

2022 Tulelake Butte Valley Fair

LOCAL RULES

ENTRIES AND EXHIBITS GENERAL RULES

1. The State Fire Marshal may check each booth and barn area in regard to a fire hazard. All material and decorations must be of a nonflammable material or treated and maintained with a flame-retarding product.
2. The owner or authorized agent(s) must present exhibits in person. Exhibits will not be accepted by mail. Please note the days and hours that exhibits will be received and judged in your division. Exhibits entered in the wrong class will be placed in the correct class by fair staff.
3. Checks for entry fees are to be made payable to the Tulelake-Butte Valley Fair. No refunds will be given on entry fees.
4. No soliciting, other than by authorized concessionaires and commercial exhibitors will be permitted on the grounds and then only from within the confines of their designated space.
5. No dogs, other than show dogs performing at the fair or fully trained service dogs will be allowed on the grounds.
6. The Fair Management reserves the right to limit the number of entries made by an exhibitor.
7. No entry will be accepted where an exhibitor prescribes conditions under which he/she will exhibit.
8. The Fair Management reserves the right to cancel any class, return entries, transfer entries or combine divisions or classes and/or cancel any division or class, in which, in its judgment, the entries are insufficient to secure adequate competition or in case of an emergency. In livestock, with the exception of group classes, three or more entries, by two or more exhibitors will constitute a class. The Livestock Superintendent and/or Judge has the right to break divisions into show classes based on the number of entries and divided by weight at their discretion. All eligible entry fees will be refunded.
9. Still exhibits will be released from 7 PM to 9 PM on Sunday, or Monday from 9 AM to 5 PM and after that only during regular business hours. No exhibits will be released without claim checks. Exhibits not claimed within 5 days of the close of the fair will become property of the fair.
10. Premium Checks: You must pick up your premium check in the fair office. The premium checks will be ready to be picked up on Sunday after 7:00pm. Checks not picked up prior to December of the current year will be voided and destroyed.
11. Possession, use and/or influence of alcoholic beverages and/or illegal drugs during the fair shall warrant forfeiture of premium money, eligibility for Jr. Livestock Auction and require immediate removal of project from the fair.
12. One of the most common reasons for disallowance of awards is the lack of signature authorizing the entries to be accepted. The signature is required on each entry form. No awards may be approved for any of the entries on an unsigned entry form.

AWARDS & PREMIUMS

13. Occasionally discrepancies arise between the color of the ribbon on the exhibit and the judges' placement sheet. If this occurs the judges' sheet with the judges' signature on it will take precedence.
14. Premiums: The 10-A District Agricultural Association has budgeted \$15,000 to pay the premiums in the fair. Premiums listed are subject to change. In the event that the total premiums won by the

exhibitors exceed this amount, they may be pro-rated to the exhibitors at the discretion of the Board of Directors with the approval of the Division of Fairs and Expositions. Checks must be cashed by December of the current year, after such date the premium check will be void.

RV CAMPING RULES

15. All persons wishing to stay on the fairgrounds must register with the fair office. Trailers will be assigned to a specific location and must stay in that space. Areas are to be kept clean and fire-hazard free. There will be no open flames. Those found in the campground area without a permit or not parked in the correct areas may be fined by fair management. Rules of the Tulelake-Butte Valley Fair must be obeyed as directed by the Fair Management. Any infraction of these rules will result in withholding of Premium Awards and removal from the grounds. Fair staff will be available to place trailers beginning on the Monday prior to the fair. If you need to bring in your RV earlier, please contact the fair staff to make those arrangements. All units must be in place by Wednesday a flat rate fee will be charged for each space for the duration of the fair and must be paid prior to parking the trailer.
16. There will be absolutely no camping in the livestock barns.
17. No grooming of animals in the RV park area.
18. Each club or chapter will be allowed to park one trailer, not longer than 24 feet in the RV Trailer parking area designated for feed and tack. The club or chapter will be responsible for the current dry camping flat rate for the week of fair.
19. No motorized vehicles will be allowed to park in the RV Camping area. If you must enter the fairgrounds, special permission and a permit must be obtained from fair management. NO EXCEPTIONS!

