DIVISION 200 – COMMUNITY / FEATURE BOOTHS

Class

- 1 Community or Chamber Booths
- 2 Feature Exhibit Booths

ALL BOOTHS WILL BE DISPLAYED INSIDE

1. Community Booths are limited to Chambers of Commerce, school groups, service organizations or other civic organizations to display the advantages and diversity of the community or area represented.
2. Feature Exhibit Booths should display a single agricultural product, process or procedure of the area represented in such a manner as to inform the public of the value, desirability and interest of the consumer, producer, and community most attractively to be found in the subject being featured.
3. Commodities entered for judging by residents of each community may be used as display materials after judging if available. **When displayed, the names on the exhibit tags of the commodities must be visible.**
4. The purpose of this exhibit is to promote and display agricultural products grown in Tulare County. All produce should represent the community and surrounding areas and should have a 3" x 5" label for identification and descriptions. Spent produce should be removed daily, and live plants need to be watered. **Indoor Supervisor will determine the amount of produce entered open judging that can be allotted for use in community booth. ONLY RESIDENTS OF COMMUNITY ENTRIES CAN BE USED IN BOOTH.**
5. **Allotted Booth Space for a community booth is 10' x 10'.** The booth will be fenced on all exposed sides. The fencing will be a minimum of 2 ½ feet tall and a maximum of 4 feet tall. The sides of the display may not block the view of other booths. The full space must be used.
6. **Allotted Booth Space for feature exhibit booth is 10' x 10'.** The booth will be fenced on all exposed sides. The fencing will be a minimum of 2 ½ feet tall and a maximum of 4 feet tall. The sides of the display may not block the view of other booths.
7. All electric cords must be plugged into a surge protector (power bar).
8. Each booth should use lighting to highlight the display.
9. No straw is allowed for fencing, may be used as part of the display.
10. Any material (signage, props, etc.) that needs overhead hanging, must be in place by Wednesday, **September 9**. Any use of a forklift or other fair equipment must be requested two (2) days in advance, by contacting Tulare Staff.
11. **All booths must be finished by 5:00pm on Saturday, September 9. All major construction must be completed by 5:00pm on Friday, September 8.**

12. Indoor space will be available for move-in from **Wednesday, September 6 - Saturday, September 9, 2023, between the hours of 10:00am - 6:00pm.** (Exhibit Supervisor may arrange other hours if needed).
13. Fencing/Backdrop and large props must be in place by **Thursday, September 7, by 10:00am.**
14. Baseboard must be around fence to keep floor covering in.
15. The fair will not provide risers for booths.
16. Indoor Supervisor will allocate booth space after the close of entries.
17. Each booth will be allotted two (2) passes per day to allow someone to be in the booth to start any mechanism or to replenish the display prior to the daily opening of the fair.
18. According to the Health and Safety Code of the State, it is unlawful to decorate booths with any flammable material unless treated by a flame-retardant chemical as defined in the Health and Safety code. There are many decoration materials on the market, including fabrics, crepe paper, cellophane, etc. that are manufactured from non-flammable materials and comply with the letter of the law. Booths will be dismantled if not flame retardant.
19. Exhibitors wishing to man their booth or display for education purposes need to make arrangement with Exhibit Supervisor/Fair Management for entry.
20. The Booths will not be available on Sunday, September 5 until completion of judging entries.
