necessary. Certain shows and contests may be restricted to exhibitors or entries that meet specified criteria

Ownership

19. Ownership: All animals must be entered in the name of the owners(s) as shown on the Registration Certificate. All parties in a multiple ownership must be on the entry form. Firms and partnerships must be in existence at the time of making entry. Custom fitters must be listed on the entry form in the appropriate space. For ownership of animals entered for competition in the Youth Shows, see special rules.

20. Joint Ownership: Jointly owned animals must be entered and shown under the multi-ownership (all co-owners) in the individual classes. In the Group classes, jointly owned animals may be entered and exhibited under the name of one of the co-owners provided the individual owns a full or part interest in each of the animals in the group entry.

21. Proof of Ownership and Registration: Exhibitors must be able to provide proof of ownership and registration as outlined in the Special Rules of the show/contest. It is the exhibitor's responsibility to know and understand the rules of the show including, but not limited to, animal age requirements, ownership specifications, what constitutes proof of ownership, etc.

Show Management reserves the right to determine cut off times for competition for which their will be no appeal or protest.

33. Classes: Show Management reserves the right to combine, split or cancel classes at its discretion in all departments of the TSF.

34. Decisions: The decision of the judge(s) shall be final in all cases, except where mistake, fraud, misrepresentation or collusion, not discovered at or before the time of the award, is proven. If any exhibitor or his representative interferes with the judges or shows disrespect to them or the TSF, Show Management may withhold from the exhibitor any premiums that may have been awarded or take any other steps deemed desirable.

Animal Exhibitors Code of Ethics

37. Unethically Fitted Livestock: The showing of unethically fitted animals or animals of any ineligible age for exhibition is prohibited. The TSF expects exhibitors to maintain the highest standards of animal husbandry and fair competition, and reserves the right to determine that practices unspecified in this rule may constitute unethical fitting. By entering an animal in the TSF, every exhibitor is deemed to have consented to inspection of the animal by any veterinarians or other officials to which the TSF has delegated the power to inspect animals and is deemed to have agreed to have such animals submitted to any tests as may be designated and requested by TSF. To the extent factual disputes may arise regarding any issue of unethical fitting, the TSF Show Management may resolve and determine such factual disputes utilizing whatever procedures the TSF may establish from time to time at its complete discretion. Refusal by an exhibitor to submit an animal to examination or testing shall automatically be grounds for disqualification. Participation in the exhibition of show animals at the TSF is a privilege extended to qualified exhibitors, not a right.

Drug Residue Avoidance

38. Drug Residue Avoidance Policy: It is the policy of the TSF to prevent the usage of illegal, unapproved or unethical drugs or any improper foreign substance in animals entered for exhibit at the TSF. The TSF reserves the right to limit or exclude the benefits of participation by any exhibitor determined by the TSF to be in violation of this policy. Without limiting the generality above, the TSF sets out the following rules and guidelines for exhibitors

39. Drug Residue Certification Statement: As a condition of participation in the TSF, each animal exhibitor agrees that unapproved foreign substances have not been administered to their animals before or during the TSF.

40. Drug Residue Testing: TSF reserves the right to test any exhibition animal at its discretion. Testing may be performed by TSF Show Management, with or without the knowledge of the entrant. Further, TSF reserves the right to perform a post-mortem examination of any animal which dies at the TSF. If a post-mortem examination is ordered by the TSF, the expense of the post-mortem is to be paid by the exhibitor. By entering an animal to show at the Fair, the exhibitor is deemed to have consented to this rule and all testing procedures conducted by TSF. The TSF will pay for the first test. If protested, then the exhibitor will pay for the second test.

41. Drug Residue Testing Process: The TSF expects to delegate its sample collection, testing procedures and laboratory analysis procedures to reasonably qualified individuals, veterinarians and/or technicians. The conclusions reached by such person(s), as to whether an animal has been administered an unapproved foreign substance including, without limitation, diuretics, unapproved growth stimulants or other unapproved medications shall be final. By entering animals in the TSF, exhibitors agree that such conclusions are final and waive any recourse against the persons conducting any test or analysis, and waive recourse against the TSF or anyone within Show Management.

