

Fiscal Year 2023 Event & Attraction Grant Guidelines & Application

Background

Purpose:

The Joplin Convention & Visitors Bureau (JCVB) budgets grant funding for the marketing of events and attractions that exhibit positive tourism potential to the Joplin area. These funds are to **assist** qualified organizations **with the promotion of tourism activities striving to directly increase hotel/motel occupancy and create positive image building publicity for Joplin.**

Program History:

On November 7, 2000, the voters of Joplin approved a 2% increase in the gross receipts tax on hotel and motel lodging accommodations. Council Bill No. 2000-048 directs the JCVB Advisory Board to establish a procedure for annually recommending to the City Manager and City Council the appropriation of these funds. In recommending the utilization of these funds, the Board shall consider their most effective use for marketing sports events, entryway beautification, special events, festivals, celebrations, and other related activities in Joplin designed to promote the city and its features as a destination for outside visitors and tourists.

The City Council shall, after public hearing held prior to the adoption of the budget, adopt an ordinance to allocate funds among qualifying applicants. Final allocation will be based upon the Council's determination as to the most effective use of funds to promote tourism, conventions, and related activities in Joplin.

Qualifying Applicants:

Applicants can be any not-for-profit organization or for-profit business seeking to produce and promote a **well-defined tourism-oriented** event or attraction. Requirements are as follows:

I. Not-For-Profit Organizations promoting an event or attraction must provide:

- a) IRS determination letter of non-profit status
- b) Listings of current organization board members and event committee
- c) Proposed budget for this event, showing specifically where grants funds would be applied
- d) Copy of liability insurance

II. For-Profit Organizations promoting an event or attraction must provide:

- a) List of current committee members or board of directors for the event. *Any event initiated by a for-profit organization must have a designated committee or board for governing and organizing the proposed event.*
- b) Letter from a financial institution confirming that a separate account has been established to receive and disburse funds only for the event for which the proposal is submitted.
- c) Proposed budget for this event, showing specifically where grants funds would be applied.
- d) Copy of liability insurance for the event.

Qualifying Applicants continued:

III. A qualifying event is defined as:

An **EVENT** is a single-or multi-day gathering typically organized and staged by a civic organization or local business. The event is centered on celebrating some unique aspect of the community, the services of an agency, a historic person or milestone, culture or tradition, or local/national holiday. Events showing the greater ability to attract visitors from 70+ miles (one-way) outside of Joplin and retain a visitor in this area for at least 3 hours will have the better success at being funded.

Regardless of the event's scope and structure, for this grant the organizing body of the event must qualify as described in item I. or II.

IV. A qualifying attraction is defined as:

A **TOURIST ATTRACTION** is a physical or cultural feature at a place that individual travelers or visitors experience for their specific leisure-related interests. These attractions typically offer natural or cultural value, historical significance, or natural or formed beauty, offering amusement, leisure, adventure, or educational value. A tourism attraction must show the ability to attract visitors from 70+ miles (one-way) outside of Joplin and retain a visitor in this area for at least 3 hours. This is to assist in broadening Joplin's tourism reach by offering more destination experiences.

Regardless, for this grant the organizing body of the attraction must qualify as described in item I. or II.

Arts and crafts, farmer's markets, restaurants, and service businesses and the like are generally not considered to be tourist attractions unless their premises are large enough to provide value-added experience such as hosting a large event or specific gathering. Solely, business promotions do not qualify.

Funds can only be used for enriching a tourism attraction's marketing program or evergreen event materials such as banner and signage, or value-added talent to draw a larger crowd. Funds cannot be used for construction projects or ongoing operation expenses.

TIPS FOR FILLING OUT THE APPLICATION

Part 1

Overall Application

- **Read the application and the guidelines thoroughly.** If you are unclear what a question is asking for, or if you have questions on whether it applies to your event, call Patrick Tuttle or email him at ptuttle@joplinmo.org. It is best to know for sure than to overlook it and miss out on giving vital information to the Advisory Board.
- **Understand the purpose of the grant.** This grant program is funded through the Joplin Convention & Visitors Bureau (JCVB). The primary purpose of the JCVB is to promote tourism and tourism growth. The JCVB supports many events and attractions, but especially unique opportunities that bring our community together. However, not all events and attractions fulfill the mission of the JCVB. Examine your use of the grant funds and honestly ask yourself if this is an opportunity to entice a large demographic of people to travel to Joplin, pay hotel accommodations, and bring friends or family along with them. The Advisory Board is asking this question too. So, when completing your application make certain you demonstrate the tourism potential your event or attraction offers.
- **Follow instructions.** If a question asks for a detailed description or to give specifics, we are asking for a reason. When the application is reviewed prior to your presentation, you want to deliver as much information about your event to the Advisory Board as possible. Not including details in your application has the potential to send a message that you either have not fully thought out your event or that you do not value the grant program enough to take time and include the details. It also means that during presentations you might have less time to convey the value and growth potential of your event because you are busy answering questions from the Advisory Board about the details.
- **Be clear.** Remember that the Advisory Board's first impression is the application, and you will not be in the room to explain any of it when they read it. Make sure it makes sense to someone outside of your organization.
- **Proofread.** Instances have occurred where someone did not proofread their finished application and only relied on spell check. The result? One word made a difference in conveying what the event or attraction was about, which may have resulted in lesser funding. Attention to details is important.

