# HOW TO BUY A STEER

This Sale Catalog lists each animal, its weight, its owner and his/her club or chapter. Simply select the animal you wish to bid on and wait for those lots to enter the sale ring. But first you must:

1. Register at the Buyer's Table and receive your Buyer's Number.
2. The auctioneer will ask for bids in dollars and cents per pound. The bidding will continue until the highest bid is reached. The highest bidder gets the animal. If you need help bidding, please ask one of the ring men for assistance. Whether or not you buy an animal, just by bidding you help the auctioneer in selling an animal.
3. After the auctioneer cries "SOLD" a runner will present you with a Sales Invoice for your signature and Disposition of the animal. Your choices of disposition are...
  - a) **CUSTOM** – the animal will be picked up and processed by the locker you designate. Please designate which locker plant you wish to cut and wrap your purchase on the Sales Invoice. A kill, cut and wrap fee will be charged by each individual locker. Please designate the locker of your choice.
  - b) **LIVE PICK-UP** – **(LIVE PICK-UP IS NOT AVAILABE FOR SUPREME OR RESERVE SUPREME)**. If you wish to take the animal home (live) mark this box on the Sales Invoice and include the drivers name who will be picking up. Animals will be released for your pick-up immediately after the sale on Saturday, September 17.
  - c) **RESALE** – If you wish to support the sale but are not interested in having the live animal or the meat, select this option. You will then pay the difference between your bid and the Resale Price of: beef \$1.33.

**Top Sale Weights:** Beef 1500 Lbs.

Payment is expected on day of sale; corporate buyers will be billed with payment due 10 days after receipt of invoice.

Make checks payable to: **Tulare County Fair**

**\*\*\*SLOW PAY POLICY:** Any individual or business having and outstanding balance for a Junior Livestock Purchase as of December 31<sup>st</sup> shall be barred from bidding or purchasing at subsequent Tulare County Fair Junior Livestock Auctions until the debt is satisfied in full and for a minimum of two consecutive years after the debt is satisfied (including NSF check charges and/or interest charges).
