- 4. Ownership:** All entries must have been owned, cared for daily and fed by the exhibitor beginning July 1.
- 5. Registration Papers:** All purebred gilts must have registration papers. Registration papers must be transferred into the name of the exhibitor by the respective breed association by the day of the show. Joint ownership with siblings only is permitted as long as the gilt is entered and exhibited solely in the name of one individual junior exhibitor and that exhibitor is one of the siblings listed on the registration paper issued by the breed association. Gilts with a farm, ranch, or non-sibling owner name listed as the owner will NOT be allowed to compete. Registration papers that are signed on the back by the respective breeder, but not officially transferred into the exhibitors name by the breed association, will not be accepted. No pending papers. Registration papers will be checked when the exhibitor checks in for the class. **Exhibitors must have original registration papers.**
- 6. Show Limit:** There is no limit on the number of gilts an exhibitor may enter. However, each exhibitor can only show a total of three (3) gilts, regardless of the number of head entered. Any one animal may not enter or show in two different breeds.

- 8. Dark and Light Commercial Gilts:**
 - Breed, (Dark Commercial or Light Commercial), must be declared when submitting weight online by 4pm, Saturday, September 30. All Dark and Light Commercial Gilts will be subject to classification during the breed show by a three-member classifying committee. The decision of the classifying committee will be final and not subject to protest. See breed classification standards.
 - Commercial gilts will be shown by weight.
 - There will be no official weigh-in of Dark or Light Commercial Gilts. Complementary scales will be available.

- d. Each exhibitor will be responsible for declaring his/her animal's weight online by 4 pm, Saturday, September 30. This weight will be declared class weight. Show weight will range from 230 to 375 pounds.
- e. Complimentary scales in the Explorer Barn will be provided for weighing. Scales will be calibrated by show officials daily. Weighing on the official scales in the show ring will not be permitted.
- f. The show officials will weigh Dark and Light Commercial Gilts prior to entering the main show ring. Any gilt which weighs more than ten pounds over the weight declared at check in will be disqualified. Any gilt weighing less than 230 pounds on the day they show will be disqualified from the show.
9. **Purebred Gilts:** Purebred gilts will be shown by age. Each exhibitor will be responsible for declaring his/her animal's age and providing the birthdate online by 6 pm, Friday, September 29. This birthdate will be declared for class breaks. Purebred classes will be broken by age by the Swine Committee. No gilts farrowed before January 1, 2023 or after April 30, 2023 will be allowed to show.
10. **Other Purebred Breed:** All breeds listed will have a breed show. If a breed has less than 20 gilts that check in at the show or other registered gilts whose breed is not listed per the exhibitor handbook will compete in the OPB. The OPB division must have 20 or more check in AND show to be eligible to participate in the Supreme Purebred Gilt Drive and sale order lineup.

15. **Restraint:** No gilt will be permitted to be restrained with a nose snare.
16. **Injured Animal:** When the judge determines that an animal can no longer compete without endangering itself, said animal will be disqualified, and the next highest placing animal in that class or preliminary sale order will be brought in to replace the injured animal.
17. **Washing Animals:** All animals must be washed in a designated wash rack. No washing outside of barn.
18. **Stalling:** Pens will be pre-assigned by the designated Superintendent by FFA Chapter and 4-H County in 5' x 10' horse stalls. No pens will be permitted to be built outside of barn.