Section 1 of the application

- **Cover Sheet** – Be sure to include ALL the information requested and make sure the contact information is current.
- **Proposed Budget**
 1. Be as specific on your budget items and as close to actual expenses and revenues as possible. Although budget revisions are allowed, funding is based on what was initially presented on the application. The Advisory Board and staff want to ensure that what they chose to fund is accomplished.
 2. Highlight or clearly indicate the items in your overall budget for which you are requesting funding through the grant program. Remember, the Advisory Board is reviewing multiple applications. Make certain the items that need funding are clearly identified so the board can make an accurate assessment and decision towards your request.
 3. Include the percentage of your overall budget that grant funds would make up; the Advisory Board will take into consideration if the grant funds are a small or large portion of your overall budget. This will have a factor on events and attractions that have received some form of funding for multiple years.

TIPS FOR FILLING OUT THE APPLICATION

Part 2

- **Marketing Plan**

1. In this section, be very specific. If you are using local television stations don't just list "local media", but rather include which stations you are using and what kind of advertising you are utilizing with them. In every case, this does matter.
2. Show social media campaigns as a by-month effort.
3. Include the details. It is okay if sponsorships or if media contracts are not signed at the time of submitting a application. However, the research on rate cards and the cost and ad sizes for the advertising medium the funding request is being made are required.
4. Target audience and demographics are required. Who are you trying to reach with your marketing? If you are a first -time event, think about WHO you are trying to attract and what is the MOST LIKELY demographic you will attract. If you are a returning event, list your past demographics and add any changes or growth plans in hopes of reaching a larger or new audience. Attractions, please provide as many years of attendance/visitor data as possible.

Section 2 of the application

- **Describing your event or attraction** – Make sure that the items asked for in question #1 are easily identifiable. If you choose to outline them in paragraph form, make sure that you highlight, underline, or bold the answers so that they can be found easily. Item "E" of this question is the opportunity for you to "sell" your event to the reader; make sure you describe your event or attraction as accurately as possible.
- **Describing the projects or expenses for which you are requesting funding** – If there is a category listed on the application that you are not asking funding for then mark that item as NONE or N/A. When you list the items that you are requesting funding for, describe the item, quantity, and *cost* for each of them. The items that you request funding for in this section **MUST** align with the items that you are requesting funding for and have indicated in your budget.
- **Increasing attendance from previous year** – What is new with your event or attraction? If you are bringing in a new activity, a bigger band, or a great demonstration, describe it here. If you are advertising in new publications or you have expanded your online market or social media, describe it here. The Advisory Board will be looking for any way that you are trying to grow and expand your exposure and draw new attendees.
- **Attracting new visitors to Joplin** – Because the primary purpose of this grant program is to generate tourism, this question is incredibly important. Think about ways that you can get the word out about your event to surrounding communities. Connect with other convention and visitor bureaus and chambers of commerce to see if they have a *What's Happening* calendar to post on or if they would be willing to display a poster for the event or attraction. Contact radio stations and offer to do a contest giveaway with admission tickets to the lucky caller. Post your activities to college and university event calendars. Think about the events or attractions that have gotten your attention and do something similar. Get creative!

- **Previous event grant recipients must show hotel results** – Events who have received grant funding in previous grant cycles must show a history of hotel usage connected with the event. The room “pick up” must be broken down by property name and include the number of room nights per directly attributed to the event.
- **Generating and tracking hotel room nights** – Creating an event or attraction that ensures people will stay the night is a challenge.
- If possible, create a late evening pre-event reception, incentive, or evening activity that will encourage people to come in town the night before your event.
- Partner with a host hotel that offers a special room rate and will help track the number of guests registered.
- If you have an admission ticket, offer a discount coupon or post event premium or giveaway for attendees that tell the hotel front desk that they are here for your event or attraction.
- Establish a relationship with the sales manager or general manager at each of the hotels to let them know about your event and talk with them about the number of out-of-town guests that might be visiting. Communicating with the hotels allows them to pass on information about your event or attraction to their staff and guests and increases the chance that they will be able to help track your room nights.
- During your event, do a survey or a guest book that includes a question of if and where the attendee stayed the night; when you do the post-event hotel summary, you will have a better idea of accuracy of numbers. To engage attendees in filling out the survey, offer a drawing for a prize for those who participate in the survey.

