GENERAL RULES

Statement of Liability

Your entry and participation in the TSF is conditioned on your understanding and agreement that none of the Amarillo Tri-State Fair & Exposition Management, Directors, Officers, Volunteers, Partners (General and Limited), or Employees shall have any liability whatsoever for any loss, damage, destruction or personal injury to any exhibitors or patrons or their personal property, merchandise or animals before, during or after such an event. Specifically, the Amarillo Tri-State Exposition shall not be responsible or liable for any loss, injury or property damage which may occur to any exhibitor, owner, or attendee even if such incident is caused by, or alleged to have been caused by, in whole or in part, the negligence or gross negligence of the Amarillo Tri-State Exposition. Each exhibitor and/or owner will be solely responsible for any consequential or other loss, injury, or damage to, or occasioned by, or arising from, any animal or article exhibited by the owner or exhibitor. **THE EXHIBITOR AND/OR OWNER INDEMNIFY THE AMARILLO TRI-STATE EXPOSITION AGAINST ALL LEGAL OR OTHER PROCEEDINGS IN REGARD THERETO, AS WELL AS DAMAGE OR INJURY TO ANY PERSON OR PROPERTY, CAUSED BY THE ANIMAL OR ARTICLE EXHIBITED EVEN IF THE INCIDENT IS CAUSED BY, OR ALLEGED TO HAVE BEEN CAUSED BY, IN WHOLE OR IN PART THE NEGLIGENCE OR GROSS NEGLIGENCE OF AMARILLO TRI-STATE EXPOSITION.** The Amarillo Tri-State Exposition will not be responsible for any loss or damage resulting from or caused by strikes, riots, pandemics, lockouts or acts of God.

Civil Authority Evacuation

The TSF, along with all other large venue and public gathering places and events around the country, has been advised by Federal, State, and Local Authorities that an emergency evacuation of the premises may be ordered by any of those authorities at any time. This decision would be driven by information available to those authorities that (1) may not be available to the TSF, or classified by the law enforcement authorities, and therefore the TSF could not share it with our exhibitors; (2) could arise out of an actual or threatened act of terrorism; (3) or arise from any number of other public safety concerns the authorities have for the safety of the public at our event.

If an evacuation order occurs, you will be asked to leave the premises immediately. Your cooperation is not only required by law but for your own safety and the safety of other members of the public at the show. Local law enforcement officers will direct the evacuation. We are further advised that any evacuation will be for persons only and no other property, animals, trailers, or anything but your immediate means of transportation will be allowed off the premises. This is for the purpose of achieving the most timely and efficient clearing of the public from the threatened area. Do not attempt to load personal property, merchandise, animals, or anything but yourself and your family and friends into your vehicle and leave the premises immediately. In the unfortunate event that an evacuation must occur, the TSF will do everything possible to care for personal property, animals, commercial exhibitors' merchandise, etc. until the authorities remove the evacuation order, and you are allowed back onto the fairgrounds. No one will be allowed back on to the fairgrounds until the authorities issue that order. Local law enforcement will enforce the order strictly and in accordance with instructions from the authorities.

**WARNING UNDER TEXAS LAW (CHAPTER 87, CIVIL PRACTICE AND REMEDIES CODE),
A LIVESTOCK SHOW SPONSOR IS NOT LIABLE FOR AN INJURY TO OR THE DEATH OF
A PARTICIPANT IN A LIVESTOCK SHOW RESULTING FROM THE INHERENT RISKS OF
LIVESTOCK SHOW ACTIVITIES.**

1. Administration of Rules and Rule Violations: The Amarillo Tri-State Fair & Exposition reserves to its Officer Committee the final and absolute right to interpret these rules and regulations and to arbitrarily settle and determine all matters, questions, and differences in regard thereto, or otherwise arising out of or connected with or incidental to the Fair, and the right to amend or add to these rules as its judgment may determine. An exhibitor who violates any of the following rules will forfeit all privileges and premiums and be subject to such penalties as the Officer Committee may order.

2. Special Rules: Special rules or conditions are published in each department where necessary. If there is a conflict between the special rules of any department and the general rules and regulations, the special rules will govern. To be eligible for entry, exhibitors and their exhibits must also meet and adhere to the requirements of Special Rules listed under the appropriate department(s).