42. Drug Residue Testing Recourse: The TSF reserves the right to adopt, in its discretion and on a case-by-case basis, if it so desires, appropriate sanctions for any violation of these rules. At minimum, any animal testing positive for an unapproved foreign substance will be disqualified and declared ineligible to receive awards, premium money or sales proceeds. Further, the TSF may declare the exhibitor ineligible for further participation in the current TSF in which he or she is entered with other animals and in any or all future TSF events. In addition, the TSF may declare the same or greater ineligibility for members of the exhibitor's immediate family. Further, if the TSF has reasonable cause to believe that such violation was sanctioned, approved or aided by a sponsor, fitter, advisor, or other person(s) associated with the individual the TSF may declare such person(s) ineligible for future participation.

43. Drug Residue Results Communication: By entering the TSF, the exhibitor agrees that the TSF may exchange information about the exhibitor with other shows and, further, may disclose, communicate or publish the results of any tests to officials of other exhibitions, to sponsoring county organizations of schools, to law enforcement officials and the press.

44. Final Standings: If an entry is disqualified under this rule, no changes will be made in the placing of other animals.

45. Premiums Payout: Insofar as possible, premium monies will be distributed by the TSF at the time of the event. In some cases, premiums may be held until all funds from all sources are received by the TSF. If premiums are to be reissued for any reason, a \$35 fee per check will be subtracted from the total.

46. Premiums & Awards: The TSF will not be responsible or liable for lost premium monies and/or awards. Premiums & awards not claimed during the event will not be mailed. After 60 days, all unclaimed premiums & awards will be forfeited.

SPECIAL RULES:

1. Health Papers are required for all Open Cattle
2. Purebred - All cattle must be purebred and have an original American Shorthorn Association registration paper (no copies or faxes accepted) to be eligible to show in the Shorthorn show.
Shorthorn Plus - All cattle must be Registered Shorthorn Plus (green paper). Shorthorn Plus animals must be 50% Shorthorn blood concentration or higher to be eligible for Shorthorn Plus shows.
3. The TSFR must adhere to these Show Classifications regardless of entry numbers. Age divisions (i.e. Junior Calf, Senior Calf, Junior, Senior) are not flexible.
4. No exhibitor shall be permitted to win more than two prizes in any one class.
5. All animals must be registered as the property of the exhibitor in the records of the American Shorthorn Association by the time of the Fair or Show. Please refer to specific show guidelines for a junior show ownership deadline.
6. Animals in a Junior Show may only be in the sole name of the individual exhibitor.
7. Individual animals shown in any of the group classes listed below must have been entered and shown in one of the following classes for single animals. Multiple owned animals must be exhibited in the name of all owners. Family bred and raised animals entered by juniors in junior classes and subsequently entered in Open classes may be treated as family entries in group classes.

8. All Shows held on or after Oct. 1 of the show year must have Late and Early Spring Calf Championships, and eight Champions will be available for consideration for Grand Champion Awards.
9. All Shorthorns are subject to a tattoo inspection by representatives of the ASA. All Shorthorns and Polled Shorthorns are also subject to an age inspection if deemed necessary by the ASA and the decision of the examining veterinarian is final. Use of artificial fins on show animals is not permitted.
10. Classes will be determined after entries are received.
11. Each class may be broken into multiple classes to accommodate large numbers of entries, but separate classes may not be combined into one. For example, there may be four "Junior Heifer Calf" classes, but there may not be one single "Spring Heifer Calf class (combining Late and Early Spring calves).
12. Senior/Junior Yearling Pregnancy Rule: If a Purebred Female has a ShorthornPlus calf at side, it is not eligible for the Purebred Shorthorn Show, however it is eligible for the ShorthornPlus show. All females 20 months old at the time of the show need to have a 60-day pregnancy verification signed by an accredited, non-owner veterinarian at the time the female is processed for the show and are subject to blood test to prove pregnancy. Exhibitors may be asked to present said verification upon the request of the Show officials or ASA representatives. If verification cannot be produced, the female may be allowed to participate if the exhibitor can produce a qualified veterinarian to examine the female at the show site, and verify a 60-day pregnancy. Any infractions against this rule will lead to disqualification of that animal for that specific show.
13. Entries made in this division shall be subject to the General Rules and Livestock Department Rules published in this premium list.
14. Drench guns may not be used in any stall/pen, aisle or walkway. Stomach pumping, drenching tubes or any other method (by esophagus) is prohibited.