LIVESTOCK & AG MECHANICS DEPARTMENT RULES

EXHIBITOR/PROJECT RESIDENCY REQUIREMENTS

20. Only 10-A District residents who are members in good standing with 10-A District 4-H Clubs and FFA Chapters or are eligible Independent Exhibitors will be permitted to show and sell market animals at the Tulelake-Butte Valley Fair. A 10-A District resident is one who's primary residence is located in Tulelake or Butte Valley and maintains continued residency in Tulelake or Butte Valley for at least 6 months immediately preceding the fair. Exhibitors whose primary residence is not located in Tulelake or Butte Valley are not eligible to show and sell a market animal. A junior exhibitor's primary residence is the dwelling where they usually live. They may only have one primary residence at any given time. In the event of uncertainty or a special circumstance, the junior exhibitor's primary residential status will be determined on a case-by-case basis by the 10-A DAA Board of Directors. It is the responsibility of the Jr. Exhibitor to request a determination by the fair board of directors prior to purchasing any market animal and/or the ownership and entry deadlines.
21. An "Exemption" must be requested and approved by the 10-A DAA Board of Directors in the case of an unusual circumstance for a Jr. Exhibitor who is a non-10-A DAA resident and is attending a school in the Tulelake or Butte Valley school districts. Request must be made no later than March 1st. The exhibitor must approach the board with a signed letter from the School Superintendent and FFA or 4-H leader stating that the exhibitor is in good standings with the school district and club/organization. The final determination and approval of the exemption will be made by the board of directors.
22. All market animals must continuously and physically reside in the 10-A District from the time of purchase until exhibited at the fair. All market animals not residing in the 10-A District (Tulelake or Butte Valley) will be disqualified from showing and selling at the fair. All Ag Mechanics projects must be made with the supervision of a FFA advisor from Tulelake or Butte Valley High School.

23. An "Exemption" must be requested and approved by the 10-A DAA Board of Directors in the case of an unusual circumstance for a market animal that resides outside of the 10-A District. The final determination and approval of the exemption will be made by the board of directors.

JUNIOR EXHIBITOR MARKET LIVESTOCK OWNERSHIP & ENTRY REQUIREMENTS

24. Jr. Market Beef and Replacement Heifers must be owned 120 days prior to the "official" weigh in day, the day prior to fair opening; Jr. Market Sheep, Market Swine and Market Goats must be owned 60 days prior to the opening date of the fair; Jr. Market Rabbits and Market Poultry must be owned 30 days prior to the opening day of the fair.

32. All 4-H Primary Members must wear white pants and a white collared shirt without any other 4-H attire (ties, scarfs, caps) and closed in shoes/boots when exhibiting their animals in the Primary 4-H Divisions and participating at the awards ceremony. Any exhibitor not conforming to these qualifications will be disqualified from the class.

33. Primary 4-H Exhibitors may only enter small animals including poultry, rabbits and pygmy goats.

34. The American System of judging will be used in the placing of all Primary 4-H Divisions.

INDEPENDENT JUNIOR EXHIBITOR REQUIREMENTS – PLEASE SEE THE INDEPENDENT EXHIBITOR PACKET FOR ADDITIONAL RULES AND INFORMATION

35. Independent Exhibitors must be at least 9 years old or in the 4th grade by January 1 of the current year. Exhibitors are eligible to compete/exhibit through December 31 of the year in which they turn 19 years of age.

36. All Independent Exhibitors must wear white pants, a white collared shirt and closed in shoes/boots when showing and selling their animals in Junior Divisions and participating at the awards ceremony. Any exhibitor not conforming to these qualifications will be disqualified from the class and /or auction.

OUT OF STATE EXHIBITOR REQUIREMENTS

37. All out-of-state Jr. Exhibitors must show in white pants, a white collared shirt and closed in shoes/boots when showing their animals in Showmanship Divisions, Jr. Breeding Divisions and while participating at the awards ceremony. Any exhibitor not conforming to these qualifications will be disqualified from the class.

38. Cattle, sheep and goats entering the State of California require an official Certificate of Veterinary Inspection, individual identification and a California entry permit issued by CDFA.

RECEIVING OF LIVESTOCK

39. Livestock must be received within the allotted time periods for that specific specie. Refer to schedule of events for receiving dates and times.