Grant Application Guidelines:

1. Applications

- An organization may submit applications for multiple events. Each application will be evaluated independently.
- Only one (1) application per event may be submitted.
- Organizations that are awarded funds for more than one event must track, report on, and file reimbursements for each funded event separately.
- Each applicant must include a detailed marketing plan (including ALL marketing efforts, not just those that are being submitted for funding approval) for the event with the application.
- Each applicant must include a detailed estimated overall budget for the event (including items not submitted for funding approval) with the application. Highlight those items specific to grant funding.

2. Funding

- The maximum funding available for any one application is \$25,000.
- All funding is awarded on a reimbursement basis only. Proof of payment by applicant must be provided to JCVB to receive reimbursement (copies of invoice and means of payment required).

3. Events

- All events must be held within 20 miles of the Joplin city limits.
- No event may have the promotion of a specific candidate, political party, or platform as its primary purpose.
- Events must be open to the general public and not exclusive in regard to attendance. Event must be ADA accessible and programmatically accessible.
- No event-related marketing efforts may promote lodging facilities located outside of the city of Joplin. If a host hotel is selected for the event, it must be located within the city of Joplin.
- All events must show the potential to generate overnight hotel stays. Applications will be assessed by considering the event's ability to complete the following:
 - a. The ability to attract overnight visitors during previous years (applicable only to repeat events).
 - b. The ability to draw visitors from outside a 70-mile radius of Joplin and/or retain a visitor in this area for at least 3 hours.
 - c. The ability to sustain and grow the event.
 - d. The timing of the event. More points will be awarded to those events that are scheduled during non-peak months (September-March).
 - e. The ability to generate food, beverage, and retail expenditures by out-of-market visitors.

Grant Application Guidelines continues:

4. Reporting

- **Completion of Project** - If an applicant cannot complete any or all portion(s) of the approved project for which funds have been allocated funding, the JCVB must be notified in writing immediately. Failure to comply with the required grant reporting may impact future funding decisions and allocations.
- **Marketing Ad Approvals** – All printed and online materials used for marketing and promotion that are being submitted for funding reimbursement must be approved by JCVB staff PRIOR to printing or submission to publication. Applicant must submit artwork with the art approval form and allow 5 business days for approval. Materials that have not received prior approval from JCVB staff may not be eligible for reimbursement.
- **Budget Revisions** – Budget revisions for grant funded items are allowed. However, the number of revisions per application is limited to two (2). All budget revisions must be submitted in writing to Patrick Tuttle at ptuttle@joplinmo.org. Budget revisions must be approved by JCVB director. Revised budget items that have not been approved may not be eligible for reimbursement.
- **Reimbursements** – All items that are being submitted for reimbursement must be submitted with a reimbursement form. Reimbursements may be submitted intermittently throughout the planning process or in one package at the end of the event. Reimbursements must be submitted with proof of payment, a copy of the original vendor invoice and a copy of the ad or material (if applicable). NO DOCUMENTATION, NO REIMBURSEMENT. In most cases, reimbursement requests submitted to the JCVB staff on a Tuesday before 11:00 a.m., a check will be mail out the following Friday.
- **Hotel Tracking** – The purpose of this grant program is to market Joplin as a tourist destination and ultimately generate overnight hotel stays. The hotel tracking component of an event is vital to the reporting process. Applicants are encouraged to keep the hotels informed of their event.
- **Grant Summary** – All event applicants must submit a Grant Summary Form within 60 days of their event. All reimbursement requests must be submitted prior to submitting the Grant Summary Form. NO reimbursements will be accepted after the Grant Summary Form has been submitted. Submission of the Grant Summary Form indicates the conclusion of the contract between the JCVB and the grant applicant. Failure to comply with the reporting guidelines may jeopardize the applicant's ability to receive future funding through JCVB.
- **Surveys** – If funding is awarded, the grant recipient will be required to survey attendees either onsite during the event or at hotel locations, or electronically in the form of a post-event survey. Sample question can be provided by the JCVB. Event grant recipients are required to submit at least 50 completed surveys with their post-event summary.
- **Event Marketing** - It is the responsibility of each event to place their event information on the VisitJoplinMO.com event calendar and keep this information current as the event develops. Updates must be made **no less than** 6 months and 90, 60, and 30 days out from the event date(s), plus more frequent post the weeks before and of the event date. The JCVB can assist with developing a plan, but it is the event's responsibility to stay engaged in marketing efforts. This is to include images, artwork, and text. A good marketing plan requires constant activity and should begin the day after the previous year's event.
