The name “Nederlander” has been synonymous with great entertainment since 1912. A show business dynasty began when David T. Nederlander, a smart young businessman living in Detroit Michigan, purchased a 99-year lease on the Detroit Opera House. In 1964, his son James M. Nederlander came to New York City and purchased the Palace Theatre on Broadway. His hard work, pioneering spirit and vision enabled him to build one of the largest privately held live entertainment companies in the world, including theaters in 32 cities across the United States and theaters in London.

Nederlander National Markets, a Nederlander Presentation based in Chicago, is one of the largest presenters of Broadway series and engagements across North America. Currently, they oversee subscription seasons in more than 20 cities throughout the country.

Nederlander continues the tradition of operating historic theatres, producing and presenting the best in theatrical and concert events, and innovating new ways to engage future generations of theatergoers.

**"I came here
to think about
insurance."**

SAID NO THEATREGOER EVER.

At UFG Insurance, we know you're here for one reason: to see the show. We get it, because we love everything about live theatre performances, too — from the sights and sounds to the mystery and magic. That's why we couldn't be more proud to support Broadway at the Paramount, bringing the best of Broadway to downtown Cedar Rapids.

We'll talk about our growing company and career opportunities another time. For now, let's settle in and enjoy the show!