40. Vet Check Requirement: All livestock will be checked by the official fair veterinarian after arrival.

41. No animal shall remain on the fairgrounds that show any evidence of any communicable disease or unsightly condition. This may include, but is not limited to ringworm, club lamb fungus, contagious ecthyma, prolapse or open wounds.

42. All livestock must be penned according to the space allocated by the Fair Management. Animals are not to be transferred without prior approval by fair management.

43. Registration Papers for all breeding animals must be checked in at the Livestock office at least 12 hours prior to the show.

RELEASE OF LIVESTOCK

44. All livestock including small animals will be released from 7 to 8 PM Sunday evening. Management will assign a staggered release order. All Exhibitors must have a signed release form to be admitted in the gate to load out. The fair will not be responsible for any animals left after that time. ONLY animals sold through the auction will be released prior to 7:00 PM. ANY violation of this rule will result in loss of premium money to exhibitor.

MARKET ANIMAL WEIGH-IN / SCALE POLICY

45. All market animal species will be required to weigh within the minimum and maximum weight limits for that given species. If the animal does not meet the minimum weight requirement it will NOT be eligible for the Junior Livestock Auction and will be automatically entered into a Non-Market Light Weight Class for showing purposes only. If the animal exceeds the maximum weight limit it will NOT be eligible for the Junior Livestock Auction and will be automatically entered into a Non-Market Heavy Weight Class for showing purposes only. The exhibitor may use the animal to show in showmanship, but the animal will not be eligible for the market class competition and Junior Livestock Auction.

The weight limits for each species are as follows:

- a. Market Steers: 1050 lbs. to 1500 lbs.
- b. Market Lambs: 105 lbs. to 160 lbs.

- c. Market Goats: 65 lbs. to 110 lbs.
- d. Market Swine: 220 lbs. to 285 lbs.
- e. Pen of 3 Meat Rabbits: 3 lbs to 5 lbs./each
- f. Pen of 2 Meat Poultry: 3 lbs to 6 lbs./each
- g. Turkey Meat Pen: One Turkey - 14 to 38 lbs.

46. Weighing of animals for classification will be done on Wednesday the week of fair. Refer to the schedule of events for specific weigh-in times. The official weigh-in will include 45-minute time allotments per specie. The TBVF weigh-master reserves the right to start the weigh-in of the next scheduled specie earlier than the scheduled time at the conclusion of the prior species weigh-in. (Market Sheep and Market Goats will be grouped together in one 45 minute time allotment)

47. If there is a protest of weight, the owner must verbally protest the weight to the weigh master while the animal is exiting the scale. The animal must stay within 5 feet of the scale and remain inside the panels surrounding the scale. The scale will be re-balanced and the animal immediately re-weighed. This weight will then be the final and official weight and the one assigned to that animal. If for any reason the animal exits the panels surrounding the scale before the re-weight, the initial weight of the animal prior to the protest will be the official weight recorded.

48. There are to be no private scales on the grounds.

49. No wet, blanketed or muddy animals will be allowed to be weighed.

50. Market Lambs must not have more than $\frac{1}{4}$ " stretched fleece on any part of the body to be eligible for weigh-in. Leg wool of any length is acceptable. Leg wool shall be defined as wool starting at the top of the hock joint and down to the pasterns.

51. Any market animal failing to meet minimum or maximum weight requirements will be automatically entered into the Non-Market Light or Heavy weight class. Animals who do not weigh within the minimum and maximum weight limits will not be allowed to sell in the Jr. Livestock Auction.

52. 10-A Jr. exhibitors are allowed to utilize the fair scales for weight management purposes until the annual scale certification has been completed, which is scheduled in late August each year. In order to use the fair scales, the exhibitor will be required to bring the animal to the fairgrounds and be weighed by a fair staff official. Call the fair office to schedule an appointment. Animals will not be weighed without a confirmed scheduled appointment. The exhibitor will be responsible for cleaning any manure disposed of around the scale area prior to leaving.

