# Space

Our state-of-the-art facility will be the perfect fit for your special day, whether you have 40 people or 400! We are able to house both the wedding & reception if you like, or just the reception!

# Event Managers

One of our experienced Event Managers will be by your side, helping make sure all the details are taken care of for your special day. We'll help with items such as timelines to catering to setting up and will be there until the last guest leaves. And you can leave the clean-up to us!

# Catering

Our award-winning chefs have put together menu options to satisfy any crowd, and can accommodate special requests. From mouth-watering appetizers to filling entree's and decadent desserts, your guests will rave about the food afterwards!

View our Menu by Scanning this QR Code:

# Bar

Our talented bar staff will keep your guests in great spirits!

You have the option to have a hosted bar, a cash bar, or anywhere in-between.

We only serve quality beverages and have several premium brand liquor & wines available, along with many choices for kegs of beer if that's more to your liking!
