The Paramount Theatre's history is much more than the walls and seats but the events that it holds. In the spring and early summer the Theatre holds several dance events. This year we will be holding events for Cherie's Dance Studio, The Dance Academy of Cedar Rapids, Prestige Dance, Studio Dance, & The Pointe School of Dance in the Months of May and June.

This past weekend on May 12th & 13th marked the 38th dance recital that Cherie's Dance Studio has hosted at the Paramount Theatre since 1979. That number is higher if you take into account two-day performances. The Paramount Theatre has been home of several other recitals including Prestige Dance. Prestige Dance have hosted yearly events in the building since 2014. Each missed 2020 & 2022 due to COVID-19. Studio Dance has also hosted yearly recitals in that same time frame and has hosted a grand total of 23 recitals since 1993. We look forward to their return and 24th recital on June 9th & 10th.