SPECIAL RULES:

1. Health Papers are required for all Open, Junior, Pre-Junior Breeding Cattle
2. Eligibility for Entry

 - b. Exhibitors must be current active members of the Miniature Hereford Breeders Association. Siblings may share family membership.
 - c. Steers and heifers must be registered in the AHA and meet height restrictions in order to participate.
3. Ownership
 - a. Ownership of all animals must be established by Aug. 1, 2022.
 - b. Animals must be in the name of the exhibitor.
4. Possession, Care and Feeding

- a. Animals entered must be in the possession of the exhibitor no later than Aug. 1, 2021. The exhibitor is responsible for the general custody, care and feeding of their animal when possible, or to help when it is not possible to care for the animal unassisted. Family members and fellow participants may help with these tasks.
 - b. All animals in this division must be completely broke to lead for the safety of the exhibitor and others in the show ring. Animals not deemed fit will be removed from the show ring and disqualified from the competition.
5. Fitting of Animal
- a. All animals will be fitted and be presented in a proper condition for a beef show. Exhibitors are encouraged to help in any way that is safe and possible for them to do so, but not endanger either themselves, their animals or others in the process.
 - b. Alteration of conformation and structure by prohibited substance or unethical fitting is prohibited. Any violations of this rule will result in immediate disqualification without recourse.
 - c. The injection, use, or administration of any drug that is prohibited by Federal, State or Local Law or any drug that is used in a manner prohibited by Federal, State or Local Law will result in immediate disqualification without recourse.
 - d. Any physical or physiological attempt to alter the natural musculature or weight by use of injections or ingested material not conducive to the continued health or marketability of beef carcasses or for deception will result in immediate disqualification without recourse.
 - e. Every participant in consideration of their entry being accepted by the show, specifically represents that no animal entered is misrepresented in any way except trimming of feet and blocking of hair.
6. Official Weight & Height
- a. The weight and height recorded at the time of check-in will be the official weight and height of the animal.
7. Check Weight & Height
- a. The MHBA reserves the right, at its discretion, to check the weight and height of any animal.
8. Showing of Animals
- a. Participants in this division are required to show their animals. Participants under the age of 5 will be required to have parental, sibling or other participant accompaniment in the show ring.
 - b. All participants may have parental, sibling or other participant accompaniment in the show ring.
 - c. Participants are to handle the majority of the showing and the use of the show stick. Assistants may help in the control of the animal.
9. Show Harness
- a. All Pre-Junior and Junior exhibitors will be required to wear a show number harness for each animal shown in a class. These harnesses hold the number in place in plain sight.
10. Showmanship
- a. Any exhibitor who shows unassisted may compete in this class.
 - b. Animal must be owned and entered by participant to show in this class.
11. Safety
- a. The purpose for the Pre-Junior steer classes is to offer the opportunity to young cattlemen and women to participate in cow shows despite their lack of age required to show in a Junior Show. In many cases, these young people have spent HOURS at the barn with their

parents and siblings working “show calves”. To go to a show and not be allowed to participate can be boring and tiresome for those with less than developed attention spans. Although the rules and regulations have been set, safety is the most important factor in this event. We want these young agriculturalists to enjoy their showing days, from the beginning on up, so please, make sure the children and animals are prepared to participate. Animals can be unpredictable, but the more time the exhibitor spends with the animal prior to the show, the better you can expect it to cooperate when the surroundings change.

12. Animal Health

- a. Animals entered must be within the guidelines of the Livestock Health Requirements. Make sure your animal has all the required paperwork completed in order to enter and participate in the show.

13. Brand Inspections

- a. Brand inspections are required from areas within Brand Inspection Areas. Please check carefully the guidelines for each show, as they are similar but somewhat different.