EXHIBITING MULTIPLE MARKET ANIMAL SPECIES

53. 10-A District Jr. Exhibitors have the option to enter more than one species of market animals and Agriculture Mechanics Projects at the fair. In the case that the exhibitor is awarded Grand Champion with the first market specie shown, the remaining species of market animals that have yet to be shown are not eligible to be shown in their respective market class. The exhibitor is required to show all entered market animal species in that specie showmanship class. In the case that all species entered are not shown in their respective showmanship class, the exhibitor is not eligible to sell any of the species in the Jr. Livestock Auction. If the exhibitor is not awarded a Grand Champion, the exhibitor must declare which animal will be sold in the Jr. Livestock Auction by no later than Saturday at 2:00 p.m. All Grand Champions must sell. Exhibitor may only sell one qualifying market animal and one qualifying Agriculture Mechanics Project in the Jr. Livestock Auction.

CLUB/CHAPTER REPLACEMENT MARKET ANIMAL POLICY

54. Each club/chapter may pre-weigh in up to 2 replacement market animals of each species to be used as a replacement animal in the case of an "insurable death." The replacement animal(s) must be

entered, ear-tagged and weighed during the fair's official pre-weigh in. The replacement animal's ear-tag will be a different color. A "replacement animal" is not eligible to compete in any champion/reserve champion classes. The exhibitor is required to use a replacement animal of the same species that he/she entered at pre-weigh in. Fair staff must be notified IMMEDIATELY upon the death of a market animal by either the exhibitor or leader. Anyone reporting a deceased animal must speak directly to a fair office staff member or livestock office manager, no "messages." It is the exhibitor's responsibility to report the death of a market animal directly to fair staff. Fair staff must be able to verify that the animal is deceased and is an "insurable death." It will be at the discretion of the 4-H/FFA Leader of which exhibitors are allowed to utilize the Club/Chapter substitute animals.

FAMILY REPLACEMENT MARKET ANIMAL POLICY

55. Definition of "family." A family replacement animal can only be used by an immediate family member by marriage, birth or adoption. The family replacement animal must be entered, ear-tagged and weighed during the fair's official pre-weigh in.

DAILY CARE, GROOMING & SHOW PREPARATION

56. While on the fairgrounds during the duration of the fair, only Jr. Livestock Exhibitors entered and showing at the Tulalake-Butte Valley Fair are allowed to prepare, groom, and care for the animals. Others can advise through verbal communication only. A statement signed by two advisors, leaders and/or fair management staff filed in the Livestock Office stating specifically that violations have been observed will automatically hold up cash awards and may cause the member and/or the animals to be disqualified from all awards and ribbons, further competitions, and/or the removal from the Auction and/or Fairgrounds. Adults or non-exhibitors are not allowed to groom or, in any way, care for animals of junior exhibitors. Adults may assist exhibitors when moving cattle to the clipping chute, wash rack, tie out area and sale ring, exhibitor must hold the animal's halter while being assisted by the adult.

HUMANE TREATMENT OF LIVESTOCK

57. Unethical fitting is not permitted. Examples of unethical fitting practices include, but are not limited to: addition of hair or hair like substances, including false tail-heads and polls; cutting, tearing or gluing of hide or removal of tissue to alter the shape of the animal; any attempt to alter the normal dental development of an animal; injection of any solid or liquid under the hide to alter the normal conformation; use of steroids or growth hormones and the act of filling animals by stomach pumping. Abuse of any animals in any form will not be allowed and will result in immediate disqualification with no recourse.

58. To further expand State Rule X.1 any exhibitor found guilty of any form of mistreatment or cruelty to livestock such as force feeding, muzzling or tying animals while in pens to restrict them from feed or water, etc., will forfeit any and all premiums and privileges.

59. As a condition for participation in the Tulalake-Butte Valley Fair, every exhibitor must agree to submit any animal entered to blood, urine and tissue analysis by the Fair or appointed agent. Sale prices and/or premiums will be withheld pending test results.

60. The use of any drug or medication on market animals will have to follow manufacturer specifications or veterinary instructions for withdrawal and dosage for slaughter. Name of drug, dosage and date given shall be presented to the Livestock Superintendent on a "Drug Administration Form" available in the Livestock Office.