3. Project Care: Exhibitors/contestants with animal must remain in charge of their project(s) and care for them for the duration of the show at all times. If needed, the exhibitor may have a competent caretaker (must be an immediate family member of the exhibitor, other 4-H/FFA member, or AST/CEA) care for the project(s). However, the exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). Show Management reserves the right to decide what constitutes acceptable treatment of animal projects. Unacceptable treatment of animal projects will not be tolerated and could result in immediate disqualification of the exhibitor along with his or her club/chapter.

4. Project Security: All owners or persons in charge of property, or livestock, shall care for, guard, protect, and preserve same, as the TSF does not undertake to do so, and it shall not be held responsible for any loss, shrinkage, or damage to said property or livestock or the owners or exhibitors thereof. All exhibitors are responsible for the security of their own animal/project(s) for the entire duration they are on the grounds. The exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). The TSF is not responsible for the acts of a third party.

5. Exhibitor/Contestant Behavior: The TSF does not condone and will not permit aggressive behavior towards animals or any other persons including Show Management. Any exhibitor or anyone assisting an exhibitor (parent/AST/CEA/fitter/family member, etc.) is not allowed to aggressively pop, slap, hit, or strike any animal at any time during the show or at any place on the grounds. Any aggressive or unwarranted behavior by an exhibitor or anyone assisting an exhibitor towards another individual will not be tolerated. If such behavior is witnessed, it may result in immediate disqualification of the exhibitor, and/or forfeiture of all fees, premiums, and awards. In certain cases, the exhibitor or associated persons may be banned from the grounds and/or any future competition. Protests are not permitted.

Entry Information

6. Entry Invitation: This is an invitational event where Show Management reserves the right to extend, conditionally accept, or fully reject an entry from any exhibitor(s). Competition is open to the world, with the exception of certain Youth Shows/Contests as outlined in their Special Rules.

7. Youth Show/Contest Eligibility Requirements: Youth Show/Contests must satisfy all the outlined criteria. Unless defined in the Special Rules, exhibitors must be bona fide members of a 4-H Club or FFA Chapter. Exhibitors may enter as either a 4-H or FFA member, but not as both in the same Department. To be eligible, boys or girls must be enrolled in, and attending, public, private, or home school elementary or secondary schools in Texas at time of show; be between the ages of 9 and 18 on August 31, 2024, or be between 8 and in the third grade on August 31, 2024. Exhibitors must be bona fide residents of the State of Texas (unless Special Rules specify otherwise), and in some cases may be restricted to exhibitors who reside in certain counties.

8. Youth Show/Contest Academic Eligibility: All 4-H and FFA exhibitors are considered to be academically eligible by the TSF to participate in the Junior Livestock Show at the time entries are received from the AST/CEA. Any AST/CEA who has a member in his/her 4-H or FFA program who becomes ineligible to participate in the Youth Show/Contest according to Texas Education Code must provide written and signed notification to Show Management at least 24 hours prior to the beginning of Check-In/Registration for the respective show/contest. If such notification is not received at least 24 hours prior to the beginning of Check-In/Registration, the TSF will consider the exhibitor as eligible to participate.

9. Entry Process: When applicable in certain shows/contests, entries must be made via TSF online entry system. For questions regarding the entry process, please call the Tri-State Fair office.

10. Entry Fees: Certain shows/contests may include an entry fee. This fee is expected to be submitted in full along with the exhibitor's entry forms. There will be a \$35.00 service fee for all returned checks. The TSF has the right to ban any exhibitor or club/chapter from future participation should there be a continuous problem with entry fees.

11. Exhibitor Signature(s): Each exhibitor (and exhibitor's parent or legal guardian if the exhibitor is a minor) must sign the signature form indicating that he/she have read, understand, and will abide by the rules and liability information outlined in the current year's TSF Catalog.

12. Completed Entry: Entries are not considered complete until all the necessary steps for entry in the respective show/contest have been followed. This shall include on-time online or paper submission (whichever is appropriate), completed signature(s), and fully paid entry fees. Only Completed Entries will be eligible for the respective show/contest.

13. Entry Deadlines: It is the sole responsibility of the exhibitor to make sure they understand and abide by the entry deadlines for each show/contest they wish to participate in. Entries must be made online (if applicable) **and** postmarked by the entry deadline.

14. Late Entries: All Livestock, Open Cattle Late Entries and Youth Late Entries will be \$100 per entry (except Bantams). Absolutely no open or youth entries accepted after the first business day of September 2024.

