

## Oklahoma State Fiddle Contest

Entry Deadline: September 22, 2023

Contest: Saturday, September 30, 2023, 10am – 4pm – SageNet Center Lower Level Stage

### General Rules for Fiddle Contest

1. **Contestants need not reside in Oklahoma.** All contestants are eligible.
2. Decisions of the judges and scoring table are final.
3. In case of rule infractions for which penalties are not specified, or for situations not foreseen by these rules, the judges and scoring table will determine an appropriate penalty ranging from none up to disqualification.
4. Only acoustic, non-amplified stringed instruments may be played.
5. Contestants may not use electronic pickups or contact microphones.
6. Entries must be completed online. To be guaranteed entry into the fair, entries must be submitted by September 22, 2023. You will incur a \$10 late fee after this date. Signups for each contest division will close 30 minutes prior to published start for that division. Drawing of numbers for playing order will take place 15 minutes prior to the published time for that division. Once drawing occurs, the division is closed.
7. **Judges are sequestered.**
8. Relatives of judges may not compete.
9. Contestants draw for order of appearance prior to each round.
10. Contestants may not trade playing positions.
11. Contestants may not register to compete once the drawing for playing position has started.
12. Contestants who are unready to play when called, at the judges' discretion, receive zero points for that round.
13. Contestants are allowed only one instrument on stage.
14. Contestants may not repeat a song.
15. Contestants may not play a medley.
16. Contestants may not speak (or cough or laugh) near the microphone. A contestant who does so will, at the judges' discretion, receive zero points for that round.

17. The scoring table is responsible for enforcing time limits. There is no penalty for the first 10 seconds over the time limit. Thereafter, five points will be deducted for each 10 seconds over the time limit.

18. In case of a broken string, slipped peg, fallen bridge or other instrument malfunctions, a contestant will have five minutes without penalty to recover and restart the song.

19. In the event of a tie, a one-song playoff will take place.

20. Protest notification forms will be available at the scoring table. Protests should be filed proactively -- as soon as a rule violation happens, not later when it appears that the scoring table or judges didn't notice the violation.

21. Judges' score sheets will be put immediately into a binder that must remain at the scoring table for public view.

### Fiddle Rules

1. Contestants must play in their age division, based on their age on Sept. 30, 2023. However, any fiddler may elect to compete in the Championship (Open) division instead of (NOT in addition to) his age division.

2. The Oklahoma State Champion (Open) division is a two-round contest. The five highest-scoring contestants from Round One will compete in Round Two. The scores from Round One are added to those from Round Two to determine the finalists' finishing order.

3. All other fiddle divisions are one-round contests.

4. In each round a contestant must play, in this order, a hoedown (including breakdown, hornpipe, or reel), a waltz, and something else besides a hoedown or waltz: (blues, jig, rag, polka, Schottische, swing, etc.)

5. Cross-tuning is not allowed.

**6. These songs are not allowed: *Listen to the Mockingbird, Orange Blossom Special, and Black Mountain Rag.***

7. Judges may limit the number of songs in a round if necessary to maintain the schedule.

8. Time limit for a round is **six minutes** for all divisions except Championship (Open), which has a limit of **seven minutes**.

9. Each song has a potential score of 100 points. Points will be awarded for rhythm, timing, tone and intonation; authenticity, taste, expression, and execution. A perfect score from all three judges would result in 900 points for a contestant.

10. Contestants may have up to **three accompanists**. The only acceptable backup instruments are acoustic guitar, acoustic tenor guitar and acoustic bass.

### Age Divisions

PeeWee: 8 & Under

Youth: Ages 9 -14

Junior: Ages 15-18

State Championship: Open to all ages