DAILY LIVESTOCK MANAGEMENT

61. Feed Times: In the interest of fly control, sanitation & appearance, feeding hours for all livestock will be from 4:00 to 8:00 a.m. and 4:00 to 8:00 p.m. The show schedule may alter the feed times earlier and later for some species.

62. The Fair will furnish wood chips for beef and wood shavings for sheep, swine and goats. Additional wood chip bedding will be available from a designated site in the livestock area. Exhibitors will be expected to furnish additional bedding as needed to present animals in a clean environment.

63. Exhibitors are expected to properly water, feed and bed all animals during the duration of the fair. Including after the Rotary Jr. Livestock Auction. All pens and stalls must be maintained in a sanitary condition.

Noncompliance with this rule will result in the following;

- a. First noncompliance – Warning
- b. Second Non-compliance – Elimination from the fair and loss of all premium and auction privileges.

64. Each space used by each exhibitor must be kept clean and its general appearance must be neat at all times. The aisles in all barns are to be clear of grain, hay, manure and bedding. All stalls and pens, junior and senior, must be cleaned by 9:00 AM each day. All Junior Livestock Exhibitors must have a stall card on their pens identifying themselves, their animals and their club or chapter.

65. Cattle will be required to have a double tie at all times. One tie should be around the neck. Failure to observe this rule will result in the loss of premium money.

66. All cattle are to be halter broke-to-lead. Runaway cattle are subject to removal from the fairgrounds.

67. Cattle will be only allowed to be tied out in an area designated by the livestock superintendent. Tying cattle in a non-designated area will result in the following:

- a. First noncompliance – Warning
- b. Second Non-compliance – Elimination from the fair and loss of all premium and auction privileges.

68. All bulls over the age of 12 months must have a nose lead or the animal will be removed from the grounds.

69. All livestock are to be washed inside of wash racks only. Anyone found not complying and creating a water and mud nuisance will be expelled from the grounds.

70. No "For Sale" signs are to be put on stalls or pens until after the auction.

71. All livestock exhibitors are responsible for cleaning their work area after clipping their animal. This includes all wool and hair that has been clipped off the animal. Any violation of this rule will result in immediate disqualification of the exhibitor.

72. Exhibitors will make animals available for any special contests or publicity as requested by Fair staff.

73. Extension cords used to distribute power to any electrical apparatus such as fans, etc. shall be rated 15 amps minimum and contain a ground wire. Cords not meeting these requirements shall be confiscated for the duration of the fair.

SHOW RING RULES

74. No one, with the exception of the judge, exhibitors, fair volunteers and fair employees will be allowed in the Show Ring during judging. Violation of this rule may cause disqualification of the exhibitor and forfeiture of any premiums.

75. Juniors, who for extraordinary reasons cannot show their own animals, must make arrangements for their care and showing that are acceptable to the Fair Management or premiums may be withheld. Only junior exhibitors who are eligible to show in the Junior Department may show the animal of the absent exhibitor.

76. It will be the responsibility of the exhibitor to see that the clerk records your animal number and judge's placing before leaving the ring or you may not be eligible to sell at the auction.

77. There will be no gate holds for livestock shows.

JR. LIVESTOCK & AGRICULTURE MECHANICS AUCTION

78. Each exhibitor will be allowed to sell only one animal and one Agriculture Mechanics Project at the Auction. All animals going through the Sale (including rabbits and poultry) must be harvested within 10 days of the sale. In order to sell at the auction, animals and Ag Mechanics Projects must meet the following requirements:

a. Placing: All animals or ag mechanics projects must have been awarded a blue or red ribbon (market ready) in market class. All market livestock or ag mechanics projects receiving a "not market ready" (white ribbon) classification in a market class are not eligible for auction.

b. Medication Certificate: Jr. Livestock Sale Medication Certificate must be completed no later than 2pm, Saturday of the fair and presented to Livestock Office.

c. ALL exhibitors must notify the Livestock Office in writing which animal will be sold by 2pm on Saturday of the fair. If the Livestock Office has not received notification in writing of which animal will be sold, the higher placing entry will be listed. If more than one animal received the same placing, the heaviest weight animal will be listed. Changes will not be accepted after 2pm, Saturday.

d. Grand Champions: beef, sheep, swine, rabbits, goats and meat poultry must sell.

