Rules and Regulations

1. A maximum of 20 animals may be exhibited by any one exhibitor. An exhibitor is defined as members of the same family or farm operation.
2. After using the wash rack, exhibitors must clean the area. Animals may not be tied and left unattended in the wash racks. Please be courteous and allow others access as needed.
3. Any hose or equipment connected to the wash rack water supply must be equipped with a functional shut-off nozzle.
4. A minimum of 15 head of sheep, owned by at least two exhibitors from different families or farm operations, is required to constitute competition within a breed.

Failure to meet this requirement for two consecutive years may result in the elimination of that breed as a separate class.

5. *All Other Recognized Breeds*: If there is insufficient competition within a breed, animals may be grouped into an “All Other Recognized Breeds” class.
6. All animals must be registered with their respective national breed association or be eligible for registration according to that association’s age requirements.
7. All animals must have proper individual identification. This includes, but is not limited to, registration numbers, tattoos, brands, or other identification that corresponds with official records. Identification must be clearly legible and match entry information.
8. All out-of-state animals must be accompanied by an official health certificate from an accredited veterinarian that certifies the animal exhibits are free of communicable diseases. Official health certificates must be presented to the barn supervisor at time of check-ins.
9. The use of straw is prohibited on the Fairpark. Wood shavings will be provided for initial bedding.
10. All animals must be owned by the exhibitor of whom the animal was entered under. An exhibitor may assign a representative to show his or her animal, but the animal must be entered in the name of the owner.
11. All decisions rendered by the official judge(s) are final, binding, and not subject to review or appeal.
12. Each exhibitor has absolute responsibility for the care and condition of the animal(s) they enter and bring to the Fair. The Utah State Fair and its staff shall not be held liable for any injury, illness, loss, or death of livestock while on Fairpark property.
13. Exhibitors are required to read and abide by the General Rules and Livestock General Rules and Regulations.

Special Rules

1. All sheep, including young animals in purebred classes must be registered in the flock books of their respective breeds and must have an ear-tag before entering the ring. The ear-tag number must, therefore, form a part of the entry. All animals must have an ear-tag clamped in the ear or have a legible tattoo.
2. To avoid over-crowding, while encouraging more entries, entries will be limited to one flock (16 head) per breed, per handler.
3. Lamb lots must have lambs’ teeth to be eligible.
4. 4-H & FFA Breeding Sheep Exhibitors staying for the Open Show need to clean out their pens after 9 pm on Saturday, Sept 10th for re-bedding.

- Meat breeds (including but not limited to Suffolk, Hampshire, Dorset, Shropshire and Southdown) will be shown slick shorn. Animals must have been completely shorn within two weeks of the show, with no more than 1/4" wool at showtime.