15. Erroneous Entries: Exhibitors that have been erroneously entered may be transferred to their proper class prior to judging by Show Management. If such classes have been judged, they shall not be reopened. In some cases, the entry may be disqualified for which refunds will not be considered.

16. Objectionable Exhibits: Show Management reserves the right to remove from the grounds any exhibit, animal or project that may be falsely entered or deemed unsuitable or objectionable, without assigning a reason therefore. All fees will be forfeited.

17. Refunds: There will be no refund or fees for any reason.

18. Limited Entries: The TSF reserves the right to limit the number of entries or restrict entries, in any way it deems necessary. Certain shows and contests may be restricted to exhibitors or entries that meet specified criteria.

Ownership

19. Ownership: All animals must be entered in the name of the owners(s) as shown on the Registration Certificate. All parties in a multiple ownership must be on the entry form. Firms and partnerships must be in existence at the time of making entry. Custom fitters must be listed on the entry form in the appropriate space. For ownership of animals entered for competition in the Youth Shows, see special rules.

20. Joint Ownership: Jointly owned animals must be entered and shown under the multi-ownership (all co-owners) in the individual classes. In the Group classes, jointly owned animals may be entered and exhibited under the name of one of the co-owners provided the individual owns a full or part interest in each of the animals in the group entry.

21. Proof of Ownership and Registration: Exhibitors must be able to provide proof of ownership and registration as outlined in the Special Rules of the show/contest. It is the exhibitor's responsibility to know and understand the rules of the show including, but not limited to, animal age requirements, ownership specifications, what constitutes proof of ownership, etc.

25. Stalls: Insofar as possible, shelter will be provided by the Fair for projects. The TSF does not guarantee stall space for any entry. Certain stalling requests in extenuating circumstances may be granted, but no other general stalling requests will be considered. Shavings available for purchase = \$11 per bag (2 bag minimum or horse stalls)

28. Show Equipment: Any equipment brought on the grounds to be used in exhibitor's stall or space must comply with and be used in compliance with all Federal, State and Municipal occupational safety and health regulations. Judging Process

31. Exhibitor Substitution: A substitute showman in the youth show must be a 4-H or FFA member with an animal entered in that division and from the same chapter or county.

32. Prompt Arrival: It is the sole responsibility of the exhibitor/contestant to arrive promptly for competition. Show Management is in no way liable for exhibitors who show up late or miss their assigned competition. Show Management reserves the right to determine cut-off times for competition for which there will be no appeal or protest.

33. Classes: Show Management reserves the right to combine, split or cancel classes at its discretion in all departments of the TSF.

34. Decisions: The decision of the judge(s) shall be final in all cases, except where mistake, fraud, misrepresentation, or collusion, not discovered at or before the time of the award, is proven. If any exhibitor or his representative interferes with the judges or shows disrespect to them or the TSF, Show Management may withhold from the exhibitor any premiums that may have been awarded or take any other steps deemed desirable.

35. Restraint/Unruly Animals: Exhibitor and patron safety are a top priority. Cattle must be shown with halter and be sufficiently gentle to be properly handled by one attendant. If exhibition of a project poses a danger to the exhibitor and/or other parties, Show Management reserves the right to allow a substitute exhibitor or remove the project from competition and/or the grounds; there will be no appeal.

36. Official Protests: Official Protests must be submitted in writing to a member of Show Management and accompanied by a deposit of \$250 in cash, which will be forfeited if the protest is not upheld. Such protest must plainly and clearly state the cause for the protest and must be delivered to Show Management immediately after the person(s) protesting are made aware of the alleged infraction. Any protest specific to the eligibility of an exhibitor or animal must be filed at least 12 hours prior to the time that the animal is to be judged. Only exhibitors in the department, parents, legal guardians of the exhibitor in the department, AST or CEA who have members with exhibits in this department, the superintendent of the department and the CEO Amarillo Tri-State Exposition may file a protest. Any protest filed will be referred to the CEO and Officer Committee (as necessary), who will have the full power to act, and from whose decision there can be no appeal. Judging procedures will not be interrupted for protest investigation.