e. Auction Pictures: All exhibitors are required to get their picture taken by the official fair photographer in front of the official fair back drop in their official show uniform with the market animal that is designated to be sold in the auction. If they are showing more than one market animal have not designated the animal that will be sold at auction at the scheduled time of the official photos, then photos must be taken with both animals.

f. Shown/Sell: Animals or Agriculture Mechanics Projects to be sold must be shown and sold by the member as an entry in the 10-A District Agricultural Association Fair and meet the weight requirements prescribed in the market animal classes listed in the Exhibitor Handbook. A representative may show for the owner if two animals are entered in the fair and may show and sell if the member is attending an out of county 4-H or FFA function or has a doctor's excuse, illness or hospitalization or family bereavement absence or is approved by the fair board of directors. All fair rules apply to all entries of the auction.

g. Carcass replacement will take place as follows: All Species: Any carcass that is condemned for whatever reason is subject to replacement by the seller. The rotary auction committee will arrange for the replacement carcass, sell the meat from the below-grade carcass, and apply the proceeds toward the price of the replacement carcass. The difference between the cost of the replacement carcass and the sale of the below-grade carcass meat will be deducted from the seller's check.

h. The sales order for the auction will be made as follows: The judge will determine the sale order for market animals and Agricultural Mechanics Projects from among the eligible exhibits in each division from beef, sheep, poultry, swine, rabbits, goats and ag mechanics

i. Processing: All beef, sheep, meat goats and swine will be slaughtered at the plants designated by the Tulelake Rotary Club. None will be held at the fairgrounds for personal slaughter or shipped to

another plant. Rabbit and Poultry sellers will be responsible for butchering, dressing and delivering the product to buyers within 10 days of the sale.

j. Deductions: Certain deductions will be made from the income of sale animals in order to defray expenses of the sale. For all species, 8% is deducted and 4% goes to the Tulalake Rotary Club Junior Livestock Auction Account and 4% goes back to the fair for operations. The deductions are used to pay for the livestock department and auction expenses, transportation fees and scholarship funds.

k. The auction will be conducted in a business-like manner. The auctioneer will determine the sales price and only bona fide bids will be accepted.

l. Buyers: To be eligible to participate in the Junior Livestock Auction as a buyer, there must be no outstanding auction debt from any previous years. A draft auction sales list shall be posted on the Livestock Office Sunday morning.

m. Any Junior Exhibitor not conducting himself/herself to acceptable standards of behavior will not be allowed to sell at the Jr. Livestock Auction.

RED TAG POLICY

79. To ensure that livestock exhibited at the Tulalake-Butte Valley Fair are cared for and treated in a humane and ethical manner, and that livestock pens/stalls are suitable for public display the Livestock exhibitors are solely responsible for the care of their animals while on exhibit at the Tulalake-Butte Valley Fair. If the Livestock Superintendent becomes aware of any livestock exhibit that is not being cared for in an ethical, humane manner, or situations where an acceptable state of pen cleanliness, as determined by the livestock superintendent, is not being maintained, the following will occur:

a. The Livestock Superintendent will determine the responsible exhibitor.

b. A Red Tag, with the following information, will be affixed to the exhibitors pen/stall with the exhibitor's name, observed problem, date and time of the citation, Signed by Livestock Superintendent

c. It is the exhibitor's responsibility to respond to the Red Tag by contacting the Livestock Superintendent within 12 hours of the citation being issued. The exhibitor will formulate and initiate a plan of correction approved by the Livestock Superintendent. Reasonable efforts will be made by the Livestock Superintendent to contact the exhibitor's FFA advisor, 4-H Leader, Parent or Designee and advise them of the situation resulting in the Red Tag citation.

d. Any exhibitor failing to make contact with the Livestock Superintendent within 12 hours may be issued an automatic second Red Tag citation.

e. Any exhibitor receiving two Red Tag citations during the Fair will be declared ineligible for further competition, including participation in the Junior Livestock Auction. The exhibitor will forfeit all fair premiums and awards earned and are required to remove the animal exhibit from the fairgrounds.

f. Any exhibitor that is required, under the provisions of the Red Tag Policy, to remove their animal entry from the fairgrounds, must do so within 12 hours from the time of notification.
