In such cases, the show management or such referee as it may appoint may make the final decision. Such cases may be sent to the Executive Board from whose decision there can be no appeal.

RULE 22: If any exhibitor or his representative interferes with the judges or shows disrespect to them, or the Fair, the management may withhold from the exhibitor any premiums that may have been awarded or take any other steps deemed desirable.

RULE 23: Judges may award a prize of such grade as any exhibit deserves where there are fewer entries in a class than the number of premiums offered.

Premiums:

RULE 24: The Executive Board reserves the right to pay printed premiums in relation to net earnings. Since premiums and all other expenses must be paid from receipts from the operation of the Exposition, this condition is made to put all exhibitors on due and legal notice.

RULE 25: Premiums (in specified departments) may be picked up at times listed in the premium catalog. Premiums not picked up and all others will be forwarded to exhibitors after close of show as they can properly be processed. All premiums not claimed within 90 days upon receipt shall be deemed forfeited to the management of donors. Premiums under \$1 will not be mailed.

FOREIGN SUBSTANCE PREVENTION AND RESIDUE AVOIDANCE PROGRAM

It is the policy of the Tri-State Fair & Rodeo to prevent the usage of illegal, unapproved or unethical drugs; growth stimulates or hormones; or any improper foreign substance in animals entered for exhibit at the Fair. The Fair reserves the right to limit or exclude the benefits of participation by any exhibitor determined by the Fair to be in violation of this policy. Without limiting the generality of the above, the Tri-State Fair & Rodeo sets out the following rules and guidelines for exhibitors:

1. Unapproved foreign substances shall be deemed to include, without limitation, any diuretic, growth stimulants or medication which is not approved by the Food and Drug Administration and/or the U.S. Department of Agriculture for slaughter animals, whether such substance is a commercial product or "homemade." If any substance has been administered by a licensed veterinarian that might cause problems with the foreign substance prevention policy, a written statement from the veterinarian giving the substance must be submitted to the Tri-State Fair & Rodeo office providing information on the substance given and the reason for administration. This statement must be presented to the division superintendent prior to the showing of any entry.

2. Tri-State Fair & Rodeo reserves the right to test any exhibition animal at its discretion. Testing may be performed by Tri-State Fair & Rodeo officials or its delegates, with or without the knowledge of the entrant. Testing may be performed on both a live animal and any carcass. Further, Tri-State Fair & Rodeo reserves the right to perform a post-mortem examination of any animal which dies at the Tri-State Fair & Rodeo. If a post-mortem examination is ordered by the Fair, the expense of the post-mortem is to be paid by the exhibitor. By entering an animal to show at the Fair, the exhibitor is deemed to have consented to this rule and all testing procedures conducted by Tri-State Fair & Rodeo. The Tri-State Fair & Rodeo will pay for the first test. If protested, then the exhibitor will pay for the second test.

3. The Tri-State Fair & Rodeo testing procedures shall be administered at a "zero tolerance" policy; in other words, test samples must be entirely free of unapproved foreign substances.

4. The Tri-State Fair & Rodeo expects to delegate its sample collection, testing procedures and laboratory analysis procedures to reasonably qualified individuals, veterinarians and technicians. The conclusions reached by such persons, as to whether an animal has been administered an unapproved foreign substance including, without limitation, diuretics, unapproved growth stimulants or other unapproved medications shall be final. By entering animals in the Tri-State Fair & Rodeo, exhibitors agree that such conclusions are final and waive any recourse against the persons conducting any test or analysis, and waive recourse against the Tri-State Fair & Rodeo or any of its officers or directors. Further, exhibitors agree that any testing procedures provided by the Tri-State Fair & Rodeo or conducted by Tri-State Fair & Rodeo are purely for its own purposes in order to administer the contests in question; and that exhibitors have not purchased or acquired, by virtue of their entry, any testing or analysis services; and exhibitors further agree that if they wish to obtain any test or analysis, they may obtain such additional tests or analysis at their own expense.

5. As a condition of participation in the Tri-State Fair & Rodeo, each animal exhibitor must submit to Fair management a **CERTIFICATION STATEMENT** that unapproved foreign substances have not been used. These forms must be signed by the exhibitor, the parent/legal guardian of the exhibitor and the AgriLife Extension Agent or the School Agricultural Science Teacher. No animal will be allowed to participate in the Fair until this form has been fully signed and submitted to Fair management.

6. The Tri-State Fair & Rodeo reserves the right to adopt, in its discretion and on a case-by-case basis, if it so desires, appropriate sanctions for any violation of these rules. At minimum, any animal testing positive for an unapproved foreign substance will be disqualified and declared ineligible to receive awards, premium money or sales proceeds. Further, the Fair may declare the exhibitor ineligible for further participation in the current Tri-State Fair & Rodeo in which he or she is entered with other animals and in any or all future Tri-State Fair & Rodeo events. In addition, the Fair may declare the same or greater ineligibility for members of the exhibitor's immediate family. Further, if the Fair has reasonable cause to believe that such violation was sanctioned, approved or aided by a sponsor, the Tri-State Fair & Rodeo may declare the sponsor ineligible for future participation.

7. If an entry is disqualified under this rule, no changes will be made in the placing of other animals.

8. By entering the Tri-State Fair & Rodeo, the exhibitor agrees that the Tri-State Fair & Rodeo may exchange information about the exhibitor with other shows and, further, may disclose, communicate or publish the results of any tests to officials of other exhibitions, to sponsoring county organizations of schools, to law enforcement officials and the press.