Animal Exhibitors Code of Ethics

37. Unethically Fitted Livestock: The showing of unethically fitted animals or animals of any ineligible age for exhibition is prohibited. The TSF expects exhibitors to maintain the highest standards of animal husbandry and fair competition and reserves the right to determine that practices unspecified in this rule may constitute unethical fitting. By entering an animal in the TSF, every exhibitor is deemed to have consented to inspection of the animal by any veterinarians or other officials to which the TSF has delegated the power to inspect animals and is deemed to have agreed to have such animals submitted to any tests as may be designated and requested by TSF. To the extent factual disputes may arise regarding any issue of unethical fitting, the TSF Show Management may resolve and determine such factual disputes utilizing whatever procedures the TSF may establish from time to time at its complete discretion. Refusal by an exhibitor to submit an animal to examination or testing shall automatically be grounds for disqualification. Participation in the exhibition of show animals at the TSF is a privilege extended to qualified exhibitors, not a right.

Drug Residue Avoidance

38. Drug Residue Avoidance Policy: It is the policy of the TSF to prevent the usage of illegal, unapproved or unethical drugs or any improper foreign substance in animals entered for exhibit at the TSF. The TSF reserves the right to limit or exclude the benefits of participation by any exhibitor determined by the TSF to be in violation of this policy. Without limiting the generality above, the TSF sets out the following rules and guidelines for exhibitors.

39. Drug Residue Certification Statement: As a condition of participation in the TSF, each animal exhibitor agrees that unapproved foreign substances have not been administered to their animals before or during the TSF.

40. Drug Residue Testing: TSF reserves the right to test any exhibition animal at its discretion. Testing may be performed by TSF Show Management, with or without the knowledge of the entrant. Further, TSF reserves the right to perform a post-mortem examination of any animal which dies at the TSF. If a post-mortem examination is ordered by the TSF, the expense of the post-mortem is to be paid by the exhibitor. By entering an animal to show at the Fair, the exhibitor is deemed to have consented to this rule and all testing procedures conducted by TSF. The TSF will pay for the first test. If protested, then the exhibitor will pay for the second test.

41. Drug Residue Testing Process: The TSF expects to delegate its sample collection, testing procedures and laboratory analysis procedures to reasonably qualified individuals, veterinarians and/or technicians. The conclusions reached by such person(s), as to whether an animal has been administered an unapproved foreign substance including, without limitation, diuretics, unapproved growth stimulants or other unapproved medications shall be final. By entering animals in the TSF, exhibitors agree that such conclusions are final and waive any recourse against the persons conducting any test or analysis and waive recourse against the TSF or anyone within Show Management.

42. Drug Residue Testing Recourse: The TSF reserves the right to adopt, in its discretion and on a case-by-case basis, if it so desires, appropriate sanctions for any violation of these rules. At minimum, any animal testing positive for an unapproved foreign substance will be disqualified and declared ineligible to receive awards, premium money, or sales proceeds. Further, the TSF may declare the exhibitor ineligible for further participation in the current TSF in which he or she is entered with other animals and in any or all future TSF events. In addition, the TSF may declare the same or greater ineligibility for members of the exhibitor's immediate family. Further, if the TSF has reasonable cause to believe that such violation was sanctioned, approved, or aided by a sponsor, fitter, advisor, or other person(s) associated with the individual the TSF may declare such person(s) ineligible for future participation.

43.  - a. Any exhibitor who shows unassisted may compete in this class.
 - b. Animal must be owned and entered by participant to show in this class.

11. Safety

- a. The purpose for the Pre-Junior steer classes is to offer the opportunity to young cattlemen and women to participate in cow shows despite their lack of age required to show in a Junior Show. In many cases, these young people have spent HOURS at the barn with their parents and siblings working “show calves”. To go to a show and not be allowed to participate can be boring and tiresome for those with less than developed attention spans. Although the rules and regulations have been set, safety is the most important factor in this event. We want these young agriculturalists to enjoy their showing days, from the beginning on up, so please, make sure the children and animals are prepared to participate. Animals can be unpredictable, but the more time the exhibitor spends with the animal prior to the show, the better you can expect it to cooperate when the surroundings change.

12. Animal Health

- a. Animals entered must be within the guidelines of the Livestock Health Requirements. Make sure your animal has all the required paperwork completed in order to enter and participate in the show.

13. Brand Inspections

- a. Brand inspections are required from areas within Brand Inspection Areas. Please check carefully the guidelines for each show, as they are similar but somewhat different.
