

PROUDLY MANAGED BY

WELCOME to our September 2023 Newsletter!

Autumn has arrived in Southwest Kansas! We've all seen the meme about the temperature dropping from 90 to 55 like it had seen a highway trooper and that definitely describes Kansas the last couple weeks! September marks the start of the "busy season" for our Arena and Conference Center so keep your eyes out for new event announcements to come!

We want to keep our subscribers informed of everything associated with the United Wireless Arena and the Boot Hill Casino & Resort Conference Center, so keep a lookout for a monthly newsletter from us, with insights to our buildings, upcoming events, videos, and fun facts thrown in! As always, information about upcoming events and our calendar are posted on our website at www.UnitedWirelessArena.com and you can call us with any questions at (620)371-7390.

UWA Hosts Local K-9 Training

United Wireless Arena had some very special guests on September 13th, in cooperation with local law enforcement. Nine K-9 Units from Clark Co., Kiowa Co., Barton Co., Pawnee Co., Hamilton Co., and Guymon and Hooker, Oklahoma came to Dodge City for a full day of training including narcotics searching, apprehension, and search & recover tactics.

United Wireless Arena, managed by VenuWorks, is always looking to support local law enforcement and first responders and offering the facility for training purposes is one way to accomplish that. This also helps for local LEO's to understand the building and be prepared for a worst-case scenario, such as an active-shooter incident. United Wireless Arena holds the safety of their patrons, performers, and employees at the

forefront of events and working closely with law enforcement ensures that safety.

Kiowa County K-9 "Ricky Bobby" smiled for the camera between training sessions.

CLEAR BAG POLICY

| APPROVED BAGS | PROHIBITED BAGS | | |
|--|---|--|---|
|  <p>Clear Plastic Bag (No larger than 14" x 6" x 14")</p> |  <p>Purse</p> |  <p>Backpack</p> |  <p>Drawstring Bag</p> |
|  <p>Clutch With or Without Shoulder Strap (No larger than 5" x 8")</p> |  <p>Diaper Bag</p> |  <p>Grocery Bag</p> |  <p>Oversized Tote</p> |
|  <p>One Gallon Plastic Freezer Bag</p> |  <p>Patterned Plastic Bag</p> |  <p>Fanny Pack</p> |  <p>Mesh Bag</p> |

More and more artists are requesting heightened security policies and clear bags are one of the most requested (and easiest to implement) standards. The vast majority of large venues and arenas across the state and beyond have already transitioned to a clear bag policy and United Wireless Arena is planning to follow suit. "The clear bags will speed up the security screening process and allow patrons to get to the fun faster," explained Chris Ragland, Executive Director of United Wireless Arena.

Approved bags would be clear, plastic and up to 14" x 14" x 6" deep. Regular (non-clear) clutch purses or wallets no larger than 5" x 8" will also be allowed. In lieu of a clear bag, patrons are allowed to use a gallon-size clear plastic bag. More details on allowed bags and Frequently Asked Questions can be found on the United Wireless Arena's website here: [Clear Bag Policy FAQ's](#)

ADDITIONAL INFORMATION

All bags are subject to visual inspection before entering the facility.

Please refer to unitedwirelessarena.com under **PLAN YOUR VISIT** for more details regarding our Clear Bag Policy.

Bag policies are subject to change on an event-by-event basis. Please visit the event page on our website for bag policy updates.

While a date has not been set yet for enforcing the clear bag policy, we wanted our fans to be aware of upcoming changes. The clear bag policy will be implemented gradually and subject to change on an event-by-event

basis. The individual event page on the United Wireless Arena's website will have details and updates on bag policy. United Wireless Arena does have some large clear plastic totes for sale in the Ticket Office for \$5 each and are large enough to hold all the essentials even a diaper bag would need.

Join the UWA Team!

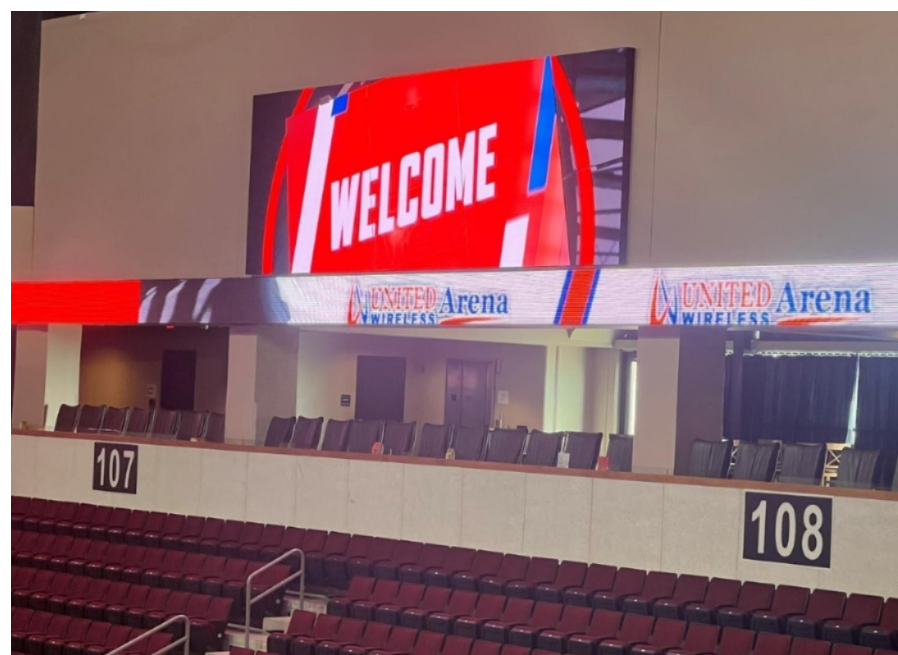

Our busy season is here and we are ready to hire! We are looking for **one FULL-TIME and one part-time Operations/Change Over crew members** ASAP! Multiple part-time, flexible hour positions are available in our **Food & Beverage/Catering** department on the Arena side and in the Conference Center and we are also looking for **Event Staff**, including ushers and stagehands. All positions have competitive starting wages and most jobs have little to no experience required! These are great for a second job, after-school hours, or during the day while the kids are at school! Fill out the application on our website! [Click here](#)

New Ribbonboard and LED Boards Installed and Running!

After almost a year of planning and months of installation, the new ribbon board and LED boards inside the Arena are finally up and running! The new system is through Daktronics, a company recognized worldwide as the leading designer and manufacturer of electronic scoreboards, programmable display systems and large screen video displays. From the simplest high school scoreboard to the largest NFL stadium dynamic video display – and from the message board at your local convenience store to the huge spectaculars in Times Square, Las Vegas and Dubai, Daktronics is indisputably the leader in display technology.

The new screens inside United Wireless Arena are top of the line, with more pixels per foot for clearer, high definition imagery and the upgraded technology allows UWA staff to run announcements and advertisements simultaneously on the ribbon and big screens during events and the new larger display on the North end can be split into several displays, which comes in handy during sporting events. The operating system is also user-friendly, allowing UWA to upload and run graphics in-house offering a quick turnaround time for editing and adding new content.
