All participants may have a parental, sibling, or other participant accompaniment in the show ring. Participants are to handle the majority of the showing, and use of the show stick. Animals who are over the height restrictions will show in a separate out of show class and will not be eligible for prizes and premiums. The measurement will be to the best of the ability of the staff in charge of this task. Any discrepancy is subject to re-measurement, the final decision is that of the Show Management.
- 8. Heifer Age Requirement:** Heifers must be born on or after September 1, 2021, but not later than May 1, 2022.

All steers must check in with registration papers 11am to 12 pm. Weight recorded at the time of check in will be the official weight & height of the animal. Classes will be established after all steers are weighed. Heifer classes will be broken by date of birth. Heifers check in with registration papers 11am to 12 pm.
- 10. Safety:** The purpose of the Pre-Junior classes is to offer the opportunity to young cattlemen and women to participate in shows despite their lack of age required to show in a Junior Show. Safety is the most important factor in this event. We want these young agriculturists to enjoy their showing days, from the beginning on up, so please, make sure the children and animals are prepared to participate. Animals can be unpredictable, but the more time the exhibitor spends with the animal prior to the show, the better you can expect it to cooperate when the surroundings change. All animals in this division MUST be completely broke to lead for the safety of the exhibitors and others in the show ring. Animals deemed not broke will be removed from the show and disqualified from the competition.
